## No Call - No Win - No title

by Larry Cory

Bangor only had five healthy players to start the Slaters' quest for an unprecedented fifth straight Colonial League Championship. In the end the iron-five Slaters stayed with a deeper and taller Southern Lehigh team until the final seconds when a no-call on an apparent foul ended the Slaters' hopes.

After trailing 33-26 with 2:40 left in the game, Bangor gradually chipped away at the lead. A driving lay-up and pair of free throws by C.J Miles helped the Slaters cause as Bangor closed the gap to 34-32. The Slaters fouled and a missed Spartan free throw resulted in a held ball under the Southern Lehigh basket. With the arrow pointing in Bangor's favor, the Slaters in-bounded the ball with 16 seconds left. Colonial League MVP Ben Holland drove to the left of the lane shooting a short runner and was apparently fouled when he was knocked to the floor. With no whistle to be heard from any one of the three officials, the Spartans grabbed the rebound sending Bangor to a heartbreaking defeat.

It was clear from the outset that Southern Lehigh wanted to exploit Bangor's lack of depth by applying defensive pressure in the back court and substituting fresh players especially in the first half. The

big thorn in Bangor's side was the play of the Spartans' Daryl Coleman who scored 15 of Southern Lehigh's 20 points in the second half and had a game high of 18.

After Bangor pulled ahead early in the second half, led by a lay-up and a three pointer by Chase Taylor, Coleman, who didn't start either half, hit consecutive threes which gave the Spartans a 26-25 lead going into the fourth quarter. Coleman later scored on some driving lay-ups as the Spartan lead grew to seven points before Bangor's ill-fated comeback.

The Slaters overall record dropped to 17-8, but they still have, at least, one more game to play when they begin Class 5A district play next week. Currently, Pottsville is ranked number one followed by Blue Mountain, Southern Lehigh, and Bangor.

**According to the brackets just released Bangor will play Pottsville and Southern Lehigh will play Blue Mountain February 25 in the semi finals at a time and place to be determined.**

**The second-seeded Bangor girls will also play Pottsville February 27 at time and place to be determined.**

**The Pen Argyl girls will play Notre Dame Green Pond February 26 at time and place to be determined.**

## Reduzzi New Slater Head Coach

According to published reports on Twitter, former Pen Argyl High School head football coach Paul Reduzzi has been named head football coach at Bangor High School.

According to a statement from Slater Athletics on twitter, "SlaterNation welcomes Coach Paul Reduzzi as our new head football coach. We are extremely excited to have such a successful, veteran coach take over our program."

Reduzzi, a 1985 Pen Argyl grad where he played flanker and defensive back and was a member of the Green Knights' 1984 PIAA District XI Championship team, coached the Green Knights from 2007-17 and went 66-59 and guided the

Knights to back-to-back District 11 2A titles in 2011 and 2012.

Earlier in his career he was a coach in New Jersey for 17 seasons at Belvidere, Watchung and Hopatcong. In 2005, he led Hopatcong to the Sussex County League championship and North 1 Group 2 State Sectional title. He also compiled a 35-23 record at Belvidere.

In Reduzzi's six seasons with Hoptacong, he compiled a 40-25 record. His first state title with the Chiefs came in 2001. In 2005, he led them to another championship and they shared the SCIL title for the first time in school history

Reduzzi was an assistant defensive coach at Liberty last year after resigning from his job in Pen Argyl at the end of the 2017 season.

Paul Reduzzi is the second head coach from arch-rival Pen Argyl to be hired at Bangor this year. Nick Pope, former co-head coach of the Pen Argyl boys soccer team, was recently hired as the Slater boys head coach. Bangor has now appointed three new head coaches this year, including Brandt Godshalk as the Slaters' new head baseball coach.

## Roseto's Engle bids for County Council Seat

Dan Engle has announced his candidacy for the open seat for Northampton County Council - District 4 which consists of the Slate Belt area, Bushkill Township, Upper Nazareth, Bath, Chapman, Moore Township, Lehigh Township and Walnutport.

Engle is a fourth-generation Union member of Boilermakers Local 28 since 2002, who has

been involved in many community organizations over the past eight years including coaching for children's sports activities, and has been a Roseto Borough Council Member for the past two years. Engle says the motto he lives by is to "work, serve and lead productively and responsibly".

Engle says there is a lot of untapped potential in Northampton

County, specifically within District 4, for growth and revitalization.

"As I learned during my apprenticeship, when there's work that needs to be done, it's time to jump in and help to get it done, Engle said" Engle has made a promise to the residents of Northampton County that he will continue to serve with transparency, integrity and respect. As he has done on Roseto Borough Council, he says he will continue to listen to the issues that are most important to his constituents. He says that he is willing to work hard to bring about fair and effective policy in Northampton County.

The issues he wants to address are the needs and rights of individuals, like economic vitalization, environmental issues and by supporting those working paycheck to paycheck. Engle also wants to ensure that contracting is done responsibly, protecting the taxpayers while ensuring workers are protected.

Engle had been considering a run in recent months, but the final decision came in recent weeks when a number of friends and community leaders encouraged him to run.

"District 4 needs a strong voice in Northampton County," he said. "We need problem solvers and common sense advocates for the people in District 4."

For more information, email Engle at [engle4noco4th@gmail.com](mailto:engle4noco4th@gmail.com) or visit Facebook at [fb.me/engle4noco4th](https://fb.me/engle4noco4th)

## New Pennsylvania Farm Bill

State officials revealed what they called a "historic proposal" to pump \$24 million into programs to protect and expand agriculture.

The plan would embrace the growing of hemp, including its use as an approved animal feed. Preserved farm restrictions would be relaxed to allow properties to be subdivided.

To protect the future health of farming in the state, tax credits for farmers would be expanded and wider farm equipment would be able to be driven on public roads.

For dairy farmers, a new \$5 million program would be established to help struggling farmers transition to organic produce and develop and market niche dairy products.

Another \$2.5 million will go for grants to farmers to help them afford conservation practices being pushed by the state and federal government as part of the Chesapeake Bay restoration. And \$500,000 will be used for loans to farmers for the measures.

The Pennsylvania Farm Bill allocates \$24 million in additional funding to chart a real path for a dynamic and prosperous farming economy in Pennsylvania. It's about providing more opportunities to our farmers by creating more jobs, more income, and more hope.

- Spending of \$2.6 million to make Pennsylvania the leading organic state.
- Exemption of the realty transfer tax when preserved farmland is transferred to a beginning farmer.
- Creation of a Pennsylvania Dairy Investment Program for \$5 million to help dairy farmers transition to organics and marketing grants to sell their products.
- Creation of a Center for Animal Agriculture Excellence for \$1 million by expanding meat processing facilities, help with food safety compliance and converting hemp to animal feed.
- Using \$500,000 to create new and expand markets for small or new meat producers.
- The width of farm equipment allowed to be driven on roads will be expanded from 16 feet to 18 feet.
- Creation of a Pennsylvania Rapid Response Disaster Readiness Account for \$5 million to allow a quick response to agricultural disasters such as the spotted lanternfly outbreak and Avian Influenza.
- Spending \$500,000 to encourage high-priority crops such as hemp, hops and hardwoods.
