Man Loses Half Million \$\$\$ With “iFlirt”

FALLS CHURCH, Va. (AP) — For the victim, a 78-year-old man from Annandale, it started with an effort to find some companionship. He created an account on a social network called iFlirt, then made contact with someone identifying herself as a widowed woman in her 30s who seemed interested.

As the online relationship grew, though, the scam started to emerge. The woman, who claimed to be from New York, said she was arrested while traveling to Germany to retrieve an inheritance of gold bars, and needed money to make bail. The man paid it, only to get another message that she was arrested a second time and needed even more money.

In the end, the Annandale man, who is not identified in court papers, got taken for well over \$500,000, the latest victim in a growing trend known as romance fraud.

Romance scams reached a record high in 2021, increasing by nearly 80% from 2020, according to a report from the Federal Trade Commission. In the past five years, victims have lost more than \$1.3 billion to such scams, the FTC said, more than any other category of fraud the agency tracks

National Chocolate Mint Day

Recognized by the US National Confectioners Association, National Chocolate Mint Day is observed annually across the nation on February 19th. This holiday has been set aside for all the chocolate mint lovers to eat their favorite treats all day long.

The Aztecs and Mayans are given much credit for their ways with chocolate. And while chocolate was brought back to Europeans, they were not fond of the dark, bitter bean, so they used more for medicinal purposes.

As it was mostly consumed as a hot beverage, Europeans mixed mint, cinnamon and other spices to make it more palatable. Over time, they added sugar, and the combination of chocolate and mint became fashionable.

Fast forward to the mid-1800s when inventions and improvements in processes made it possible for confectioners to begin mass-producing chocolates. Even then, small candy shops served a local public. Advertisements for mint chocolates, or chocolate mints, did not start showing up in newspapers until the turn of the century.

QUESTION OF THE DAY

Of the four hemispheres on Earth, which one has the most people?

And the answer: Northern.

The Northern Hemisphere holds the majority of the land mass on Earth, and where there is land, there are people. Approximately 87% of the world's population lives north of the Equator, while 82% live in the Eastern Hemisphere.

At 0 degrees latitude, the Equator marks the line which divides north from south, and consequentially divides the Northern and Southern Hemispheres. The Northern Hemisphere contains North America, the northern part of South America, Europe, the northern two-thirds of Africa, and most of Asia. The Southern Hemisphere contains most of South America, one-third of Africa, Australia, Antarctica, and many

Donner Party Rescued From The Sierra

On February 19, 1847, the first rescuers reach surviving members of the Donner Party, a group of California-bound emigrants stranded by snow in the Sierra Nevada Mountains. In the summer of 1846, in the midst of a Western-bound fever sweeping the United States, 89 people—including 31 members of the Donner and Reed families—set out in a wagon train from Springfield, Illinois. After arriving at Fort Bridger, Wyoming, the emigrants decided to avoid the usual route and try a new trail recently blazed by California promoter Lansford Hastings, the so-called “Hastings Cutoff.” After electing George Donner as their captain, the party departed Fort Bridger in mid-July.

The shortcut was nothing of the sort: It set the Donner Party back nearly three weeks and cost them much-needed supplies. After suffering great hardships in the Wasatch Mountains, the Great Salt Lake Desert and along the Humboldt River, they finally reached the Sierra Nevada Mountains in early October. Despite the lateness of the season, the emigrants continued to press on, and on October 28 they camped at Truckee Lake, located in the high mountains 21 kilometers northwest of Lake Tahoe.

Hotline for Human Services

Northampton County has a 24-hour Emergency hotline for all Human Services-related emergencies. Anyone struggling with a mental health crisis, abuse, neglect, suicidal thoughts, evictions, substance abuse, food insecurity, etc. can call 610-252-9060 for help and referrals.

Appointments Required for Vaccines at LVHN

Lehigh Valley, Pa. (Oct. 29, 2021) – Beginning Monday, Nov. 1, Lehigh Valley Health Network (LVHN) will offer COVID-19 vaccinations, including booster shots, through appointment only. Walk-in vaccinations are no longer available at this time.

They have made this change in response to an increased demand for vaccines and booster shots, and in anticipation of the Pfizer/BioNTech vaccine receiving emergency use authorization (EUA) for children ages 5-11. Appointment-only vaccinations support the safety and experience of those receiving vaccines under our care, allowing our clinicians to adequately plan and prepare for the number of individuals expected at each location.

You can schedule an appointment for a booster dose or first dose by calling our vaccine hotline at 833-584-6283 (833-LVHN-CVD) Monday-Friday, 8:30 a.m.-5:30 p.m. or by using MyLVHN, our patient portal.

Think Spring! Trout Stocking Schedules Available

The Pennsylvania Fish and Boat Commission (PFBC) announced this week its 2022 trout stocking schedules are now available online (<https://www.fishandboat.com/Fish/Stocking/Pages/default.aspx>) and on the FishBoatPA mobile app. The PFBC will stock approximately 3.2 million adult trout in 696 streams and 128 lakes open to public angling. This includes approximately 2.2 million Rainbow Trout, 686,000 Brown Trout and 293,000 Brook Trout. As with past practice, the average size of the trout produced for stocking is 11 inches in length with an average weight of 0.58 pounds.

Volunteers will once again be welcome to participate in stocking activities. Stocking is set to begin the week of Feb. 21 in advance of the statewide Mentored Youth Trout Day on Saturday, March 26, and the statewide opening day of trout season on Saturday, April 2.

The 2022 adult trout stocking schedule is searchable by county, lists the waterways in alphabetical order, and indicates stocking dates and the species of trout that will be stocked.
