National Irish Coffee Day

National Spouses Day on January 26th each year celebrates the bond between two people and sets aside time for couples to show each other gratitude.

Dedicated to recognizing spouses everywhere, the observance reminds us to take time for our mate. From being thankful for the fulfillment and security of a long-term relationship to the boost of morale and well-being provided by spouses, there are many reasons to celebrate.

This day is a time to show your spouse that you care and appreciate all of the things that he or she does for you and the home.

Life gets busy, and we can often take for granted how our spouse improves our life. Pay a heartfelt thank you or compliment to the love of your life. Since the day is a non-gift giving day, spend time together and reconnect. Don't forget to say, "I love you."

QUESTION OF THE DAY

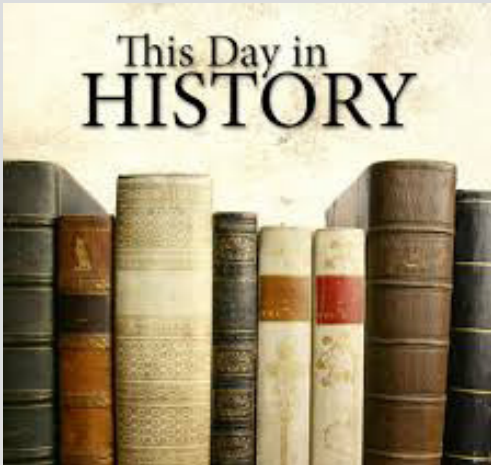

In which capital city can you find the Prado Museum, famous for featuring works by Spanish artists?

And the answer: Madrid.

Located in Spain's capital city of Madrid, the Prado Museum (in Spanish: Museo del Prado) is one of the most visited museums in the world. It's known for its extensive collection of Spanish art, with works by Francisco Goya and Diego Velázquez.

Spain's National Art Museum, unaware of the prestige it would soon accumulate, opened its doors to the public in 1819. After being designed by Juan de Villanueva in 1785 for other purposes, Queen Maria Isabel de Braganza encouraged her husband Ferdinand VII to repurpose the building to become the Royal Museum of Paintings and Sculptures.

Kobe Bryant Dies In Helicopter Crash

On January 26, 2020, a helicopter carrying former pro basketball player Kobe Bryant, his 13-year-old daughter Gianna and seven others crashes in Calabasas, California, roughly 30 miles north of Los Angeles; everyone onboard dies. Bryant's death sent shockwaves through the American sporting world.

Bryant played for the Los Angeles Lakers from 1996 until 2016, winning five NBA Championships and the 2008 Most Valuable Player award while making the All-Star team in 15 of his 20 seasons. By his mid-career, Bryant had established himself as one of the greatest players in NBA history, known for his clutch shooting, capable defending, work ethic, and longevity. He was accused of sexual assault in 2003, a charge which he settled out of court—the

episode cost him some of his most lucrative sponsorship deals, but he retained his status as one of the wealthiest and most beloved American athletes. In addition to his long playing career, Bryant was known for his philanthropy and several business ventures and film projects (he wrote the 2017 short film Dear Basketball, which won an Academy Award).
