## Winter Storm Expected Sunday Night

Snow, ice and/or sleet accumulations may result in significant travel disruptions on Sunday from a winter storm expected to move from south to north into the Slate Belt Sunday afternoon and evening.

The Slate Belt should expect 2-4 inches of accumulating snow some time Sunday night or early Monday morning. The snow should only last a few hours before changing to, or mixing with freezing rain and sleet before turning to all rain.

The area could receive upwards of one inch of rain on top of the snow which will make travel very difficult at times and back-breaking shovelling. The temperature is expected to rise into the upper 30s and possibly hit 40 Monday afternoon.

Tuesday will be sunny with a high near 30. Wednesday will be cloudy with a high near 40.

# National Bagel Day

Toast up your favorite flavor on National Bagel Day. On January 15th, don't forget to pick your favorite schmear, too. Make it for breakfast, lunch, snack, or all of the above!

This kosher carbohydrate brings complex flavors to the deli and sandwich bar. In the United States, we love our crunch-on-the-outside-chewy-on-the-inside bread. So they're a staple in our freezers and as a winter pick-me-up.

Polish-Jewish immigrants introduced the bagel to the United States. Throughout New York City and the surrounding boroughs, they grew thriving businesses. Of course, it didn't take long for the bakers to organize. In 1907, they created the International Beigel Bakers' Union. For decades, Bagel Bakers Local 338 held contracts with nearly all bagel bakeries for its workers in and around the city.

Until the 1960s, bakeries made bagels by hand. Then Daniel Thompson invented the bagel maker, and along came a heated debate of man versus the machine. Thereafter, the question of the better bagel dangled before customers. Was it the handcrafted beigel or the manufactured bagel?

## QUESTION OF THE DAY

The capital of Iraq is located on which river?

And the answer: **Tigris.**

As the capital of Iraq, Baghdad is located on the Tigris River, in the heart of what was once ancient Mesopotamia. The Tigris River is one of the most important waterways in what's known as the Fertile Crescent, as it flows from the mountains of southeastern Turkey, through Syria and Iraq, and empties into the Persian Gulf. The country we know as Iraq was only founded in 1958, yet the city at its heart was established over 1,200 years ago. At the time of its foundation, Baghdad was considered to be the greatest city in the Medieval Period. It is said that the Abbasid caliph Al-Mansur himself travelled up the **length of the Tigris to find the perfect place for his capital city in 762 CE, and ultimately landed in the region which would soon become Baghdad**

## Martin Luther King Jr Born

On January 15, 1929, Martin Luther King Jr. is born in Atlanta, Georgia, the son of a Baptist minister. King received a doctorate degree in theology and in 1955 helped organize the first major protest of the African American civil rights movement: the successful Montgomery Bus Boycott. Influenced by Mohandas Gandhi, he advocated civil disobedience and nonviolent resistance to segregation in the South.

The peaceful protests he led throughout the American South were often met with violence, but King and his followers persisted, and the movement gained momentum.

A powerful orator, King appealed to Christian and American ideals and won growing support from the federal government and Northern whites. In 1963, Bayard Rustin and A. Philip Randolph led the massive March on Washington for Jobs and Freedom; the event's grand finale was King's famous "I Have a Dream" speech. Two hundred and fifty thousand people gathered outside the Lincoln Memorial to hear the stirring speech.

## Appointments Required for Vaccines at LVHN

Lehigh Valley, Pa. (Oct. 29, 2021) – Beginning Monday, Nov. 1, Lehigh Valley Health Network (LVHN) will offer COVID-19 vaccinations, including booster shots, through appointment only. Walk-in vaccinations are no longer available at this time.

They have made this change in response to an increased demand for vaccines and booster shots, and in anticipation of the Pfizer/BioNTech vaccine receiving emergency use authorization (EUA) for children ages 5-11. Appointment-only vaccinations support the safety and experience of those receiving vaccines under our care, allowing our clinicians to adequately plan and prepare for the number of individuals expected at each location.

You can schedule an appointment for a booster dose or first dose by calling our vaccine hotline at 833-584-6283 (833-LVHN-CVD) Monday-Friday, 8:30 a.m.-5:30 p.m. or by using MyLVHN, our patient portal.
