The Slate Belt Heritage Center proudly announces the winners for this year's 2023 **Annual Preservation Awards**.

The **Special Focus Award** goes to an individual who has shown exemplary actions in saving or conserving traditions or a body of knowledge and contributes to educational information. This award is to acknowledge individuals who have performed acts that promote and preserve the culture and heritage of the Slate Belt. This year's winner is **Ms. Hope Horn**. Ms. Horn was nominated back in February 2020 due to her continuous teachings of the 'Wool School' out of the former Oughoughton one-room schoolhouse in Richmond, PA. Ms. Horn has spent countless hours in her school teaching classes on dying, spinning and weaving products from wool, while using her own sheep and goats, and doing all the sheering herself along with dying the wool with natural produces like goldenrod. Ms. Horn has a passion for passing on educational information and conserving a traditional body of knowledge.

The **Architectural Award** goes to an individual who has shown an exemplary act in saving or conserving a historic building, place or artifact where restoration is authentic to preservation. The award is to acknowledge individuals who have performed acts that promote and preserve the culture and heritage of the Slate Belt. This year's winner is Mr. Raymond DiFebo. Mr. DiFebo was also nominated back in February 2020 for his work taking the former pre-1900s Fosbinder Butcher Shop located in Martin's Creek and restoring it as a place of residence. The original store counter now rests in the kitchen. Additionally, the original posts and beams, block and tackle for moving carcasses, meat hooks, wainscoting and tin ceiling have also been retained, along with the storeroom for animal hides and the concrete smokehouse. Mr. DiFebo has preserved a historic building, as well as authentic and original artifacts.

Additionally within the Architectural Award, SBHC also recognizes businesses who have shown an exemplary act in saving or conserving a historic building, place or artifact where restoration is authentic to preservation. The award is to acknowledge businesses who have performed acts that promote and preserve the culture and heritage of the Slate Belt. This year's winner is **Johnsonville Farm & Garden**. Owners operate a community-based general store stocked with agricultural necessities and local products. In general, Ms. Haddad came up with the concept of restoring and reopening the former store when she returned home from college in 2012 after acquiring knowledge in agriculture, animal husbandry and organic farming. Overall, she believed that Upper Mount Bethel, the Bangor Area, and the Slate Belt needed such a vital resource to nurture and compliment the rural nature of the surrounding region by fostering farm and garden practices and supplying the basic resources needed to promote such a lifestyle in the community. For this, her business has been nominated for the Architectural Award/Business Category for 2023.

The **Initiative Award** goes to an individual who has shown exemplary actions in promoting and preserving the heritage of the Slate Belt through **In-Kind Actions**. The award is to acknowledge individuals who have performed acts that promote and preserve the culture and heritage of the Slate Belt. This year's winner is **Mr. David Raker**. Mr. Raker visited the Heritage Center back in 2022 and was impressed that the organization had all their monthly presentations on DVDs. He then decided to digitize all the Center's presentations. After checking with the board's approval, permission was granted, and he spent his own time conducting the digitization at no charge. What he accomplished here is something others can use as an example for documenting history in the Slate Belt. For this act, Mr. Raker has been nominated for the Initiative or In-Kind Preservation Award for 2023.

Recognizing the Legacy of Juneteenth Monday

Official Holiday

Juneteenth (officially Juneteenth National Independence Day) is a federal holiday in the United States commemorating the emancipation of enslaved African Americans.

Deriving its name from combining June and nineteenth, it is celebrated on the anniversary of the order, issued by Major General Gordon Granger on June 19, 1865, proclaiming freedom for slaves in Texas.[

Originating in Galveston, Juneteenth has since been observed annually in various parts of the United States, often broadly celebrating African-American culture. The day was first recognized as a federal holiday in 2021, when President Joe Biden signed the Juneteenth National Independence Day Act into law after the efforts of Lula Briggs Galloway, Opal Lee, and others

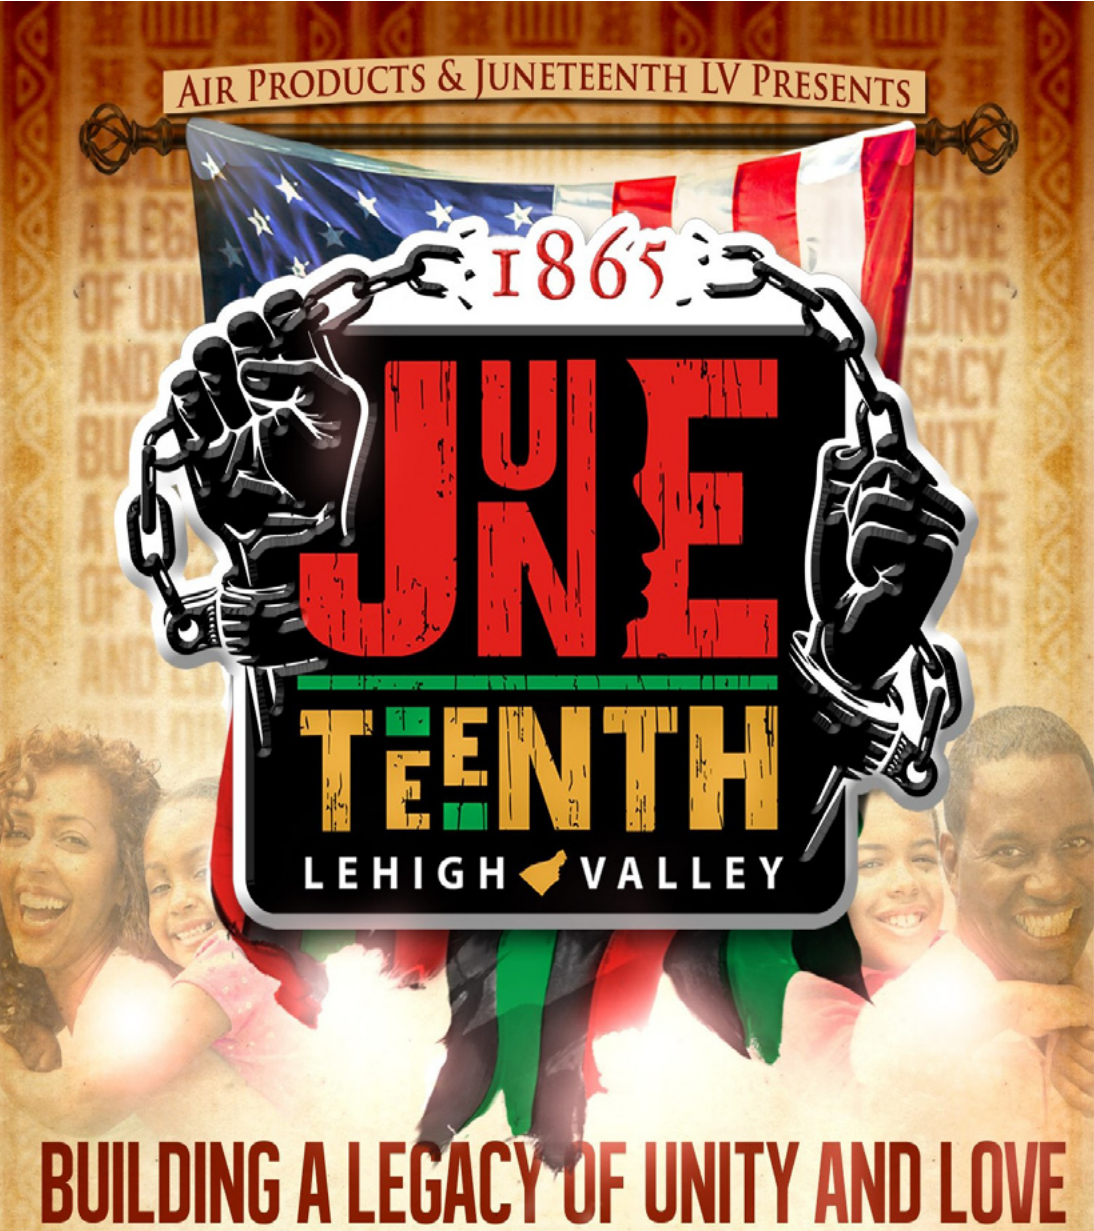

Delaware Water Gap Area Evidence of Slavery in PA

As Juneteenth is inaugurated as a federal holiday, it is important to note that slavery was not exclusively a southern regional issue. Slavery existed within the park.

The Callahan House is believed to have been a stop on the underground railroad for freedom seekers. The Van Campen Inn, located on Old Mine Road, was the site of a working farm that enslaved people.

In New Jersey, it wasn't until 1846 that the state banned slavery and even then made exemptions for enslaved people to become "apprentices" and "to continue until such person is discharged." An 1850 Federal Census counted 236 enslaved people in the state including Caesar Soult, who was the last enslaved person to be counted in Sussex County. He was freed prior to his death on March 11, 1860. His age was unknown but "in the neighborhood of one hundred." The 1860 Federal Census lists it at 107.

As we observe Juneteenth, we acknowledge our past as we continue to work towards a more inclusive future.

Juneteenth Parade In Easton

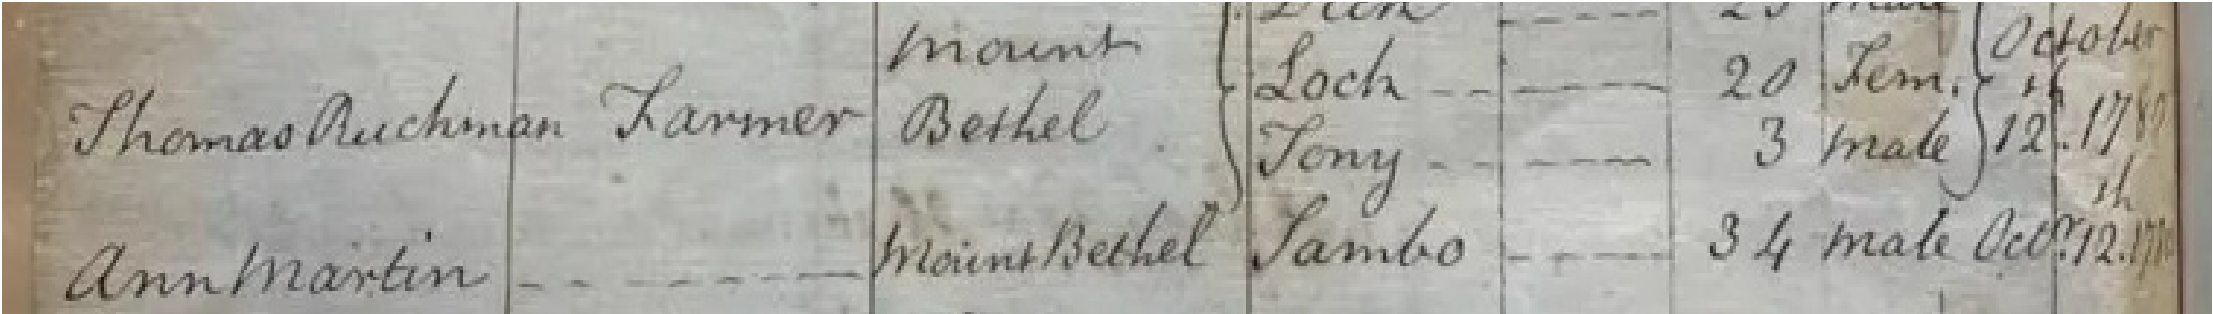

Juneteenth Lehigh Valley will present the first Juneteenth Parade in the Lehigh Valley that brings together agencies from Allentown, Bethlehem, and Easton on Northampton St. in Easton, PA on Monday, June 19th from 12:00-3:00 p.m.

The processional will feature area leaders from the African American community, drumlines and steppers, fraternities and sororities, children's

The Callahan House, also known as the Jacob Helm House, is a historic home located in the Delaware Water Gap National Recreation Area south of Milford, in Dingman Township, Pike County, Pennsylvania. It was built in two sections, with the older dated to about 1800 and the later to about 1820. It is a long, 1+1/2-story, clapboard-clad frame dwelling with a steep gable roof. It features exposed chimney backs at the first floor exterior in the Dutch style, and a porch along the newer wing.

It served as an inn, and is believed to have been a station on the Underground Railroad.

A slave register of 1780 for Northampton County includes the names of slave and slaveowners, including two from Mt Bethel. Professor Scott Gordon found the document while combing through records of the Historical Society of Pennsylvania.

Slate Belt Heritage Center Announces Winners For 20 Annual Preservation Awards

Special Focus Award Hope Horn

The Special Focus Award goes to an individual who has shown exemplary actions in saving or conserving traditions or a body of knowledge and contributes to educational information. This award is to acknowledge individuals who have performed acts that promote and preserve the culture and heritage of the Slate Belt. This year's winner is Ms. Hope Horn. Ms. Horn was nominated back in February 2020 due to her continuous teachings of the 'Wool School' out of the former Oughoughton one-room schoolhouse in Richmond, PA.

Ms. Horn has spent countless hours in her school teaching classes on dying, spinning and weaving products from wool, while using her own sheep and goats, and doing all the sheering herself along with dying the wool with natural produces like goldenrod. She also sells products at the adjacent restored general store located next to the school. Ms. Horn has a passion for passing on educational information and conserving a traditional body of knowledge. For this, she has been nominated for the Special Focus Award for 20.

Architectural Award Raymond DiFebo

The Architectural Award goes to an individual who has shown an exemplary act in saving or conserving a historic building, place or artifact where restoration is authentic to preservation. The award is to acknowledge individuals who have performed acts that promote and preserve the culture and heritage of the Slate Belt. This year's winner is Mr. Raymond DiFebo. Mr. DiFebo was also nominated back in February 2020 for his work taking the former pre-1900s Fosbinder Butcher Shop located in Martin's Creek and restoring it as a place of residence.
