Storm With 16-22 Inches of Snow Expected Thru Tuesday

**Snow
Totals
Through
Tuesday**

A Winter storm warning remains in effect until 1 pm Tuesday for heavy snow and additional snow accumulations of 16 to 22 inches with winds gusting as high as 35 mph in the Slate Belt and portions of northern New Jersey and east central and northeast Pennsylvania.

Travel could be very difficult to impossible. Areas of blowing snow could significantly reduce visibility. The hazardous conditions could impact the morning or evening commute.

Snow will continue through Tuesday. Snow may be heavy at times this afternoon as an intense band of snow likely develops near the area. Gusty winds may lead to blowing and drifting of snow.

If you must travel, keep an extra flashlight, food, and water in your vehicle in case of an emergency.

Police Seeking Witnesses to a Pedestrian Hit and Run

Bethlehem, The Pennsylvania State Police are requesting witnesses who may have information pertaining to a pedestrian hit and run crash to come forward to authorities.

On Friday, January 29, 2021 at approximately 10:44 PM, Troopers from the Belfast barracks were dispatched to a female in the roadway located at 2341 North Delaware Drive (State Route 611), Upper Mount Bethel Township near Mt. Bethel Fire Co.

Northampton County, later identified as 57-Year-Old female, Eileen Frances Mulzet, who had severe injuries. Mulzet was taken by helicopter to Lehigh Valley Hospital Cedar Crest for her injuries, where she was later pronounced deceased.

This investigation is being conducted by the Troop M Major Case Team and assisted by the Troop M Forensic Services Unit, Troop M Collision Analysis Reconstruction Unit and the Upper Mount Bethel Township Fire Department.

Anyone who may have been in the area or know any information pertaining to this investigation is requested to contact Trooper Brennan Long at (610) 746 -3785 and reference Incident Number PA21 - 135043.

1. **ALL of Market Street (512)**
2. **ALL of Main Street (North and South)**
3. **ALL of 1st Street (191)**
3. **Messinger Street (from Main to Rutt/Center)**
4. **Broadway (from Main to 8th)**

You are asked to restrict ALL non essential travel during these times, allowing Emergency Crews and Snow Removal vehicles to do their jobs properly. As reminder please have all snow removed and sidewalks salted 24 hours after the snow has ended.

- **Wind Gap Borough** Snow Emergency is in effect from Sunday, January 31, 2021 at 3:00 P.M. until further notice.
- **Pen Argyl Borough** will have a Snow Emergency in effect from Sunday, January 31, 2021 at 3:00 PM until further notice. Please remove any vehicles parked along a posted snow emergency route.
- **Plainfield Township** will have a Snow Emergency in effect from Sunday, January 31, 2021 at 5:00 PM until Tuesday, February 2, 2021 at 8:00 PM. This extended period is put into effect to account for anticipated high winds and drifting on Township rural roads.
- **Other Snow emergencies** have been issues in East Bangor, Roseto and Lower Mount Bethel.
- Due to the inclement weather the **Bangor Public Library** will be closed Monday, February 1st.
- **St. Luke's Vaccine Clinics – All Locations Closed Monday and Tuesday.** If you had an appointment for these days, please call 1-866-STLUKES (785-8537), option 7 to reschedule. All existing appointments and boosters will be honored and expedited.

- **J.P. Mascaro has delayed all garbage/recycling collection services in Plainfield Township** by one (1) day due to the forecasted weather event on Monday, February 1, 2021. Collection services will now take place on Tuesday, February 2, 2021. If any further delays or modifications to this schedule are necessary, advance notice of twenty-four (24) will be provided. However, at the time of this notification, the one (1) day delay is in effect.
- Due to the snowstorm **Northampton County offices, EXCLUDING 24/7 OPERATIONS, will be closed on Monday, FEB. 1ST.** Normal office hours will resume at 10:00AM on Tuesday, Feb. 2nd.
 - Governor Tom Wolf is urging motorists to avoid unnecessary travel and encouraging employers to offer telework options if possible, as winter weather conditions are expected to worsen Monday.
 - Vehicle restrictions are currently in place on several Pennsylvania interstates that align with Tier 1 of the commonwealth's weather event vehicle restriction plan, and the Pennsylvania Department of Transportation (PennDOT) anticipates that additional restrictions will be added as conditions warrant. It is possible that a Tier 4 restriction could be enacted in the Harrisburg, Lehigh Valley and Pocono regions. Under a Tier 4 restriction, no commercial vehicles are permitted.
- Motorists are encouraged to sign up for personalized alerts and find the latest restriction and travel information at www.511pa.com.
- Due to the snow storm, the **Northampton County COVID 19 testing site** will be closed on Monday, February 1.
- **All local schools are closed.**
- **All local high school sports events** are postponed, Make-up date will be posted later today or tomorrow.

Library's Foreign Language Vocabulary Builder

The Bangor Public Library announces that it has added LingoLITE to its online reference offerings which helps users learn basic words and phrases in 30 languages using interactive native speaker videos.

"Foreign language training and references are very popular at the library, but in the past, we've never been able to offer one source for learning so many languages using such an interactive video format, so we're very excited to offer this database to our patrons," says Kathleen Lynch, Director at Bangor Public Library.

LingoLITE is a vocabulary builder and contains thousands of native speaker video clips in 30 languages including Spanish, French, Italian, German, Chinese, Japanese, Chinese, Farsi, Hindi, German, Swahili, Thai, and 18 others.

Anyone can access LingoLITE using the library's computers, or from anywhere in the world from the library's portal at www.bangorlibrary.org with their library card.

LingoLITE was designed anyone who wants to learn basic terms and phrases in a new language. The resource has glossaries for greetings, introductions, food, transportation, relations, numbers, and more.

This is an example of the Library's mission to increase its coverage of topics that are of interest to its diverse population of patrons young and old.

State Food Assistance

Pennsylvania State officials have encouraged all Pennsylvania residents to take full advantage of all food assistance programs, if needed, over the holiday season.

"Pennsylvania's food assistance programs were built for times like these and no one should be too shy to take advantage of what they have to offer," said Russell Redding, secretary of the Pennsylvania Department of Agriculture.

But those assets haven't stopped the covid-19 pandemic from destabilizing personal finances and causing heightened food insecurity for millions of residents. Compared to 2018, when roughly 11% of adults in Pennsylvania were food insecure, Redding said 15.5% experience the issue this year.

The difference is even starker when it comes to children in the state. In 2018, 15% children experienced food insecurity. That number has climbed to 24% in 2020.

Local food pantries saw greater demand especially early in the pandemic and through the summer, with miles-long lines at each weekly distribution and millions of pounds of food provided.

"Food insecurity was a problem for millions of Americans before March 2020," said Teresa Miller, secretary of the Department of Human Services.

CDC Expands the Definition of 'Close Contact'

The Centers for Disease Control and Prevention released new guidelines on Wednesday regarding what counts as "close contact" with someone who has COVID-19.

The expanded definition includes brief but repeated exposure to others with the virus that adds up to 15 minutes over a 24-hour period. Previously, the CDC defined close contact as spending 15 consecutive minutes or more within six feet of someone with COVID-19.

This makes mask-wearing even more important for preventing transmission

County Assistance

In light of Pennsylvania's eviction moratorium expiring on August 31st, Lamont McClure reminds residents that Northampton County has approximately \$3.6 million available for rental assistance, rapid rehousing and utility payments. The Department of Human Services and the Department of Community and Economic Development worked together to develop the Community Mediation and Eviction Diversion Program (CMED). CMED offers experienced mediators, emergency financial assistance and rapid rehousing to prevent homelessness. Contact: Third Street Alliance at 610-438-1763 or email Ziana Keith at zkeith@thirdstreetalliance.org

Hotline for Human Services

Northampton County has a 24-hour Emergency hotline for all Human Services-related emergencies. Anyone struggling with a mental health crisis, abuse, neglect, suicidal thoughts, evictions, substance abuse, food insecurity, etc. can call 610-252-9060 for help and referrals.

Confidential Grief Group

A Clean Slate is partnering with Kainoa's Ohana to start their 6-week confidential grief group for parents/caretakers who have lost their child to a stigmatized death (addiction/suicide).

This has been a very powerful group that has filled a need in our area. This group caps at a small number so please pass this on to anyone who may benefit. They are looking at starting Saturday mornings in mid-October. For more information or to sign up contact jana@recoveryrevolution.org 610-599-7700.

Bangor Wrestlers Win Again Qualify for Playoffs

The Bangor wrestling team continued its impressive season with a lopsided 51-3 win over Northern Lehigh Thursday night.

Bangor's record now stands at 6-1 overall. The Slaters will wrestle Saucon Valley at home tomorrow at 11am which also sports a 6-1 record.

Regardless of tomorrow's outcome, the Slaters, unofficially, will host a league semi final match at home Monday February 1.

Bangor's only loss came at the hands of Notre Dame GP, which is also the only team to beat Saucon Valley.

Currently, NDGP 6-0, Bangor 6-1, Saucon Valley 6-1, and Palisades 5-2 are the top four teams in the Colonial League.

Bangor Girls Lose Boys Games Postponed

The Bangor Girls basketball team (5-2) gave undefeated and league-leading Northwestern (6-0) all they could handle Thursday night before losing 47-41.

The Tigers led from the second quarter on taking a 21-14 lead at half and increasing the margin to 31-22 entering the final quarter. The Slaters nearly doubled their output in the final period, outscoring the Tigers 19-16.

In the end, Northwestern made 8 of 12 free throws in the final going to win 47-41.

Bangor forced 23 turnovers offsetting their own total of 19. The major difference came at the foul line where Northwestern went to the line 15 times, making 10 while Bangor was 4 for 4, all of which were scored by Brynn Holland.

Madison Kluska led the Slaters with 13 points, Holland followed with 8, Emily Ohland and McCormick Karner 6, Emma Stout with 4 and Emma Toth and Madeline Stout 2.

Bangor Boys

The Boys, remain idle resulting from schedule changes. Northwestern has been moved to February 11, Northern Lehigh to February 15, and Southern Lehigh, scheduled for tomorrow, to February 6

Heritage Center Reopens

The Slate Belt Heritage Center has reopened for visitors for the remainder of the winter season. The Center will be open every Sunday, from 12:00- 3:00 until the beginning of April.

Their monthly presentations will continue to be posted on our Facebook page, Slate-Belt-Heritage-Center-SBHC. Their next presentation will be by Cullen King, entitled "Their Past, Our Future: Why our History Should Provide Hope Today." Cullen grew up in Pen Argyl, and attended the College of Wooster and the University of Michigan, focusing on Library and Archival Work. He served as an intern at the Slate Belt Heritage Center during the summer of 2020. He will speak about the insights he gained as an intern about the importance of history, and discuss the website that he created for the Center.

The presentation will be posted on the Center's Facebook page on Thursday, January 21st. All past programs are archived on the Facebook page as well. Please check out this interesting view of history and their place in it. The Slate Belt Heritage Center is a 501©3 organization, concerned with the preservation and teaching about the culture and artifacts of the various groups that settled in the Slate Belt.

St. Luke's Plan for Vaccinating Communities

St. Luke's has engaged in extensive preparations to expand COVID-19 vaccination access to the general population in a smooth, orderly and safe fashion.

St. Luke's thus far has concentrated its vaccination efforts on Phase 1a priority groups. As they prepare for the state to move into the next phase as announced today, St. Luke's has developed a process to allow individuals to sign-up for notifications regarding the vaccine.

"We are proceeding in a thoughtful, orderly and safe way," says Jeffrey Jahre, MD, St. Luke's Senior VPMA regarding the Department of Health's announcement today. "As per the state, we are opening scheduling to individuals age 65+ and those with medical conditions. To avoid lines and chaos, we are prioritizing individuals at the highest risk starting with individuals 75+ and rapidly working down the list as we have supplies.

We anticipate that with increased supplies in manufacturing and the addition of other vaccines, like Johnson & Johnson's, that there will be rapid increase in our ability to accommodate the entire population."

As of today, anyone can pre-register for vaccination through the St. Luke's MyChart portal at www.sluhn.org/vaccine. Those who do not have a MyChart account may create one.

Alternatively, individuals who are currently eligible to receive the vaccine (health care providers, nursing home staff and first responders) may call, 1-866-STLUKES (785-8537), option 7.

After completing a brief questionnaire, MyChart users will be notified when it is their turn to schedule an appointment for the vaccine, which they will be able to do online.

If accessing MyChart via the St. Luke's mobile app, users can find the COVID-19 Vaccine pre-registration under "Questionnaires à Optional Questionnaires."

Questions related to MyChart can found here or by calling 1-866-STLUKES (785-8537), option 5.

LVHN COVID-19 Vaccination

If you are age 75 or older, or people age 65 and older as well as people ages 16-64 with serious medical conditions, you can receive a COVID-19 vaccination. Schedule your appointment today to get vaccinated at LVHN's first drive-through COVID-19 vaccination clinic at Dorney Park in Allentown Jan. 27, 8 a.m. to 4 p.m.

An appointment is required at this and all of LVHN's vaccination locations. The vaccination is free.

Making an appointment is easy.

Step 1: Sign in to MyLVHN

Make sure your account settings are correct (Log in and click "Menu," "Account Settings," and then edit).

Step 2: Make an appointment

When you are logged in to MyLVHN, you will see a notification that you have a COVID-19 vaccine to schedule. To set up your appointment, press "Schedule Now."

Press "Schedule now" to schedule your first dose of the COVID-19 Vaccine

While MyLVHN is the fastest, easiest way to schedule an appointment, another option is to call 833-LVHN-CVD (833-584-6283). The ability to schedule an appointment is dependent upon the supply of available vaccine at LVHN, which is determined by the State of Pennsylvania.

Coronavirus Variant May Spread 70% Faster

Just as vaccines begin to offer hope for a path out of the pandemic, officials in Britain this past weekend sounded an urgent alarm about what they called a highly contagious new variant of the coronavirus circulating in England.

Citing the rapid spread of the virus through London and surrounding areas, Prime Minister Boris Johnson imposed the country's most stringent lockdown since March.

But the estimate of greater transmissibility — British officials said the variant was as much as 70 percent more transmissible — is based on modeling and has not been confirmed in lab experiments, Dr. Cevik added.

Several experts urged caution, saying it would take years — not months — for the virus to evolve enough to render the current vaccines impotent.

“No one should worry that there is going to be a

single catastrophic mutation that suddenly renders all immunity and antibodies useless,” Dr. Bloom said.

“It is going to be a process that occurs over the time scale of multiple years and requires the accumulation of multiple viral mutations,” he added. “It’s not going to be like an on-off switch.”

The scientific nuance mattered little to Britain's neighbors. Worried by the potential influx of travelers carrying the variant, the Netherlands said it would suspend flights from Britain from Sunday until Jan. 1.

Dolores Savitz Honored for 45 Years of Service

Pen Argyl Borough Secretary Dolores Savitz has resigned after 45 years of dedicated service to the Borough. Recently, she was presented with citations from government officials. She also received the Pennsylvania Association of Borough's Trustee Award. Don't be surprised if you see her at Borough Hall graciously assisting in the transition. Administrative Assistant Julianne Lemak has been appointed Borough Secretary.

Heidi Bates was installed as the new Bangor Women's Club by outgoing President Carol Akam.

Tips to avoid getting and spreading COVID-19

In public:

Wear a mask in public settings, including on public transportation and in transportation hubs such as airports and stations. Stay at least 6 feet (about 2 arms' length) from anyone who is not from your household.

Bathrooms and rest stops:

Wash your hands with soap and water for at least 20 seconds after using the bathroom and after you have been in a public place. If soap and water are not available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.

Getting gas:

Use disinfecting wipes on handles and buttons at the gas pumps before you touch them (if available).

After fueling, use a hand sanitizer with at least 60% alcohol. When you get to your destination, wash your hands with soap and water for at least 20 seconds.

Takeout Food Tips

Getting takeout from your favorite restaurant for dinner? Use these tips to stay safe:

- Mobile phone order + pay online or by phone
- Accept take-out without in-person contact
- Stay 6 feet away from others
- Soap wash your hands after pickup

Slateford Inn (R) and Five Points Restaurant (L) are now both open for business. Recently, John Birmingham of UMBT was able to deliver donations to the bartenders and servers who have been impacted by the restrictions due to the Coronavirus.

How to Talk About Terrorism With Kids

Murphy Moroney, MSN

Watching an angry mob storm the Capitol building in response to Trump losing a second term was incredibly disturbing.

While the destruction was hard enough to witness as an adult, many parents worry about how their kids will process such a dark event in US history. As an act of domestic terrorism that was incited by a sitting President, speaking with children about what happened is important.

Although parents might be hesitant to bring up the insurrection with young children, preschool-aged kids can digest a basic understanding of what happened, particularly if they saw images or video footage on TV.

How Do You Explain What Transpired at the Capitol Building to Kids?

Before diving into a serious conversation about the attack on the Capitol, Reena B. Patel, a parenting expert and educational psychologist, urges parents to create a safe space for kids of all ages by allowing them to ask questions and not forcing them to talk about the topic until they're ready.

She also emphasized the importance of listening to get kids' perspectives and using the word "sometimes" when talking about the event to remind children that not everyone acts in this manner.

What's the Best Way to Teach Kids About Patriotism?

"The best way is to discuss what patriotism is not. It is not using hate to make your opinion heard, harming others, or bullying others to change their views,"

Bangor Womens Club treasurer, Judy Shaw (far right), is shown presenting Bangor Public Library Director Kathleen Lynch with a check for \$900. Also pictured is Yvonne Humphreys (far left) member of both Bangor Women's Club and the Friends of the Library and Patty Zito, president of Friends of the Bangor Library. The Womens Club obtained wreaths from a local greenhouse and nine club members festively decorated them. The wreaths were sold at the library during Small Business weekend in November by Friends of the Library. Proceeds of the sale were matched by the club.

Vaccine Scams

The FBI has warned of one of the fastest-growing frauds in the U.S. right now — scams related to the COVID-19 vaccine.

Emails or online advertisements regarding a vaccine waiting list or offers to get vaccine doses shipped directly to your home. You cannot pay money to put your name on a list to get the vaccine or get early access to the vaccine. Beware of generic greetings, grammar and spelling mistakes, or suspicious links and attachments in email messages.

Phone calls or emails from a "vaccine distribution site" or "health care provider/insurance company" asking for your personal information.

In these instances, do not provide your social security number, credit card, or bank information.

Social media posts with disinformation about the vaccine's origins and efficacy. Many times these may be accompanied with links to malware-laden websites or sites selling worthless and/or harmful products.

316 Marketplace in Wind Gap Has Something For Everyone

The new Marketplace 316 in Wind Gap is impressive. It offers a place for Local Antiques and Collectables, Artisans, Resellers & Foods, only found in Wind Gap.

J's Royal Family, Unique Finds, Flay'd Meats, Candy Pickers, and Uncle Chuck's & Son's Furniture are just few of many vendors.

Despite the COVID 19 pandemic, Marketplace 316 opened July 4th to the delight of avid flea marketers.

The North Broadway location is a huge improvement over the former Wind Gap Flea Market. The new Flea Market appears to be twice the size it was a few years ago, allowing far more vendors to set up shop.

Although I'm not a weekend, flea market junkie, I occasionally enjoy going to Saylorsburg, Jake's on Route 100, Adamstown, PA and a place in Front Royal, Va. I'm happy to say that I am definitely adding Marketplace 316 to my list of favorites.

They are open Saturdays and Sundays from 8am to 4pm at 316 North Broadway, Wind Gap. Visit their website at www.marketplace-316.com.

Commercial Lease Program

Slate Belt Rising, a program of Community Action Committee of the Lehigh Valley (CACLV), is introducing a Commercial Lease Subsidy Program to attract new and expanding businesses to the Boroughs of Bangor, Pen Argyl, Portland, and Wind Gap.

This program will provide businesses the support they need to get off the ground, helping to build more vibrant downtown areas that attract more businesses and the talent needed to build a competitive economy, thus creating a stronger and more resilient community.

"This will serve as an incentive for new businesses to open or other businesses to expand in the Boroughs of Bangor, Pen Argyl, Portland, and Wind Gap," said Stephen Reider, Director of Slate Belt Rising. "Our goals are to lower commercial vacancy rates, provide economic opportunity and create more vibrant business districts that are welcoming for residents and visitors alike."

The program will provide financial support to a minimum of five businesses during their first six months of operation. Selected businesses will receive 100% of rent payments (up to \$1,500 monthly) for their first three months and 50% of rent payments (up to \$750 monthly) for their next three months. The lease payments will be made for six consecutive months.

Slate Belt Rising anticipates that this will advance the economic viability of the Slate Belt through business development, job creation, and promotion of Slate Belt small businesses within and outside the community.

Any new business opening or moving into one of the boroughs or an existing business looking to open a second location within one of the boroughs may be eligible for the program. Applicants must be planning to lease between 500-5,000 square feet of first floor, market-rate office or retail space for a minimum 2-year term.

Applications are currently open and being accepted until February 12, 2021. For full guidelines and application, visit slatebeltrising.org.

COVID19: March 12, 2020 2:26 PM

Vaccine's Period of Protection Uncertain

Director of the National Institute of Allergy and Infectious Diseases Dr Anthony Fauci said that at this stage there is not enough data to determine how long the protection offered by the Moderna or the Pfizer/BioNTech COVID-19 vaccines will last.

CEO of BioNTech Uğur Şahin also said he is optimistic the immunization effect of the vaccine would last for a year, but they won't know for sure until July 2021 because the data available at this time only dates back to July 2020, when they started their trial.

What you need to know

- There isn't enough data at this time to determine how long each vaccine will protect people
- BioNTech's CEO said trial patients need to be monitored for a full year to measure the long-term effectiveness of the vaccine
- The efficacy rate of vaccines is a measurement of how effective they are under ideal circumstances
- Although the vaccines protect people from COVID-19, experts don't yet know if it will prevent someone spreading the virus, so other precautions, such as masks, will still be important

Home Heating Assistance

LIHEAP is a federally funded program that helps individuals and families pay their heating bills through home heating energy assistance grants. It also provides crisis grants to help in the event of an emergency or if a resident is in danger of losing his or her heat due to broken equipment, lack of fuel or termination of utility service.

The income eligibility guidelines for LIHEAP are set at 150% of the federal poverty income level. For example, the income limit for an individual is \$18,735; for a couple, the limit is \$25,365; and for a family of four, it is \$38,625. Residents may apply for LIHEAP online or by contacting the County Assistance Office in their county of residence.

Animals and COVID 19

A small number of pets worldwide, including cats and dogs, have been infected with the virus that causes COVID-19, mostly after close contact with people with COVID-19.

Based on the limited information available to date, the risk of animals spreading COVID-19 to people is considered to be low.

Because there is a risk that people with COVID-19 could spread the virus to animals, CDC recommends that pet owners limit their pet's interaction with people outside their household.

- Keep cats indoors when possible and do not let them roam freely outside.
- Walk dogs on a leash at least 6 feet (2 meters) away from others.
- Avoid public places where a large number of people gather.
- Do not put a mask on pets. Masks could harm your pet.

There is no evidence that the virus can spread to people from the skin, fur, or hair of pets. Do not wipe or bathe your pet with chemical disinfectants, alcohol, hydrogen peroxide, or other products, such as hand sanitizer, counter-cleaning wipes, or other industrial or surface cleaners. Talk to your veterinarian if you have questions about appropriate products for bathing or cleaning your pet

Can You Get Flu & COVID Vaccines Simultaneously?

No, according to the CDC. You should not get a COVID-19 vaccine and a flu vaccine at the same time. COVID-19 vaccines should be given alone with at least 14 days either before or after you get any other vaccines, including a flu vaccine. This is because there is currently limited information on the safety and effectiveness of getting other vaccines at the same time as a COVID-19 vaccine.

As more information becomes available, this recommendation may change. Your healthcare provider can help you decide the best vaccination schedule for you and your family

Fact COVID-19 vaccines will not give you COVID-19

None of the COVID-19 vaccines currently in development or in use in the United States, contain the live virus that causes COVID-19. There are several different types of vaccines in development. However, the goal for each of them is to teach our immune systems how to recognize and fight the virus that causes COVID-19. Sometimes this process can cause symptoms, such as fever. These symptoms are normal and are a sign that the body is building immunity. Learn more about how COVID-19 vaccines work.

It typically takes a few weeks for the body to build

immunity after vaccination. That means it's possible a person could be infected with the virus that causes COVID-19 just before or just after vaccination and get sick. This is because the vaccine has not had enough time to provide protection.

FACT: COVID-19 vaccines will not cause you to test positive on COVID-19 viral tests

Neither the recently authorized and recommended vaccines nor the other COVID-19 vaccines currently in clinical trials in the United States cause you to test positive on viral tests, which are used to see if you have a current infection.

How Vaccine Recipients Felt After COVID-19

Lehigh Valley, Pa. (Dec. 22, 2020) - Wondering how it feels the day after a COVID-19 vaccine? Since Thursday, Lehigh Valley Health Network has administered more than 1,000 vaccinations to front-line, high-risk workers and plans to vaccinate about 6,000 more in the coming days.

Of those who received a vaccination, only three people reported side effects – one person had redness and swelling at the injection site, one had an itchy throat and the other had a fever. Symptoms for each person subsided quickly. Of the colleagues who had known severe allergies, no side effects were reported.

“Except for a sore arm at the injection site, much like how I felt when I got the flu shot, it is business as usual today,” said Jennifer Rovella, DO, LVPG Pulmonary and Critical Care Medicine. “I feel great knowing that this is the beginning to the end of the pandemic.”

Chantal Branco, RN, LVHN Patient Care Services, the first person in the region and at LVHN to receive the Pfizer authorized vaccine had a similar reaction. “I’m feeling great today. My left arm is a little sore but nothing that is keeping me from my normal daily activities.”

Glenn Thompson, RN, LVHN Emergency Services, said that getting the shot didn’t limit him in any way. “About 24 hours after getting the vaccine, I have no issues besides a slightly sore arm at the injection site.”

Marcelo Gareca, MD, LVPG Infectious Diseases, even went a bit further in describing that he was not impacted by the vaccine.

“I am feeling fine. My arm is no sorer than when I get the flu shot. It did not stop me from doing yoga at home last night, working yesterday and today, or shoveling snow this morning.”

The U.S. Food and Drug Administration says that the most commonly reported side effects are pain at the injection site, tiredness, headache, muscle pain, chills, joint pain and fever. It’s important to remember that even if you do experience some of these mild symptoms, they usually go away within a day or two and the symptoms are far milder than what most people experience when they are sick with COVID-19. Medical officials say the vaccine cannot cause a COVID-19 infection.

While the shot itself cannot make you contagious, it is important for everyone to continue wearing a face mask. Officials say it is unclear at this point if the vaccine prevents people from becoming infected with COVID-19 or if it prevents feeling sick when infected. That means you could still transmit virus after you’ve received your shot.

Kindergarten Registration Welcome Class Of 2034

The Bangor Area School District (BASD) is excited to welcome the Class of 2034! The kindergarten team at Five Points Elementary School is excited to welcome our new kindergarten class to begin their education for the 2021-2022 School Year. A child is eligible for kindergarten

- If he/she is at least the age of five (5) years by August 30, 2021 (no exceptions).
- Resides within the boundaries of the BASD.
- Successfully completes the district's kindergarten screening process.

Kindergarten registration is online. Online kindergarten registration is available for parents and/or guardians through the District website www.bangorslaters.com. A parent only kindergarten registration information meeting is scheduled on Tuesday, January 26, 2021 at 7:00 p.m. via Zoom. The Zoom will be available on the District website. To schedule a screening appointment, the completed online registration and mandatory documents must be

submitted and approved by the registration secretary. A completed registration includes:

- Parent/Guardian Photo Identification
- Proof of child's birth date (must be at least five (5) years by August 30, 2021)
- Two (2) proofs of residency
- Immunization
- Physical Exam Record
- Dental Exam Record

Once online registration is submitted and approved, Five Points Elementary School will contact parents/guardians regarding a kindergarten screening appointment. Because of COVID-19, the District has not determined kindergarten registration dates at this time. Our goal is to conduct in-person screening appointments when it is safe. All screenings are by appointment only. An adult must accompany the child(ren) for their screening appointment(s). Our kindergarten staff is eager to meet and work with your child.

Nestles Donate to Slate Belt Rising

Nestlé Waters announced a \$2,500 donation to Slate Belt Rising, a program of Community Action Committee of the Lehigh Valley (CACLV), to support its work of fostering comprehensive community and economic development in the Slate Belt Boroughs of Bangor, Pen Argyl, Portland, and Wind Gap. Slate Belt Rising brought together the four boroughs to collaborate and amplify their collective voices to help strengthen their ability to compete with other communities for investment.

“As a member of the Slate Belt community, Nestlé Waters was pleased to support the work of Slate Belt Rising,” said Eric Andreus, Natural Resource Manager at Nestlé Waters North America Inc. “The Slate Belt community has a rich history, and the work being done by Slate Belt Rising is strengthening the community through several important initiatives. We are proud to be a part of making a positive impact in the region.”

Since 2016, Slate Belt Rising has secured, leveraged and invested over \$1 million in projects in the Slate Belt, across many project areas including façade improvements, community events, youth programming, streetscape improvements, and municipal planning.

Most recently, Slate Belt Rising launched a Commercial Lease Subsidy Program to attract new and expanding businesses to the Boroughs of Bangor, Pen Argyl, Portland, and Wind Gap. The pilot program provides financial support to a minimum of five businesses during their first six months of operation.

Northampton County Adds Twentieth Park

Lamont McClure congratulates the Northampton County Department of Parks and Recreation for closing on the County’s 20th park and all the other projects they were able to accomplish in 2020 despite a world-wide pandemic.

The County increased its number of park properties from eighteen to twenty with the addition of Hexenkopf Preserve and Martins Preserve. To date, the County has preserved 3,451 acres of parkland and open space. Ned and Linda Heindel donated 76.76 acres, which includes the Hexenkopf Rock, to the County last autumn. Hexenkopf Rock has both cultural and geological importance and was once used as a shrine by the Lenni Lenape Indians. The County recently purchased the Little Martins Preserve—a 94 acre property in Lower Mount Bethel and Washington Township. Parks & Rec plans to install parking lots and trails at both sites in the future. The County also acquired 1.4 acres at the Stockertown Trailhead and will use that land to link existing trails.

“The future of Northampton County is green,” says Lamont McClure. “Land preservation not only protects open spaces for future generations, it helps prevent warehouse proliferation now.”

Grants Save Money and Reduce Pollution

Harrisburg, PA – Grant funding for energy efficiency and pollution prevention projects for small business owners and farmers is still available from the Pennsylvania Department of Environmental Protection (DEP) through the Small Business Advantage Grant program.

“This grant program was created with small businesses and farmers in mind. There are tremendous monetary savings available to Pennsylvania’s small business owners by installing energy-efficient equipment, such as boilers, LED lighting, and Energy Star certified heating, ventilation, and air conditioning systems,” said DEP Secretary Patrick McDonnell. “Pennsylvania farmers can also benefit by using these funds to undertake projects which will divert sediment and nutrient runoff from our waterways.”

Pennsylvania farmers and other small business owners with 100 or fewer full-time employees are eligible for the grants. Projects must save the business a minimum of \$500 and 25 percent annually in energy consumption or pollution related expenses. Natural resource protection projects are exempt from the minimums; however, the projects must be able to quantify sediment and nutrient reductions into nearby waterways.

Businesses can apply for 50 percent matching funds for equipment or materials, up to \$7,000, when adopting energy-efficient or pollution prevention equipment or processes. Applications are considered on a first come, first served basis, and will be accepted until fiscal year 2020-21 funds are exhausted, or Monday, April 12, 2021, whichever occurs first.

The complete grant application package is available by visiting the DEP Small Business Ombudsman’s Office’s site.

To contact the Small Business Ombudsman’s Office, call 717-772-5160 or email raepadvantagegrant@pa.gov.

Slate Belt Area HOBY Recipients Named

Elaina Eibeck has been selected as the 2021 Hugh O'Brien youth leadership recipient.

She is the daughter of Peter and Jenny Eibeck.

Elaina is Pen Argyl High School's sophomore class president and also involved in TV studio, mock trial, character education, and concert band.

She has received academic awards in: english, math, social studies, and science.

Elaina also ranks in the top five of her class.

Outside of school she takes guitar lessons and attends Cornerstone Church in Easton.

The Hoby award was founded by well-known actor Hugh O'Brien in 1958.

The award is given annually to deserving sophomores across the nation.

Hoby's mission is to seek out and develop the leadership potential in youth and to encourage and prepare the next generation vital for America's future.

June Jones, First Vice President and Education Chair of Bangor Womens Club GFWC is pleased to announce that Benjamin Engle, a Bangor High School Sophomore has been selected to represent Bangor at the 2021 HOBY Leadership Training Program this spring.

Ben lives in Roseto with parents Dan and

Lindsay and younger sister Megan. During winter he enjoys snowboarding. In summer enjoys the beach and fishing.

He is a member of the varsity football team .The past two seasons, he has enjoyed helping out with the Bangor Youth Football Club, on the 130's level. As a previous youth football player himself, he likes being able to teach and train the younger players. Combining school and extracurricular activities keeps Ben busy, but seeing the growth in the youth players' skills is why he enjoys helping out the team.

Ben's plans are to attend a 4-year college in pre-med majoring in human biology. He hopes to be a doctor in neurosurgery or plastic surgery. Ben is a proud Slater and has been a Bangor student since Kindergarten.

Local Schools to Receive Nearly \$12M In Funding

Rep. Joe Emrick (R-Northampton) announced that school districts in the 137th Legislative District will receive nearly \$12 million in federal Elementary and Secondary School Emergency Relief (ESSER) funding as part of the federal Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA).

"I am pleased that our local school districts are able to get this funding as it will allow them to continue to provide our children with an education, despite the obstacles caused by this pandemic," said Emrick.

The funding for each school district is as follows:

- Nazareth Area School District - \$1.45 million.
- Easton Area School District - \$8.56 million.
- Bangor Area School District - \$1.87 million.

As part of the CRRSA, Congress and the current administration appropriated \$54.3 billion for the ESSER Fund. Funding is distributed to states based on each state's proportionate share of Title I, Part A (Title I-A) funding. Funds are intended to support COVID-19 response efforts and spent on a wide range of allowable activities.
