Slaters Colonial League Champions

Bangor won Colonial League gold Friday night at Moravian Academy where the Slaters earned a heart-pounding 83-75 win over Notre Dame Green Pond. Sbtt Photo: Larry Cory PHOTO GALLERY (100 Photos)

by Larry Cory

Hollywood couldn't have created a better scenario for Bangor's 83-75 win over Notre Dame Green Pond Friday night. No super script writer could have written a better chapter with all of the elements for an incredible moment.

Championship games by their nature ooze excitement, and this game had all of that and more. Coming into the game Bangor needed to face an opponent that had beaten them just a short time ago on the Slaters' floor. Moreover, they needed a win playing their third playoff game in just four days.

Putting this in better perspective, one needs to understand that neither team takes a ho-hum, laid-back approach to the game. They go at each other at both ends of the court for a full 32 minutes with mind-boggling intensity.

Let's also factor into the equation that this was a game played in a somewhat eerie ambience without fans because of the COVID 19 pandemic. Imagine watching the NBA finals on TV in deafening silence

Weather also reared it ugly side, limiting practice time over the past few weeks forcing school closings. When schools are closed teams can not practice.

Lack of practice, however, was not evident last night when the Crusaders jumped out to a quick 13-6 lead in the first quarter, making four three-pointers, but Bangor fought back quickly forcing a 15-15 tie and trailing only 18-17 entering the second quarter.

Bangor and Notre Dame stayed close throughout the second, as Bangor still trailed 40-38 at half. Gabe Zeiba (13) CJ Miles (10) and Josh Giaquinto (9) led the Slaters through the first 16 minutes while Brendan Boyle (12) the area's leading scorer, and Logan Rickert (11) were high for the Crusaders.

With Bangor turning up the heat defensively in the second half, Boyle was held to mere 2 points and finished the game with 14. The Slaters, meanwhile, took a 43-42 at the 6:33 mark of the third and only relinquished that lead for a few moments as Bangor maintained control for the win. Miles and Zieba led Bangor with 25 points each. Giaquinto scored 19, and Dan Heald added 10. Justin Petersen and Jimmy Merklinger each scored two and played solid defense.

Zieba was 6-6 from the free throw line and Miles 7-9 down the stretch. Miles' free throw with 7.7 seconds to play elevated him to the 1,000-point career level.

CORONAVIRUS

St. Luke's Commits to Teacher Vaccinations

St. Luke's University Health Network is expediting COVID-19 vaccine access to area education employees.

"We recognize that getting our schools back to 'normal' is a goal for every parent, teacher and child," states Trevor Micklos, St. Luke's Network Vice President

Recently, St. Luke's made the commitment to dedicate weekly vaccine appointments to 78 schools in the region based on state guided phase requirements. To qualify for expedited access, education employees must meet Pennsylvania's Phase 1a eligibility criteria (age 16-64 with high-risk conditions, or anyone 65 and older) and have indicated their employer on their St. Luke's MyChart account.

St. Luke's has committed to providing area school districts with a portion of available appointments while continuing to provide equitable distribution to the remainder of those eligible in Phase 1A

"We want everyone to be vaccinated as quickly as possible," says John Hauth, St. Luke's Senior Network Administrator. On a weekly basis, St. Luke's will reach eligible educators with notice of available vaccine appointments. The plan is to increase support for the local education system which is an essential part of the community. St. Luke's hopes to help all schools eventually bring their students back to an in-person learning platform. .

MyChart Questions:

Eligible educators are encouraged to log in or create a St. Luke's MyChart account. Questions related to MyChart can be answered by calling 1-866-STLUKES (785-8537), option 5. Please note that due to an overwhelming activity of phones calls you may be placed on a call-back list.

State Food Assistance

Pennsylvania State officials have encouraged all Pennsylvania residents to take full advantage of all food assistance programs, if needed, over the holiday season.

"Pennsylvania's food assistance programs were built for times like these and no one should be too shy to take advantage of what they have to offer," said Russell Redding, secretary of the Pennsylvania Department of Agriculture.

But those assets haven't stopped the covid-19 pandemic from destabilizing personal finances and causing heightened food insecurity for millions of residents. Compared to 2018, when roughly 11% of adults in Pennsylvania were food insecure, Redding said 15.5% experience the issue this year.

The difference is even starker when it comes to children in the state. In 2018, 15% children experienced food insecurity. That number has climbed to 24% in 2020.

Local food pantries saw greater demand especially early in the pandemic and through the summer, with miles-long lines at each weekly distribution and millions of pounds of food provided.

"Food insecurity was a problem for millions of Americans before March 2020," said Teresa Miller, secretary of the Department of Human Services.

The scholarships will be presented to the students based upon the following criteria; academic accomplishment, demonstrated service to school and/or community, demonstration of leadership capabilities and future vocational plans.

Please note: A separate award, The Frederick R. Curcio, Jr. Scholarship Award, may also be applied for at this time. To qualify a senior must have been enrolled in a computer science related course or planning to attend a Technical School of their choice or majoring in computer science.

Applications must be received by April 15, 2021

Home Heating Assistance

LIHEAP is a federally funded program that helps individuals and families pay their heating bills through home heating energy assistance grants. It also provides crisis grants to help in the event of an emergency or if a resident is in danger of losing his or her heat due to broken equipment, lack of fuel or termination of utility service.

The income eligibility guidelines for LIHEAP are set at 150% of the federal poverty income level. For example, the income limit for an individual is \$18,735; for a couple, the limit is \$25,365; and for a family of four, it is \$38,625. Residents may apply for LIHEAP online or by contacting the County Assistance Office in their county of residence.

Unwanted Med Disposal

Residents are urged to remove expired, unwanted, or unused medicines from the home to reduce the chance of accidents or misuse and to prevent the drugs from entering the environment.

316 Marketplace in Wind Something For Everyone

The new Marketplace 316 in Wind Gap is impressive. It offers a place for Local Antiques and Collectables, Artisans, Resellers & Foods, only found in Wind Gap.

J's Royal Family, Unique Finds, Flay'd Meats, Candy Pickers, and Uncle Chuck's & Son's Furniture are just few of many vendors.

Despite the COVID 19 pandemic, Marketplace 316 opened July 4th to the delight of avid flea marketers.

The North Broadway location is a huge improvement over the former Wind Gap Flea Market. The new Flea Market appears to be twice the size it was a few years ago, allowing far more vendors to set up shop.

Although I'm not a weekend, flea market junkie, I occasionally enjoy going to Saylorsburg, Jake's on Route 100, Adamstown, PA and a place in Front Royal, Va. I'm happy to say that I am definitely adding Marketplace 316 to my list of favorites.

Hotline for Human Services

Northampton County has a 24-hour Emergency hotline for all Human Services-related emergencies. Anyone struggling with a mental health crisis, abuse, neglect, suicidal thoughts, evictions, substance abuse, food insecurity, etc. can call 610-252-9060 for help and referrals.

County Assistance

In light of Pennsylvania's eviction moratorium expiring on August 31st, Lamont McClure reminds residents that Northampton County has approximately \$3.6 million available for rental assistance, rapid rehousing and utility payments. The Department of Human Services and the Department of Community and Economic Development worked together to develop the Community Mediation and Eviction Diversion Program (CMED). CMED offers experienced mediators, emergency financial assistance and rapid rehousing to prevent homelessness.
