Today is.....

Walk on Stilts Day

If ever there was a day to stand tall amidst your peers, today is the day to do so. Today is Walk on Stilts Day. With a pair of stilts and a little practice, you can be a full participant in this tall day.

Considered a hobby or a sport, stilt walking takes skill and practice. While stilt walking is not for everyone, chances are you've been on them at least once when you were a kid. If that was a long time ago, don't worry. Stilt walking is like riding a bike.... once you've learned it, you never forget. If you've never been on a pair of stilts, you had a sheltered childhood.

For the Record According to Guinness World Book of Records, the world's tallest stilt was 53' 10"

Pennsylvania Recommendations for Education

Harrisburg, PA - With the first day of the 2021-22 school year approximately one month away, the departments of Health (DOH) and Education (PDE) are offering recommendations to families and schools as they safely prepare for in-person teaching and learning.

Vaccination

DOH and PDE encourage all eligible students ages 12 and older, and other eligible members of their household, to get their COVID-19 vaccinations before the new school year.

"There are safe and effective vaccines available to help stop the spread of COVID-19. As students look forward to returning to classes, getting a vaccine should be considered an essential back-to-school item on this year's list," Acting Secretary of Health Alison Beam said. "The COVID-19 vaccine is our best protection from this virus."

All Pennsylvanians aged 12 and older are eligible to receive the COVID-19 vaccine. Use Vaccine Finder to find a COVID-19 vaccine provider near you.

School Guidance

DOH and PDE continue to advise K-12 school entities to follow current Centers for Disease Control and Prevention (CDC) guidance. Opens in a new window, to the greatest extent possible, when creating and implementing mitigation policies and practices. A summary of the CDC's recently updated guidance is available on PDE's website.

The American Rescue Plan Act and U.S. Department of Education require school entities to develop Health and Safety plans that implement prevention and mitigation policies in line with the most up-to-date guidance from the CDC for the reopening and operation of school facilities. PDE plans to post school Health and Safety Plans on its website later this summer.

Face Coverings/Masks

According to the CDC. Opens in a new window "Masks should be worn indoors by all individuals (age 2 and older) who are not fully vaccinated. Consistent and correct mask use by people who are not fully vaccinated is especially important indoors and in crowded settings, when physical distancing cannot be maintained."

Schools may adopt stricter masking policies. Each school entity must include a locally determined face covering policy in its Health and Safety Plan.
