Pen Argyl's Sokal Athletes Bringing Home the Gold

by Larry Cory

Recently, the Sokal Fitness and training center in Pen Argyl took a group to DeSales and Villanova University and came home with 10 gold medals, 10 silver medals and eight bronze medals.

"I was very proud of the kids that went," said Sokol director Erl Person. "We had 13 kids trained (and) for ten weeks in the fall for Special Olympics power-lifting, we had 11."

According to their website: "Sokol 5-Tool Fitness is a not-for-profit organization that operates a sport fitness and baseball/softball training facility. It is administered and maintained by the Sokol USA Lodge 410 Board of Directors and members. The goal is to provide quality strength/conditioning/agility training and baseball/softball skill development for our members and local baseball and softball organizations. The facility is also available for rent."

Person is currently training his group for their next competition,

"We're probably taking eight or ten kids to Parkland February 25th for high school, teenage high school and team championships," he said. "Probably two or three of those are going to be Special Olympics kids."

Sokal is not a fancy gym with all the glitz and glimmer of LA Fitness.

Sokal, however, on Robinson Avenue in Pen Argyl is about as basic as a gym can be, yet they get the job done.

"It's the way we train here is very simple," said Person. "We focus on a small number of functional movements. Squat, bench press. dead lift and press."

This a process that doesn't produce results overnight.

"We work on form technique first and foremost, then as they perfect that, we start adding weight." Person says.

"They don't need fancy. They just need to come in and they know that everyone here is on their side," Person stressed.

"We don't want them competing against one another. We want them competing against themselves" he added. "You know every kid has to do better than they did the last time they were here. That's all we're looking for. It's old school. It's very old school."

Person is no stranger to athletic training he got off to a good start

playing football at Pen Argyl High

School for Coach Roy Cortez.

Since then he has become a Certified personal trainer through the CSM and a certified power-lifting coach through Special Olympics. When he is not at the gym he works for the FAA as an Electronics technician.

NELSON'S RECORD SETTING 32 POINTS LEADS BANGOR TO 54-34 WIN

Record Setting Tuesday

Tuesday night was a night for records in the Slate Belt as Bangor's Avery Nelson set a girls single-game scoring record of 32 points vs Palisades. The sophomore also scored five three-pointers and was a perfect 7-7 from the free throw line.

According to information on the school's athletic website, Nelson broke the record of 31 points held by Helena Kline (1970,) Lori Dutt (1971), and Suzy DeFranco (1982)

In Pen Argyl, senior Jill Morro reached the 1,000-point plateau versus Moravian Academy. Going into the game she needed 25 points to reach the mark.

Unofficially, the last Green Knights to reach that level were Kirby Lutz in 2003. Collette Singer (1996) and Theresa Squarcia (1993)
