Talking and Breathing May Spread The virus

People resistant to social distancing may reconsider that thought after a prestigious scientific panel told the White House Wednesday night that research shows the coronavirus can be spread not just by sneezes or coughs, but also just by talking, or possibly even just breathing.

“While the current [coronavirus] specific research is limited, the results of available studies are consistent with aerosolization of virus from normal breathing,” according to the letter, written by Dr. Harvey Fineberg, chairman of a committee with the National Academy

of Sciences.

Fineberg said that he will start wearing a mask when he goes to the grocery store.

Several other experts are now talking about wearing masks every time you interact with the public during essential visits to places like your local grocery store or pharmacy.

Considering that people with no coronavirus symptoms at all can carry the virus, a simple conversation with someone like that could spread the virus to you if you are less than six feet apart.

Met-Ed Suspends Shut-offs

Effective immediately, Met-Ed is temporarily discontinuing power shutoffs for customers who are past due on their electric bills. FirstEnergy, Met-Ed's parent company, will continue to monitor the coronavirus response situation and adjust the shutoff policy in the future as circumstances develop.

Met-Ed encourages customers who are having difficulty paying their electric bill to contact its customer service department at 1-800-545-7741 to discuss customer assistance programs.

PPL Waives Late Fees

PPL Electric Utilities has waived all late payment fees and announced it will not cut service. PPL has several programs available to help customers having a hard time paying their bills: OnTrack offers a lower, fixed monthly bill and debt forgiveness for customers who make 150 percent of the poverty level or less. CARES can help customers experiencing a temporary hardship. Calling [1-800-358-6623](tel:1-800-358-6623)

You will be decorated within a few days of placing your order through JCC Screenprinting. The website will be up and running in the next few days. Online ordering will be running through the summer months. Memorial Day is this weekend. The Fourth of July. And don't forget Labor Day in September.

You can show your appreciation in this way by either displaying in your own yard or ordering for someone else's yard to say thanks.

Your \$50 contribution to WTVFC will include one dozen American flags and also a double sided thank you sign with our logo that you keep.

Weona Park Book

A Centennial book is being written to commemorate the 100th Anniversary of Weona Park in Pen Argyl.

Anyone with fond memories or interesting stories should send them to Walt Cole at wrcole3@gmail.com. This would include any information from your parents or grandparents. Perhaps a grandparent or great-grandparent helped to build the park, or worked on a WPA project during the Depression. Perhaps you worked at the park, were a life guard or had an interesting experience.

Stories about sporting events, swimming, or any activities would be of interest. They are also interested in pictures of family reunions, church gatherings or other organizations having picnics at the park. They are also looking for pictures of the clay tennis courts, the old miniature golf course, the band shell and events at the athletic field. Please check out those old photo albums for memories to share.

Celtic Cultural Scholarships

The Celtic Cultural Alliance (CCA) has announced that several scholarships will be awarded this year to students pursuing the study of Celtic dance, music, or art.

Please contact Marcie Mulligan, mmulligan@celticfest.org, for information related to either scholarship.

For more details about the scholarship programs and to download the applications, visit their webpage at the Celtic Classic which runs from September 25 through September 27, in downtown historic Bethlehem.
