These were among the hardy souls who braved wind chills as low as four degrees to attend the Blue Mountain Antique Gas and Steam Engine “Snow Show” at Jacktown Community Saturday. With constant warm sunlight, however, conditions weren’t as difficult as one would have thought as visitors strolled from one vendor to another and later enjoyed warm food at the community center food stand. The Snow Show was the first of the 2022 season. Three more events follow: The 36th Annual Swap Meet and Flea Market May 21 & 22; the 51st Annual Antique Gas Engine & Tractor Show July 15, 16 & 17; and the Fall Harvest and Sawmill Show October 15 & 16. *Photo Larry Cory.* [PHOTO GALLERY](#)

National Religious Freedom Day

Each year, National Religious Freedom Day commemorates the day the Virginia Statute for Religious Freedom was signed on January 16, 1786. Each year, by Presidential Proclamation, January 16th is declared Religious Freedom Day.

Thomas Jefferson’s landmark statute became the basis for Congressman Fisher Ames’ establishment clause of the First Amendment of the U.S. Constitution.

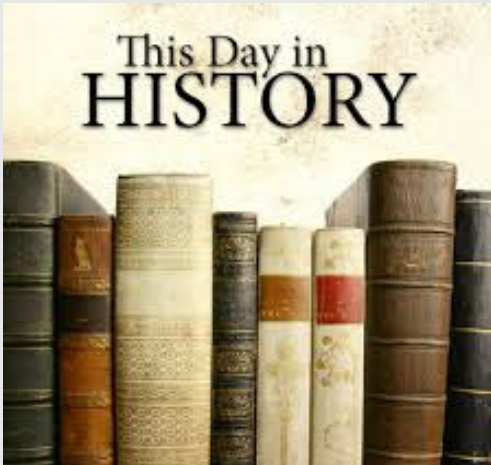

“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof...”

The statute guarantees the fundamental freedom to openly practice one’s faith without fear of being harassed, jailed, or killed. Additionally, under the statute, each person may freely change their religion without retribution.

In the United States, people of different faiths have equal rights to practice their religion.

Prohibition Is Ratified By The States

The 18th Amendment to the U.S. Constitution, prohibiting the “manufacture, sale, or transportation of intoxicating liquors for beverage purposes,” is ratified by the requisite number of states on January 16, 1919.

The movement for the prohibition of alcohol began in the early 19th century, when Americans concerned about the adverse effects of drinking began forming temperance societies. By the late 19th century, these groups had become a powerful political force, campaigning on the state level and calling for total national abstinence. In December 1917, the 18th Amendment, also known as the Prohibition Amendment, was passed by Congress and sent to the states for ratification.

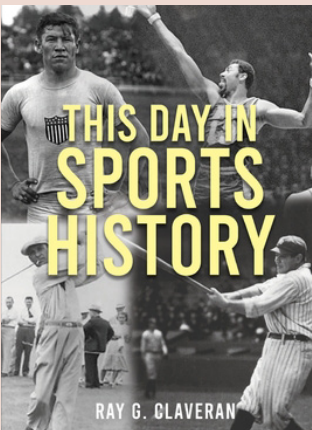

Nine months after Prohibition’s ratification, Congress passed the Volstead Act, or National Prohibition Act, over President Woodrow Wilson’s veto. The Volstead Act provided for the enforcement of prohibition, including the creation of a special unit of the Treasury Department. One year and a day after its ratification, prohibition went into effect—on January 17, 1920—and the nation became officially dry.

QUESTION OF THE DAY

In Greek mythology, who was given the punishment of holding all of the heavens on his shoulders for eternity?

And the answer: Atlas.

As one of the twelve Titans, Atlas sided with the Titans in their war against the Olympians. When the Titans were defeated, Zeus condemned Atlas to stand at the western edge of the Earth, and hold up the sky on his shoulders.

The image of a man cursed to hold the Earth on his shoulders is one which may be familiar to many of us, yet not many are as familiar with the true legend of Atlas. Not really a man at all, Atlas the Titan was actually cursed to hold Uranus — the personification of the sky and the heavens. Atlas was of the second generation of Titans, and brother to another famed legend: Prometheus (perhaps good luck doesn’t really run in the family).
