National Gumdrops Day

Observed on February 15th, National Gumdrops Day recognizes a favorite candy of many; the gumdrop! There’s no question as to what to do. Eat gumdrops and eat as many as you want!

Gumdrops are a tasty, colorful, chewy candy that is made with gelatin and then coated with sugar. They come in a variety of flavors and can either be fruity or spicy. These little candy treats make terrific embellishments for decorating gingerbread houses and other baked goods.

You can also make gumdrops yourself. According to many recipes, you would need vegetable oil, sugar, corn syrup, fruit juice, powdered fruit pectin, baking soda, and food coloring. Credit for the modern gumdrop goes to chemist and candy manufacturer Percy S. Truesdell. According to articles written after his death in 1948, Truesdell took the once hard, poorly flavored glob of sugar and turned it into the smooth, chewy delight we enjoy today. While at the University of Ohio, the chemist altered the consistency of the candy by experimenting with the amount of starch used.

QUESTION OF THE DAY

The popular meal known as bibimbap, made with mixed rice, vegetables, kimchi, and meat, originated in which country?

And the answer: Korea.

Translating to “mixed rice,” bibimbap is a popular Korean rice dish, often made with beef, vegetables, chili paste, and egg. Cooks often make it with items found in the refrigerator, as a way to use leftover food before it spoils.

Although bibimbap’s popularity has made its way around the world, Korea’s food culture has a rich history that dates back to around 800 BCE. Agriculture, fishing, and hunting traditions from Manchuria have fostered innovation in food production for centuries. For one, fermentation is a food storing technique originally born out of the cold and harsh Korean winter, and is thought to have originated earlier than 57 BCE.

Tenley Albright Wins First U.S. Female World Title

On February 15, 1953, Tenley Albright, a 17-year-old from Boston, becomes the first American female to win the world figure skating championship. All seven judges at the event at an outdoor rink in Davos, Switzerland give her a first-place vote. Albright, who was stricken as a young child, calls the performance her “best.”

Tenley whirled and spun around the rink, executing with disarming ease all the difficult skating maneuvers in the book and some more of her own,” the Associated Press reported.

Albright performed a double axel, double loop, double rittbereer and double solchow before a sellout crowd of 4,000. “Such combinations never have been seen performed before

by a woman,” a Swiss skating expert said.

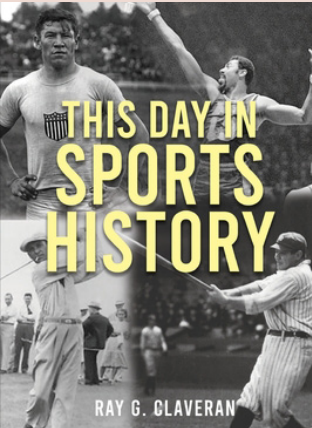

After Albright’s performance, her father, a surgeon, squashed thoughts of her becoming a professional skater. “Tenley has to go to college and is too young to become a professional star,” he said.

Northampton County has a 24-hour Emergency hotline for all Human Services-related emergencies. Anyone struggling with a mental health crisis, abuse, neglect, suicidal thoughts, evictions, substance abuse, food insecurity, etc. can call 610-252-9060 for help and referrals.

Appointments Required for Vaccines at LVHN

Lehigh Valley, Pa. (Oct. 29, 2021) – Beginning Monday, Nov. 1, Lehigh Valley Health Network (LVHN) will offer COVID-19 vaccinations, including booster shots, through appointment only. Walk-in vaccinations are no longer available at this time.

They have made this change in response to an increased demand for vaccines and booster shots, and in anticipation of the Pfizer/BioNTech vaccine receiving emergency use authorization (EUA) for children ages 5-11. Appointment-only vaccinations support the safety and experience of those receiving vaccines under our care, allowing our clinicians to adequately plan and prepare for the number of individuals expected at each location.

You can schedule an appointment for a booster dose or first dose by calling our vaccine hotline at 833-584-6283 (833-LVHN-CVD) Monday-Friday, 8:30 a.m.-5:30 p.m. or by using MyLVHN, our patient portal.

Think Spring! Trout Stocking Schedules Available

The Pennsylvania Fish and Boat Commission (PFBC) announced this week its 2022 trout stocking schedules are now available online (<https://www.fishandboat.com/Fish/Stocking/Pages/default.aspx>) and on the FishBoatPA mobile app.

The PFBC will stock approximately 3.2 million adult trout in 696 streams and 128 lakes open to public angling. This includes approximately 2.2 million Rainbow Trout, 686,000 Brown Trout and 293,000 Brook Trout. As with past practice, the average size of the trout produced for stocking is 11 inches in length with an average weight of 0.58 pounds.

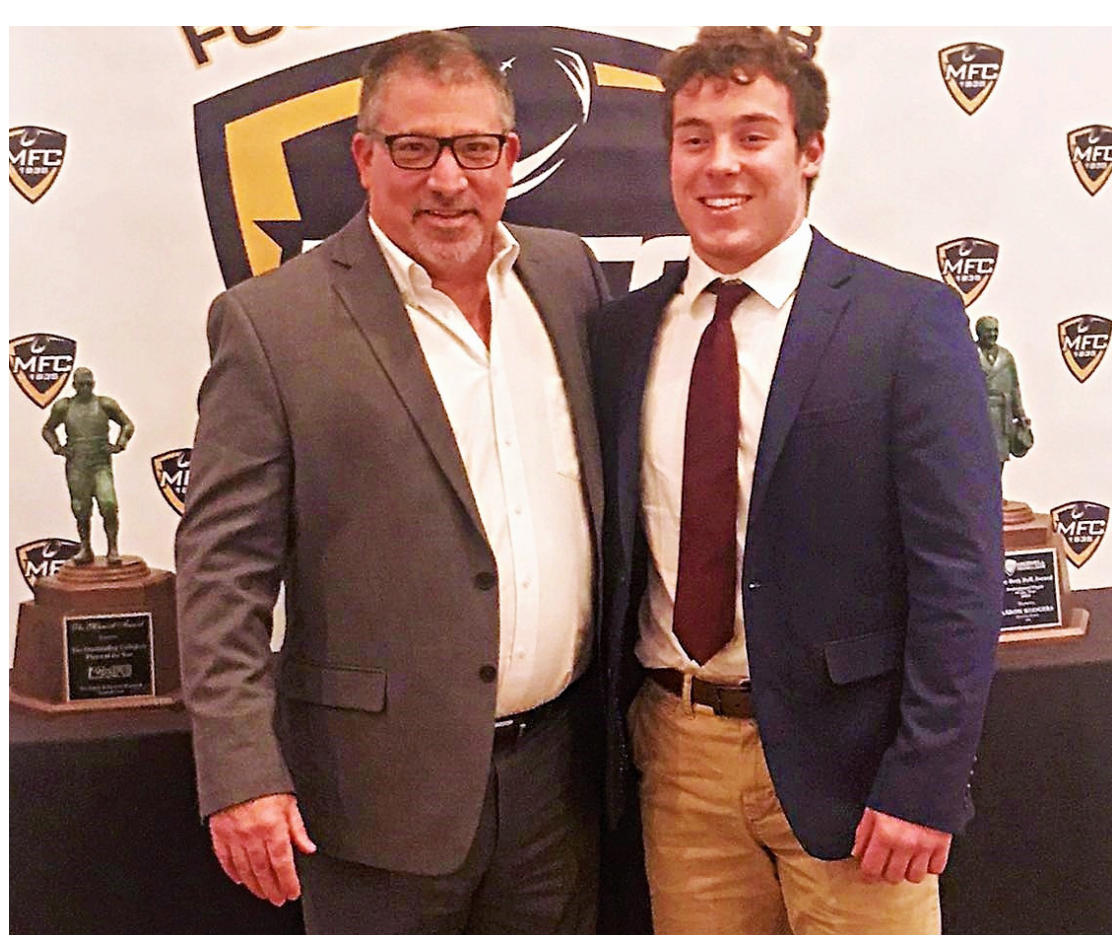

Volunteers will once again be welcome to participate in stocking activities. Stocking is set to begin the week of Feb. 21 in advance of the statewide Mentored Youth Trout Day on Saturday, March 26, and the statewide opening day of trout season on Saturday, April 2.

The 2022 adult trout stocking schedule is searchable by county, lists the waterways in alphabetical order, and indicates stocking dates and the species of trout that will be stocked.
