Area Hit With Three Inches of Blowing Snow

The much talked about winter storm arrived on time Friday and Saturday, and as predicted, spared the Slate Belt of the worst it had to offer. While our neighbors to the east received heavier snow, and in some places near the coast, experienced blizzard conditions, the 3-inch snowfall and blowing snow in the Slate Belt made driving difficult and postponed several events.

Overnight the temperature dropped to 6 in Pen Argyl with reports of zero and below from other locations. Temperatures will moderate with a high of 30 Monday. Original forecasts predicted highs in the low 50s by Wednesday and Thursday. That, however, has changed to the 40s.

The weekend storm raised our seasonal total 9.50 inches. Last year's total was 55 inches, with 24 inches of that falling on January 31 and February 1.

The following basketball games were among several postponed events in the Slate Belt: Notre Dame Girls at Pen Argyl ppd to Feb 2 at 6:45, Pen Argyl Boys at Notre Dame ppd to Feb 2 at 6:45, Palmerton Girls at Bangor ppd to Feb 7 at 6:45 and Bangor Boys at Palmerton ppd to Feb 8 at 6:45.

LVHN Provides Greater Vaccination Opportunities

Lehigh Valley, Pa. (Jan. 25, 2022) – In an effort to provide even greater access to COVID-19 vaccines in the face of the omicron variant, two Lehigh Valley Health Network (LVHN) COVID-19 vaccine clinics are now accepting walk-ins in addition to scheduled appointments.

Affected locations are:

Northampton Crossings: The clinic is in the former Sears Hardware location at the Northampton Crossings shopping center off Route 248 (Easton-Nazareth Highway) near Route 33. Operating hours are Tuesday and Friday from 8 a.m.-6 p.m. and Thursday from 4-8 p.m.

Whitehall: The Whitehall clinic is at 2633 MacArthur Rd. (Route 145), north of Schadt Avenue, next to the Giant supermarket. Operating hours are Monday, Wednesday and Friday from 8 a.m.-6 p.m. and Tuesday and Thursday from 4-8 p.m.

“If you aren’t vaccinated, or are due for your booster, please come in and roll up your sleeve to protect yourself and those around you,” said Laura Williams, COVID vaccine clinic coordinator for LVHN. “Vaccines work. They help prevent hospitalization and death and every additional shot that goes into an arm puts us one step closer to ending this pandemic, now two years old.”

LVHN operates several COVID-19 clinics in the region. Clinics other than Northampton Crossings and Whitehall will continue to require appointments.

National Croissant Day

In the United States, National Croissant Day recognizes a flaky pastry enjoyed at every meal. Croissants are buttery, crescent-shaped rolls that are crispy on the outside and soft on the inside.

The key to a perfect croissant is laminating the dough. You laminate the dough by folding butter into the mixture creating multiple thin layers of butter and dough. The result is a mouth-watering flaky crust and airy body.

Legend surrounds this pastry, as is often the case with a popular, worldly treat. What is known, is that crescent-shaped breads have been found around the world for ages. One of these was the Kipferl which originated in Austria as far back as the 13th century.

This nonlaminated bread is more like a roll.

Credit for the croissant we know today is given to an Austrian military officer, August Zang. In 1839 he opened a Viennese bakery in Paris introducing France to Viennese baking techniques.

QUESTION OF THE DAY

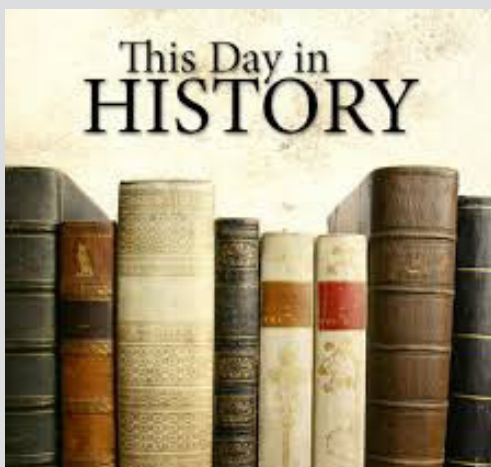

The island of Bali is part of which country?

And the answer: Indonesia.

Bali is an Indonesian island known for its natural beauty, from volcanic mountains, thick forests, and rice paddies to beaches and coral reefs. More than four million people live on Bali, which is the province of Indonesia with the largest Hindu population.

Though now known worldwide as a popular vacation destination, Bali has a long and colorful history dating back to the 7th century BCE. Hinduism spread and flourished in the islands at the time that Indian traders arrived, as well as simultaneously beginning years of competing rule between Indonesia, India, Java, and European powers. In fact, it wasn't until 1960 that an international airport opened on the main island and Bali began to gain

Gandhi Assassinated

Mohandas Karamchand Gandhi, the political and spiritual leader of the Indian independence movement, is assassinated in New Delhi by a Hindu extremist.

Born the son of an Indian official in 1869, Gandhi's Vaishnava mother was deeply religious and early on exposed her son to Jainism, a morally rigorous Indian religion that advocated nonviolence. Gandhi was an unremarkable student but in 1888 was given an opportunity to study law in England.

In 1891, he returned to India, but failing to find regular legal work he accepted in 1893 a one-year contract in South Africa.

Settling in Natal, he was subjected to racism and South African laws that restricted the rights of Indian laborers. Gandhi later recalled one such incident, in which he was removed from a first-class railway compartment and thrown off a train, as his moment of truth. From thereon, he decided to fight injustice and defend his rights as an Indian and a man.
