Roseto Ice Rink Becomes a Reality

by Larry Cory

For several years Roseto Councilman Ken Tillman attempted to provide an ice skating venue at Roseto Ballpark. Each winter he and workers from the borough created a section of ice at the park for ice skating and hockey. Problem was - the ice didn't last - it melted.

After several years Tillman and the borough decided to use artificial ice, but not the kind that would be used in an arena with refrigerated pipes. Roseto, however, is using interlocking plastic sections to form a rink that covers the basketball court at the ballpark which is open to the public everyday from 8-8.

The cost of the project was funded by a generous donation from the estate of the late Dr. Albert Falcone.

According to google, the first known instance of plastic

products as a substitute for real or artificial ice for the purpose of skating was back in the 1960s.

Basically, the main difference between real ice, artificial or natural, and synthetic ice is glide. When you skate on ice, the heat from the friction of your blade causes the ice to melt slightly.

The small amount of water this friction produces allows you to slide or glide over the ice. This water acts as a lubricant against drag. With synthetic ice, this lubrication had to be fabricated.

However, with newer products that is no longer the case. A slip agent is built into the polymer sheets which the manufacturer says will never leak.

PEN ARGYL BOYS WIN BELVIDERE TOURNEY

by Larry Cory

The Pen Argyl Boys Basketball team defeated Sussex Tech 57-37 to win the Belvidere Christmas Tourney yesterday at Belvidere High School, NJ.

The Knights avenged a loss to North Warren in last year's title game playing without the services of Damian Tyminski. This year, however, Tyminski scored 20 points to lead the Green Knights to the championship.

Pen Argyl which beat North Warren in the semi final game yesterday to reach the final, also got 15 points from Christian Hershey while Chase Kennedy added 10.

The Knights have played well over the past two weeks winning three of four games with their only loss to Lehighton by three points.

Their run started with a 45-40 win over Bangor which was the first win over the Slaters since 2008 and a streak of 26 games. The last Pen Argyl win prior to this year happened when the Green Knights handed the Slaters a 46-40 loss on February 1, 2008. Head Coaches that year were Mike Frew at Pen Argyl and Bron Holland at Bangor, who were both in their first year as head coaches in the Slate Belt.

Pen Argyl's record has improved to 4-5 this year with a good chance to reach .500 next week when they entertain Palisades Thursday and Northwestern Saturday.

Tyminski leads the team in scoring with 10.8 ppg. He is getting good support from Trowne Irwin-Hill, Hershey with 17 threes this year, Chase Kennedy, who hit 10 of 10 from the free throw line earlier this week, Brad Rissmiller and freshman Mason Soos.
