Easter Sunday

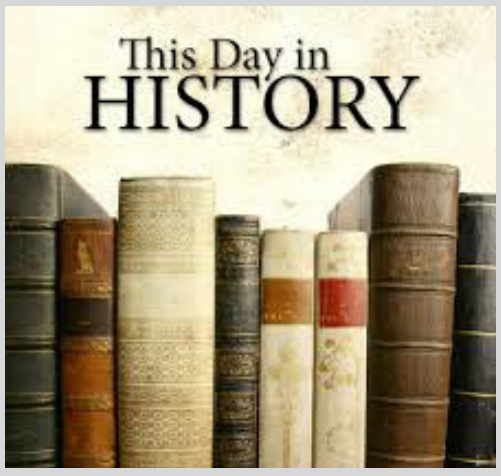
Easter is observed on the first Sunday following the full moon after the vernal equinox. Considered Christianity's most important holy day, it celebrates the resurrection of Jesus Christ. Depending on which calendar a church follows, some will celebrate the holiday earlier than others.

Leading up to Easter Sunday is an entire season of observances beginning with Ash Wednesday, Lent's official beginning. Lent is a time of fasting and reflection, which represents the time Jesus spent in the wilderness for 40 days. Many know this as a time when Christians give something up for Lent.

Then during Holy Week, the Sunday before Easter is known as Palm Sunday. It commemorates Jesus's entry into Jerusalem on a donkey just five days before the Romans crucified Him. Maundy Thursday remembers Jesus's last supper; Good Friday is the day of the crucifixion; Holy Saturday is the period between the crucifixion and the resurrection; and Easter Sunday.

- Participate in any number of church services.Some churches conduct sunrise services.
- Dye eggs with children and have an Easter egg hunt.

Apollo 13 Returns to Earth



With the world anxiously watching, Apollo 13, a U.S. lunar spacecraft that suffered a severe malfunction on its journey to the moon, safely returns to Earth on April 17, 1970.

On April 11, the third manned lunar landing mission was launched from Florida, carrying astronauts James A. Lovell, John L. Swigert and Fred W. Haise. The mission was headed for a landing on the Fra Mauro highlands of the moon. However, two days into the mission, disaster struck 200,000 miles from Earth when oxygen tank No. 2 blew up in the spacecraft. Swigert reported to mission control on Earth, "Houston, we've had a problem here," and it was discovered that the normal supply of oxygen, electricity, light and water had been disrupted.

The landing mission was aborted, and the astronauts and controllers on Earth scrambled to come up with emergency procedures. The crippled spacecraft continued to the moon, circled it, and began a long, cold journey back to Earth.

QUESTION OF THE DAY

Which of the following ships was the first to reach the site of the Titanic's drowning?

Considering the Olympic, the Carpathia, the Californian and the Antillian, the answer is: the Carpathia.

Though the Titanic had sunk by the time it reached, the Carpathia went on to rescue 705 people in lifeboats. During World War I, the ship was used to transport Allied troops and supplies, and sank when it was attacked by a German U-Boat.

April 10, 1912: the RMS Titanic departs South England on her maiden voyage. Along with her sister, the Olympic, the Titanic is the largest ship in the world. April 11, 1912: the Titanic departs from Queen Town, Ireland and enters the open ocean— making full steam for New York.

Reflections on the Water

Friends of Minsi Lake cordially invites the public to an exhibit of local photographer Lisa Newberry's beautiful images of Minsi Lake at Bangor Area High School Performing Arts Theater from 5:00-7:00 p.m. on Saturday, April 23. The theater is located next to the baseball field at 123 Five Points Richmond Road, Bangor, PA 18013.

Sixteen photographs of Lisa's choice will be framed and mounted on display panels on the theater balcony, while many more of her photos of scenery at Minsi Lake will be shown on continuous loop inside the theater.

"I started spending many early mornings at Minsi to find peace and connect with nature," Newberry said. "In those times, I find such an appreciation for the beauty and wonder all around the lake. The camera became a tool that opened my eyes to the things we tend to overlook in our busy day to day lives."

Complimentary refreshments will be served on the theater balcony, from with amazing views of Blue Mountain and Delaware Water Gap. The photo exhibit is free-of-charge. However, Friends of Minsi Lake accept donations to support their efforts to improve natural and recreational resources at Minsi Lake and the Minsi Lake Greenway.

The friends group will also be collecting contact information to share news and updates with exhibit attendees throughout the rest of the year. A drawing will be held for door prizes of Lisa's framed photographs.

For more information about Friends of Minsi Lake, call 610-829-6404 or find them on Facebook at www.facebook.com/MinsiLake.
