Bangor Alumni Association Seeks New Members

The Bangor Area Alumni Association is an organization that has been in operation since 1997, and many active members have been officers or committee chairpersons for a majority of that time.

The group needs some new blood. Many of have had to take breaks because of health or family problems and without some additional help this organization may have to fold. If you are a Bangor grad, a present or former Bangor teacher, or anyone who has an interest in the school, they would appreciate you joining them.

The purpose of this organization is to further the educational ideals of the community, preserve the heritage of the school experience, and to proclaim the achievements of students, faculty, and alumni.

Each year they give scholarships to three or four graduating seniors. They also give awards to outstanding 6th graders, and STAR awards outstanding students in any grade who are chosen by their teachers. Additionally, we give a science award to an outstanding 11th grade student in honor of one of our most generous donors.

They meet in the administration building next to the high school at 7 PM on the second Wednesday of every month, except January and February. Their next meeting date is March 9, 2022. Please join us to ensure the continuation of this Bangor Area Alumni Association.

Some Slippery Roads Possible Today

freezing drizzle

The fine layer of ice that forms during freezing drizzle may be hard to notice on the road, but it is one of winter's most dangerous types of weather.

safety tips

- Slow down
- Don't use cruise control
- Leave plenty of distance between you and other vehicles

"Sneaky" Winter Hazards

The winter season brings many weather events that can "sneak" up on you. These are weather hazards that cause big impacts and make travel difficult without making big news.

weather.gov

Areas of freezing drizzle and/or ice pellets are expected this morning across portions of the region. Use extra caution while driving as you may encounter some icy spots on untreated roads.

Weona Park Pool Pals

The Weona Park Pool Pals will meet on Monday, February 7th at 7:00 in the town hall social room (11 N. Robinson Avenue). The purpose of the meeting is to discuss fundraising activities for the Weona Park pool. Please wear a mask and practice social distancing.

National Send a Card to a Friend Day

National Send A Card To A Friend Day on February 7th reminds us to send friendly cheer through the mail. We do that by sending a note or message on a card to the friends we hold dear. Throughout the year, we often think about our friends. We wonder how they are, miss them, and remember fond memories of times shared.

Sending a card to someone for a variety of reasons dates back to ancient times. The Chinese would send elegantly designed messages as well as the Egyptians, though on different types of paper. During the Renaissance, greeting cards gained popularity for specific holidays and events. Victorian times increased the use of the greeting card for Valentine's Day, Christmas, birthdays, and more. While our more digital era may turn away from the flowery language of greeting cards, a surprising 80 percent of adults still purchase them. While they may only make these purchases for special occasions and are more likely to include them with a gift when they're attending an event, they are purchasing.

QUESTION OF THE DAY

The America's Cup is a trophy awarded in which sport?

And the answer: sailing.

The America's Cup races are held between two sailing yachts, one sailed by the existing trophy holder and another sailed by a challenger. The first match was held in 1851, making The America's Cup the oldest trophy in international sport, predating the modern Olympics.

Though perhaps not the most famous competitive sporting award, The America's Cup is a historic sailing competition dating back to the 19th century. In 1851, a group of businessmen from New York sailed a schooner across the Atlantic Ocean to the World's Fair in England. There, the schooner won a race around the Isle of Wight against a fleet of British yachts to claim the £100 Cup.

The Beatles Arrive In New York

On February 7, 1964, Pan Am Yankee Clipper flight 101 from London Heathrow lands at New York's Kennedy Airport—and "Beatlemania" arrives. It was the first visit to the United States by the Beatles, a British rock-and-roll quartet that had just scored its first No. 1 U.S. hit six days before with "I Want to Hold Your Hand." At Kennedy, the "Fab Four"—dressed in mod suits and sporting their trademark pudding bowl haircuts—were greeted by 3,000 screaming fans who caused a near riot when the boys stepped off their plane and onto American soil.

Two days later, Paul McCartney, age 21, Ringo Starr, 23, John Lennon, 23, and George Harrison, 20, made their first appearance on the Ed Sullivan Show, a popular television variety show. Although it was difficult to hear the performance over the screams of teenage girls in the studio audience, an estimated 73 million U.S. television viewers, or about 40 percent of the U.S. population, tuned in to watch. Sullivan immediately booked the Beatles for two more appearances that month. The group made their first public concert appearance in the United States on February 11 at the Coliseum in Washington, D.C.

The Henrys of Boulton

(and Elsewhere)

Saturday, February 12 at 10:30am to 11:30am

The Henrys at Boulton loved to research their family history. They relied on a vast trove of family papers and tended to fill in the blanks with interesting stories, which later historians have repeated as fact. Twenty-first century research has uncovered, however, lots of new material that just wasn't available to these nineteenth-century historians. This new material reveals that the Henry family history is even more interesting than the Henrys themselves may have realized! Join Dr. Scott Paul Gordon for this presentation of his research into the Henry family. Registration is required.

Museum and a Movie: The Cry of Jazz

Museum and a Movie: The Cry of Jazz will be presented February 13, 2022, 12:00 pm, in John R. Austen Auditorium at Sigal Museum, 342 Northampton St, Easton.

The Northampton County Historical and Genealogical Society Museum and a Movie series showcases independent, international, and historical short films relevant to our museum exhibits and the communities we serve.

February 2022's feature is The Cry of Jazz, a 1959 documentary from director Edward O. Bland that connects Jazz to African American history. Set in Chicago at a jazz appreciation club, the film is split into two alternating styles; conversations between club members, both black and white, are interspersed among documentary-style scenes of African American life in Chicago. Rather than

being strictly a documentary about jazz as a musical genre, the film uses jazz as a metaphor for understanding the African American experience of living in Chicago in the 1950s.

In 2010, The Cry of Jazz was selected by the Library of Congress for preservation in the United States National Film Registry, citing it as a "culturally, historically, or aesthetically significant" film.

The Cry of Jazz is 34 minutes in length and will be shown at 12:00, 1:00, and 2:00 PM in the John R. Austen Auditorium of the Sigal Museum. Sigal Museum is open with masks and social distancing required for all guests. Visit us: Thursdays – Saturdays 10 am – 4 pm and Sundays from 12 noon – 4 pm.

Advanced Watershed Education Teacher Workshop

Saturday, February 19 at 9:00am to 12:00pm

Watershed Education (WE) is an inquiry-based, interdisciplinary curriculum that is geared for students in grades 6-12. Developed by the DCNR Bureau of State Parks, WE helps educators utilize local natural resources as a valuable teaching tool. This workshop will specifically focus on the chemical water quality sampling component of the curriculum. Teachers who are already familiar with educating about watersheds and water quality issues will benefit from this advanced workshop that will provide resources on how to teach

chemical concepts, how to maintain water quality testing equipment, and how to manage a chemistry lab outdoors.

Educators attending this workshop will receive the chemistry portion of the Bureau of State Parks award-winning Watershed Education curriculum and their own water quality test kit. Cost is \$10 payable at the workshop with cash or check made payable to the "Commonwealth of Pennsylvania". Participants will receive 3 hours of Act 48 credit. Registration is required.

Northampton County has a 24-hour Emergency hotline for all Human Services-related emergencies. Anyone struggling with a mental health crisis, abuse, neglect, suicidal thoughts, evictions, substance abuse, food insecurity, etc. can call 610-252-9060 for help and referrals.

Appointments Required for Vaccines at LVHN

Lehigh Valley, Pa. (Oct. 29, 2021) – Beginning Monday, Nov. 1, Lehigh Valley Health Network (LVHN) will offer COVID-19 vaccinations, including booster shots, through appointment only. Walk-in vaccinations are no longer available at this time.

They have made this change in response to an increased demand for vaccines and booster shots, and in anticipation of the Pfizer/BioNTech vaccine receiving emergency use authorization (EUA) for children ages 5-11. Appointment-only vaccinations support the safety and experience of those receiving vaccines under our care, allowing our clinicians to adequately plan and prepare for the number of individuals expected at each location.

You can schedule an appointment for a booster dose or first dose by calling our vaccine hotline at 833-584-6283 (833-LVHN-CVD) Monday-Friday, 8:30 a.m.-5:30 p.m. or by using MyLVHN, our patient portal.
