National Make A Friend Day

Always observed on February 11th, National Make A Friend Day is a fantastic opportunity to meet someone new and make a new friendship. Friends serve a vital role in everyone's lives. They are one of life's most valuable assets.

New friends can broaden our horizons by helping us to see new perspectives, challenging us to try something different, or connecting us to opportunities. Meeting new people can help sharpen our social skills and keep us from becoming lonely.

"Friends are those rare people who ask how you are and then wait for the answer" – Ed Cunningham

While friends often share common backgrounds or experiences, they certainly don't have to have everything in common. One of the simplest ways to make new friends is to explore your interests by taking a class or joining a club.

QUESTION OF THE DAY

Of the four hemispheres on Earth, which one has the most people?

And the answer: Northern.

The Northern Hemisphere holds the majority of the land mass on Earth, and where there is land, there are people. Approximately 87% of the world's population lives north of the Equator, while 82% live in the Eastern Hemisphere.

At 0 degrees latitude, the Equator marks the line which divides north from south, and consequentially divides the Northern and Southern Hemispheres. The Northern Hemisphere contains North America, the northern part of South America, Europe, the northern two-thirds of Africa, and most of Asia. The Southern Hemisphere contains most of South America, one-third of Africa, Australia, Antarctica, and many Asian islands.

Nelson Mandela Released From Prison

Nelson Mandela, leader of the movement to end South African apartheid, is released from prison after 27 years on February 11, 1990.

In 1944, Mandela, a lawyer, joined the African National Congress (ANC), the oldest Black political organization in South Africa, where he became a leader of Johannesburg's youth wing of the ANC. In 1952, he became deputy national president of the ANC, advocating nonviolent resistance to apartheid—South Africa's institutionalized system of white supremacy and racial segregation. However, after the massacre of peaceful Black demonstrators at Sharpeville in 1960, Nelson helped organize a paramilitary branch of the ANC to engage in guerrilla warfare against the white minority government.

In 1961, he was arrested for treason, and although acquitted he was arrested again in 1962 for illegally leaving the country. Convicted and sentenced to five years at Robben Island Prison, he was put on trial again in 1964 on charges of sabotage. In June 1964, he was convicted along with several other ANC leaders and sentenced to life in prison.

The Henrys of Boulton

(and Elsewhere)

Saturday, February 12 at 10:30am to 11:30am

The Henrys at Boulton loved to research their family history. They relied on a vast trove of family papers and tended to fill in the blanks with interesting stories, which later historians have

repeated as fact. Twenty-first century research has uncovered, however, lots of new material that just wasn't available to these nineteenth-century historians. This new material reveals that the Henry family history is even more interesting than the Henrys themselves may have realized! Join Dr. Scott Paul Gordon for this presentation of his research into the Henry family. Registration is required.

Museum and a Movie: The Cry of Jazz

Museum and a Movie: The Cry of Jazz will be presented February 13, 2022, 12:00 pm, in John R. Austen Auditorium at Sigal Museum, 342 Northampton St, Easton.

The Northampton County Historical and Genealogical Society Museum and a Movie series showcases independent, international, and historical short films relevant to our museum exhibits and the communities we serve.

February 2022's feature is The Cry of Jazz, a 1959 documentary from director Edward O. Bland that connects Jazz to African American history. Set in Chicago at a jazz appreciation club, the film is split into two alternating styles; conversations between club members, both black and white, are interspersed among documentary-style scenes of African American life in Chicago. Rather than being strictly a documentary about jazz as a musical genre, the film uses jazz as a metaphor for understanding the African American experience of living in Chicago in the 1950s.

In 2010, The Cry of Jazz was selected by the Library of Congress for preservation in the United States National Film Registry, citing it as a "culturally, historically, or aesthetically significant" film.

The Cry of Jazz is 34 minutes in length and will be shown at 12:00, 1:00, and 2:00 PM in the John R. Austen Auditorium of the Sigal Museum. Sigal Museum is open with masks and social distancing required for all guests. Visit us: Thursdays – Saturdays 10 am – 4 pm and Sundays from 12 noon – 4 pm.

Hotline for Human Services

Northampton County has a 24-hour Emergency hotline for all Human Services-related emergencies. Anyone struggling with a mental health crisis, abuse, neglect, suicidal thoughts, evictions, substance abuse, food insecurity, etc. can call 610-252-9060 for help and referrals.

Appointments Required for Vaccines at LVHN

Lehigh Valley, Pa. (Oct. 29, 2021) – Beginning Monday, Nov. 1, Lehigh Valley Health Network (LVHN) will offer COVID-19 vaccinations, including booster shots, through appointment only. Walk-in vaccinations are no longer available at this time.

They have made this change in response to an increased demand for vaccines and booster shots, and in anticipation of the Pfizer/BioNTech vaccine receiving emergency use authorization (EUA) for children ages 5-11. Appointment-only vaccinations support the safety and experience of those receiving vaccines under our care, allowing our clinicians to adequately plan and prepare for the number of individuals expected at each location.

You can schedule an appointment for a booster dose or first dose by calling our vaccine hotline at 833-584-6283 (833-LVHN-CVD) Monday-Friday, 8:30 a.m.-5:30 p.m. or by using MyLVHN, our patient portal.
