Save 66,000 Lives - Wear A Mask

The coronavirus pandemic has now claimed more than 715,800 lives worldwide, including more than 160,000 in the U.S. alone. Wearing face masks could save another 66,000 Americans from dying of the virus by December, according to a new model.

Wearing a mask is one of the simplest and easiest ways to keep friends, family and strangers safe from the novel coronavirus. "It's rare that you see something so simple, so inexpensive, so easy for everybody to participate in can have such an extraordinary impact in the U.S. and also all over the world," says Dr. Christopher Murray, the director of the University of Washington's Institute for Health Metrics and Evaluation (IHME).

The IHME model, which the White House frequently cited early in the pandemic, now forecasts another

134,854 deaths in the U.S. from the coronavirus by December, which would bring the total to 295,011. But if, starting now, 95% of people in the U.S. wore masks every time they stepped foot out of their homes, the total number of projected deaths would drop 49% to 228,271, the scientists found.

Participate in St. Luke's Virtual Via Marathon

The St. Luke's Via Marathon, now a virtual event due to the coronavirus, is inviting people of all athletic stripes – from walkers and marathoners to cyclists and horseback riders -- to participate and raise money to help persons with disabilities reach their full potential.

This year's version of the St. Luke's Via Marathon, which began on July 1 and runs to Sept. 13, still invites people to complete a marathon, half marathon,

team relay, 5K, 10K or walk.

But they can do the event on their own schedule, pick their course and set their own pace, including breaking down distances into segments and doing them over several days.

New this year, participants can join in by logging their distances by bicycling, horseback riding, skateboarding, roller blading or other means of non-motorized movement.

Via of the Lehigh Valley is a non-profit agency that provides services for children and adults with

disabilities, including skills training and employment services, in Lehigh, Northampton, Carbon, Monroe, Pike, Bucks and Berks counties.

The St. Luke's Via Marathon, which is a Boston Marathon qualifier, raises money for the agency. The 26.2-mile marathon starts in Allentown and ends in Easton, winding through Bethlehem via the D&L Trail. Last year, 2,700 people registered to participate.

When the state restricted outdoor sporting gatherings to 250 people, the St. Luke's Via Marathon saw a virtual event as a way to safely continue the tradition in its 14th year.

Among those participating in the Via event is Chanelle Price, an ambassador for St. Luke's who is training to win a spot in the 800-meter run competition for the Summer Olympics, now being held in 2021.

Price, who was an Easton Area High School standout in track, is logging her miles to reach 26.2 as she does her daily training in Eugene, Oregon.

"Anyone can sign up for this," she said. "And it's for a good cause."

Register or virtual event details icons at the top of the website www.viamarathon.org.

The registration fee for the marathon, team relay, half marathon, 10K and 5K is \$30. Walking is \$15. Children can sign up for free. People can also donate money directly by clicking on the FUNDRAISING HQ icon.

Registrants will receive a T-shirt and virtual bibs will be available to print online.

Because of the virtual nature of this year's events, winners will not be named. Times will not be eligible for qualifying for the Boston Marathon, which has been moved to spring 2021.

Participants will be able the post times either through a tracking app or on their own tracking devices.

Hike for Health

Wednesday, October 14 at 5:30pm to 7:00pm

Join us after work for a hike with a St. Luke's University health professional! Get some exercise while learning about health and fitness outdoors. Each hike will include a presentation from a guest health professional on topics such as physical fitness, stretching, and nutrition. A different guest will hike with us each month, sharing a topic that they specialize in. We will hike at a brisk pace over uneven terrain for 2 to 2.5 miles guided by a center educator. Our guest will be available during the hike to discuss the topic of the day and answer your questions. This program is being provided in partnership with St. Luke's University Health Network and the Get Your Tail on the Trail initiative. Meet at the Visitor Center at 400 Belfast Road, Nazareth, PA. Participants must be in possession of a face mask and practice proper social distancing while attending the program. Registration is required in order to limit group size in accordance with current health guidelines. Register for community programs online [Click Here](#).

Weona Park Book

A Centennial book is being written to commemorate the 100th Anniversary of Weona Park in Pen Argyl.

Anyone with fond memories or interesting stories should send them to Walt Cole at wrcole3@gmail.com This would include any information from your parents or grandparents. Perhaps a grandparent or great-grandparent helped to build the park, or worked on a WPA project during the Depression. Perhaps you worked at the park, were a life guard or had an interesting experience.

Stories about sporting events, swimming, or any activities would be of interest. They are also interested in pictures of family reunions, church gatherings or other organizations having picnics at the park. They are also looking for pictures of the clay tennis courts, the old miniature golf course, the band shell and events at the athletic field. Please check out those old photo albums for memories to share.

Celtic Cultural Scholarships

The Celtic Cultural Alliance (CCA) has announced that several scholarships will be awarded this year to students pursuing the study of Celtic dance, music, or art. Please contact Marcie Mulligan, mmulligan@celticfest.org, for information related to either scholarship. For more details about the scholarship programs and to download the applications, visit their webpage at the Celtic Classic which runs from September 25 through September 27, in downtown historic Bethlehem.

WTVFC Farmers Market

Washington Township Volunteer Fire Company is looking for local farmers/greenhouses who sell; vegetables, fruits, meats, honey, flowers, etc. and who would like to set up a farm stand at the fire house on Saturdays and Sundays from 8am to 4pm rain or shine.

WTVFC is looking to help raise funds but also help our Farmers who are unable to sell at their usual Carnivals and Flea Markets.

Spots sizes are determined by the farmer and will cost \$10 per day. All spots will be in a grassy area and must be cleaned up by the end of the day or the weekend. Multiple farmers per day are welcome, but spots will be available on a first come, first serve basis.

Farmers are responsible for their own chairs, tables, coverings, etc. No electric, water, or other utilities will be provided or available. WTVFC is not responsible for any lost/stolen belongings, equipment, etc. that is left on the property overnight.

For additional info or to reserve a spot call Brett Morrison at 484-542-9517 or Aundrea Morrison at 610-984-7101 or email bdjm987@gamil.com

Tasty Tuesdays

Trinity Lutheran Church, located at 4th and Broadway in Bangor, offers a free bag lunch program to children, their families and anyone in the community this summer. Tasty Tuesdays begins on Tuesday, June 2 and runs thru mid August.

Due to the Covid-19 pandemic, lunches will contain non perishable food items and will be available for drive-up/walk-up pick up in the large church parking lot.

Each lunch contains water, juice, healthy snack bar, chips, fruit/fruit cup, and a choice of a main food item such as canned soup/tuna/pasta and more. Call the church at 610-588-2023 to register.

St. John's Cemetery

Home Heating Assistance

LIHEAP is a federally funded program that helps individuals and families pay their heating bills through home heating energy assistance grants. It also provides crisis grants to help in the event of an emergency or if a resident is in danger of losing his or her heat due to broken equipment, lack of fuel or termination of utility service.

The income eligibility guidelines for LIHEAP are set at 150% of the federal poverty income level. For example, the income limit for an individual is \$18,735; for a couple, the limit is \$25,365; and for a family of four, it is \$38,625.

Residents may apply for LIHEAP online or by contacting the County Assistance Office in their county of residence.

Fire, Rescue, & EMS Grant

The registration window for the COVID-19 Fire, Rescue, and EMS Grant is open through August 7, 2020 at 4:00 p.m.

The purpose of this grant is to provide some much needed financial assistance to first responders who have found it difficult to keep their operations running due to COVID-19.

As stated in Act 26, the money must be used for operational and equipment expenses.

Grant Registration

To register, carefully review the grant guidance (PDF), then access the grant portal by following these instructions (PDF). [Click Here](#)

You will need the following information to complete the registration in order to receive these funds. You may already have these numbers, but if you do not, please see the link above to acquire the necessary numbers in preparation for this registration.

How to clean your phone

First and foremost, you will want to consult the website for the manufacturer of your phone or carrying case for any specific instructions that they might have in order to avoid damaging your device or case.

Many manufacturers, including Apple, have provided recommendations due to the COVID-19 pandemic.

While specific instructions may vary depending on your device, Apple advises the following :

- **Use only a soft, lint-free cloth.**
- **Avoid excessive wiping.**
- **Unplug all power sources, devices, and cables.**
- **Keep liquids away from your device.**
- **Don't allow moisture to get into any openings.**
- **Avoid aerosol sprays, bleaches, and abrasives.**
- **Avoid spraying cleaners directly onto your device.**
- **Apple is recommending the use of 70 percent isopropyl alcohol wipes or Clorox Disinfecting Wipes to wipe down any hard, nonporous surfaces.**

However, they say you should avoid using them on leather or fabric to prevent damage. According to Dr. Donald W. Schaffner, extension specialist in food science and distinguished professor at Rutgers University, these are “fairly gentle disinfectants.”

However, you should avoid using chlorine bleach, according to Schaffner. This could damage your phone. Westenberg further suggested that keeping your phone in a sealed case will make it easier to wipe it down with disinfectant wipes.

PA Hunting Licenses

The PA Game Commission announced hunting and fur-taking licenses are now available.

General hunting licenses and fur-taker licenses cost \$20.90 each for Pennsylvania residents and \$101.90 for nonresidents. Resident senior hunters and fur-takers, ages 65 and older, can purchase one-year licenses for \$13.90, or lifetime licenses for \$51.90. For \$101.90, resident seniors can purchase lifetime combination licenses for hunting and fur-taking privileges. A change in state law permits big-game hunting on the following Sundays: Nov. 15, for archery deer hunting; Nov. 22, for bear hunting; and, Nov. 29, for deer hunting during regular firearms season.

For additional information visit www.pgc.pa.gov.

Don't Just Push Germs Around, Eliminate Them

Many cleaning tools give the impression that they are killing germs and cleaning your home when in reality they are simply spreading germs to other more hidden areas of your home. The only way to avoid this is by sanitizing these cleaning tools, such as mops, dusters, and dishrags between uses or they will continue to spread bacteria around your house. This issue often goes unnoticed, as some of the most sparkling clean homes can be saturated with bacteria while other

Bangor Slater Face Masks

The BAHS Alumni Association is selling face masks with the Slater logo for \$9.98 each. There are three Slater logos to choose from. See below.

These masks have two breathable cotton/poly layers underneath making for a triple layer mask. There is also an inside pocket for a filter. Ear straps are adjustable and an additional head strap is available for purchase if you do not want to use the ear straps.

The masks come in Small, which fits most youth ages 1-6, Medium, which fits older children through small adults, and Large, which fits most teenagers and adults.

The masks can be bought online directly from the vendor and will be shipped to your address for a \$4.95 shipping fee, which covers all masks coming to the same address.

Visit this website to order and pay online: <https://basdmask2020.itemorder.com/> The website will close on July 26. When it is closed, the masks will be produced and sent directly to you in approximately four weeks. Proceeds go to the BAHS Alumni Association and will be used for their scholarship and awards programs.

Quarry Holes Filled With Water and Hidden Dangers

During hot weather some quarry lakes look inviting, but there many hidden dangers: deep water, cold water, submerged abandoned machinery and car wrecks, underwater ledges and recesses, hidden currents and tunnels, submerged plants, dead animals and excrement, rubbish, pollution and dangerous algae.

The greatest danger is cold water which is much colder than rivers, lakes and the sea. Many quarries are so deep that they are fed with water from underground springs or aquifers. This water originates deep within the ground, and is extremely cold. You are likely to become exhausted much more quickly than you would think. In addition to this, a sudden plunge into cold water could cause your body to go into "shock".
