National Valentine's Day

On February 13th, Galentine's Day brings women together to celebrate ea Valentine's Day began as St. Valentine's Day, a liturgical celebration of one or more early Christian saints named Valentinus. February 14th first became associated with romantic love during the High Middle Ages as the tradition of courtly love was then flourishing. During 18th century England, this day evolved into an occasion in which lovers expressed their love for each other by presenting flowers, offering confectionery, and sending Valentine cards.

Mixed opinions prevail regarding who or what was celebrated in mid-February. Some point to martyred saints by the name of Valentine or Valentinus. The most popular story tells of the saint who defied a decree by Emperor Claudius II who outlawed marriage for young men because he believed single men made better soldiers. St. Valentine, preferring young lovers to be wed than have them sneaking around (or believing in the power of love), would marry them in secret. However, it may have been another Valentine who performed the marriages. Either way, at least two of them were beheaded for their actions.

St. Valentine Beheaded

On February 14, around the year 270 A.D., Valentine, a holy priest in Rome in the days of Emperor Claudius II, is said to have been executed.

Under the rule of Claudius the Cruel, Rome was involved in many unpopular and bloody campaigns. The emperor had to maintain a strong army, but was having a difficult time getting soldiers to join his military leagues. Claudius believed that Roman men were unwilling to join the army because of their strong attachment to their wives and families.

To get rid of the problem, Claudius banned all marriages and engagements in Rome. Valentine, realizing the injustice of the decree, defied Claudius and continued to perform marriages

for young lovers in secret.

When Valentine's actions were discovered, Claudius ordered that he be put to death. Valentine was arrested and dragged before the Prefect of Rome, who condemned him to be beaten to death with clubs and to have his head cut off. The sentence was carried out on February 14..

QUESTION OF THE DAY

In which country is the Suez Canal located?

And the answer: Egypt.

Located in Egypt, the Suez Canal connects the Mediterranean Sea with the Red Sea, and serves as a dividing line between Africa and Asia. Opening in 1869, the canal helped to boost international trade by dramatically reducing shipping times between Europe and Asia.

The Suez Canal has a longstanding history of trade along the line which divides two vast regions of the world. Interestingly, its origins date back to ancient Egypt. The Egyptian Pharaoh Senusret III may have built an early canal connecting the Red Sea and the Nile River around 1850 BCE, and according to ancient sources, the Pharaoh Necho II and the Persian conqueror Darius both began and then abandoned work on a similar project.

Hotline for Human Services

Northampton County has a 24-hour Emergency hotline for all Human Services-related emergencies. Anyone struggling with a mental health crisis, abuse, neglect, suicidal thoughts, evictions, substance abuse, food insecurity, etc. can call 610-252-9060 for help and referrals.

Appointments Required for Vaccines at LVHN

Lehigh Valley, Pa. (Oct. 29, 2021) – Beginning Monday, Nov. 1, Lehigh Valley Health Network (LVHN) will offer COVID-19 vaccinations, including booster shots, through appointment only. Walk-in vaccinations are no longer available at this time.

They have made this change in response to an increased demand for vaccines and booster shots, and in anticipation of the Pfizer/BioNTech vaccine receiving emergency use authorization (EUA) for children ages 5-11. Appointment-only vaccinations support the safety and experience of those receiving vaccines under our care, allowing our clinicians to adequately plan and prepare for the number of individuals expected at each location.

You can schedule an appointment for a booster dose or first dose by calling our vaccine hotline at 833-584-6283 (833-LVHN-CVD) Monday-Friday, 8:30 a.m.-5:30 p.m. or by using MyLVHN, our patient portal.
