National Caregivers Day

National Caregivers Day on the third Friday in February honors the health care professionals across the country providing long-term and hospice care. Around the nation, dedicated health care professionals serve those who require long-term or hospice care. They provide vital services, reassuring patients and the families who care about them. Often loved ones require care we are not able to provide. We are either not physically able or do not have the skills or means to provide them. Expert caregivers are trained to provide round-the-clock services in safe environments. Their care enables the family to focus on their loved one’s healing process. In hospice care, a caregiver allows the family to spend time with their loved one without worrying about medical responsibilities. Caregivers deliver a variety of duties from personal care to medical services with compassion and professionalism. Their days may be long and demanding, but they provide support to those who need it most.

QUESTION OF THE DAY

In the Peanuts comic strip by Charles M. Schulz, which character is known for playing the piano?

And the answer: Schroeder.

In the Charlie Brown series of comic strips, Schroeder is a precocious piano player who loves classical music and the composer Ludwig van Beethoven. He’s also the catcher on Charlie Brown’s baseball team, and the object of Lucy’s unrequited love.

The beloved cast of characters in the Peanuts comics may have started small, but it kept on growing. The comic strip made its debut in 1950 with only Charlie Brown, a girl named Patty, Shermy, and, shortly after, Snoopy, but began to expand with the help of television specials such as A Charlie Brown Christmas (1965) and It’s the Great Pumpkin, Charlie Brown (1966).

The Adventures of Huckleberry Finn

”On February 18, 1885, Mark Twain publishes his famous—and famously controversial—novel The Adventures of Huckleberry Finn. Twain (the pen name of Samuel Clemens) first introduced Huck Finn as the best friend of Tom Sawyer, hero of his tremendously successful novel The Adventures of Tom Sawyer (1876). Though Twain saw Huck’s story as a kind of sequel to his earlier book, the new novel was far more serious, focusing on the institution of slavery and other aspects of life in the antebellum South. At the book’s heart is the journey of Huck and his friend Jim, a runaway enslaved person, down the Mississippi River on a raft. Jim runs away because he is about to be sold and separated from his wife and children,

and Huck goes with him to help him get to Ohio and freedom. Huck narrates the story in his distinctive voice, offering colorful descriptions of the people and places they encounter along the way. The most striking part of the book is its satirical look at racism, religion and other social attitudes of the time. While Jim is strong, brave, generous and wise, many of the white characters are portrayed as violent, stupid or simply selfish, and the naive Huck ends up questioning the hypocritical, unjust nature of society in general.

Hotline for Human Services

Northampton County has a 24-hour Emergency hotline for all Human Services-related emergencies. Anyone struggling with a mental health crisis, abuse, neglect, suicidal thoughts, evictions, substance abuse, food insecurity, etc. can call 610-252-9060 for help and referrals.

Appointments Required for Vaccines at LVHN

Lehigh Valley, Pa. (Oct. 29, 2021) – Beginning Monday, Nov. 1, Lehigh Valley Health Network (LVHN) will offer COVID-19 vaccinations, including booster shots, through appointment only. Walk-in vaccinations are no longer available at this time.

They have made this change in response to an increased demand for vaccines and booster shots, and in anticipation of the Pfizer/BioNTech vaccine receiving emergency use authorization (EUA) for children ages 5-11. Appointment-only vaccinations support the safety and experience of those receiving vaccines under our care, allowing our clinicians to adequately plan and prepare for the number of individuals expected at each location.

You can schedule an appointment for a booster dose or first dose by calling our vaccine hotline at 833-584-6283 (833-LVHN-CVD) Monday-Friday, 8:30 a.m.-5:30 p.m. or by using MyLVHN, our patient portal.

Think Spring! Trout Stocking Schedules Available

The Pennsylvania Fish and Boat Commission (PFBC) announced this week its 2022 trout stocking schedules are now available online (<https://www.fishandboat.com/Fish/Stocking/Pages/default.aspx>) and on the FishBoatPA mobile app.
The PFBC will stock approximately 3.2 million adult trout in 696 streams and 128 lakes open to public angling. This includes approximately 2.2 million Rainbow Trout, 686,000 Brown Trout and 293,000 Brook Trout. As with past practice, the average size of the trout produced for stocking is 11 inches in length with an average weight of 0.58 pounds.
Volunteers will once again be welcome to participate in stocking activities. Stocking is set to begin the week of Feb. 21 in advance of the statewide Mentored Youth Trout Day on Saturday, March 26, and the statewide opening day of trout season on Saturday, April 2.
The 2022 adult trout stocking schedule is searchable by county, lists the waterways in alphabetical order, and indicates stocking dates and the species of trout that will be stocked.
