Bangor Womens Club GFWC Announces 2022 HOBY Recipient Megan Engle

June Jones, First Vice President and Education Chair of Bangor Womens Club GFWC, is pleased to announce that Megan Engle a sophomore at Bangor Area High School has been selected to represent Bangor at the 2022 HOBY Leadership training this spring.

Megan has attended Bangor schools since Kindergarten. She lives in Roseto with her parents, Dan and Lindsay, and older brother Benjamin. Megan is a member of the Varsity Field Hockey Team at Bangor and has been involved with this sport for 8 years.

During the winter and spring months, she plays Indoor Field Hockey, and in summer and fall, she practices and plays with her high school team. Megan enjoys spending time and going on trips to the beach with family and friends.

As a strong supporter of the sport, Megan has enjoyed volunteering with the youth field hockey camp sponsored by the high school team. She likes helping the younger players learn the sport and watching them grow as they gain new skills. Megan has also volunteered at the Roseto Day Camp for local youth, and attending this camp as a child was one of her favorite summer experiences.

Megan's future plans are to attend a 4-year college and hopes to combine playing field hockey with her academics. She is unsure of her future interests, but is interested in going into the educational or sports fields.

National Blonde Brownie Day

National Blonde Brownie Day on January 22nd recognizes a treat often referred to as blondies.

Almost everyone knows that a blonde brownie is similar to a chocolate brownie. In place of cocoa, bakers use brown sugar when making this delicious brownie, giving it a sweet-tooth-satisfying molasses flavor!

Most people like to add white chocolate or chocolate chips to their blonde brownies or other things like nuts, toffee, or butterscotch. Blonde brownies are usually prepared unfrosted as the brown sugar flavor tends to be sweet enough. These blondies are sometimes served in sundaes, often topped with caramel sauce.

While enjoying a blonde brownie would count toward celebrating the day, that may be much too simple. Blonde brownies also make a delicious addition to a layered trifle dessert. Add a scoop of ice cream to a freshly baked blonde brownie and top with your favorite syrup. If you prefer the lighter side, serve a blonde brownie with a serving of fresh fruit.

QUESTION OF THE DAY

In the game of chess, which piece is the only one that can regularly jump over other pieces?

And the answer: knight.

Traditionally shaped like a horse, the knight moves in an L-shaped pattern over the chess board. It first moves two squares in one direction, and then one square in a perpendicular direction.

In chess, there's somewhat of a class hierarchy. The king is most widely accepted to be the most important chess piece, as the game hinges upon his capture, while the queen is the most powerful because of her striking range. After that, the bishop, knight, and rook each hold 3, 3, and 5 points respectively. Typically, the pawn is considered the lowest value piece, with just 1 point to its name.

Ted Kaczynski Pleads Guilty To Bombings

In a Sacramento, California, courtroom on January 22, 1998, Theodore J. Kaczynski pleads guilty to all federal charges against him, acknowledging his responsibility for a 17-year campaign of package bombings attributed to the "Unabomber."

Born in 1942, Kaczynski attended Harvard University and received a PhD in mathematics from the University of Michigan. He worked as an assistant mathematics professor at the University of California at Berkeley, but abruptly quit in 1969. In the early 1970s, Kaczynski began living as a recluse in western Montana, in a 10-by-12 foot cabin without heat, electricity or running water. From this isolated location, he began the bombing campaign that would kill three people and injure more than 20 others.

The primary targets were universities, but he also placed a bomb on an American Airlines flight in 1979 and sent one to the home of the president of United Airlines in 1980. After federal investigators set up the UNABOM Task Force (the name came from the words "university and airline bombing"), the media dubbed the culprit the "Unabomber."
