History of Pen Argyl

The Slate Belt Heritage Center will hold its monthly historic program on Thursday, July 14, @ 7:00 PM. Walter Cole, former history teacher and town historian for Pen Argyl will do a presentation on his upcoming book, The History of Pen Argyl From the 1840's to the Present. The program will include showing the many primary and secondary sources he used to conduct his research. Mr. Cole will also reveal the many topics that will be included in the book which will also include human interest stories and personal interviews. In addition to preserving historical information for future generations, the other purpose in publishing the book is that proceeds raised will go towards funding the building of the new Pen Argyl swimming pool. Mr. Cole asks that anyone who has personal memories, of Pen Argyl or local lore, to contact him at 610-863-6472. The program is free and open to the public. The Heritage Center is located at 30 North 1st Street, Bangor, PA. For additional information please contact: Karen Brewer at 484-894-5661

July 23-24

SBHC Passport to History Weekend

The Slate Belt Heritage Center will host "Passport to History Weekend on July 23-24. The Museum will be open Saturday from 10-4 and Sunday from 12-4. The Center is featuring "We Look Higher: the African American Experience in the Slate Belt" as this year's special exhibit and "All of Us" about the waves of people who moved to the Slate Belt from the 18th Century Lenape to the 21st Century Bulgarians. Newly designed galleries tell stories about the creation of Flicksville, the work in the Textile Industry and the service of Fire Fighting in the Slate Belt. Mike Piersa and team plan to periodically run the Flory Quarry Hoist in the adjacent Bethel Park during one of the days. Flory Hoists were manufactured in Bangor and powered the cable ways that lowered men into quarries and raised massive slabs of slate from quarry beds. Perry Morris will demonstrate the craft of wooden ornament making throughout the weekend. Guides will be available to give tours or you can wander through the museum on your own. The Slate Belt Heritage Center is located at 30 North 1st Street in the heart of Bangor's Historic District. For additional information contact: Karen Brewer @ 484-894-5661.

Perry Morris will also be doing a "Story Time", in addition to ornament making, for the children.

The 122-year-old Bangor Quarry Hoist, in adjacent Bethel Park, will operate, weather permitting on that Saturday from noon to 3 PM. Flory Hoists were manufactured in Bangor and powered the cableways that lowered men into quarries and raised massive slabs of slate from quarry beds. The Hoist will run courtesy of compressed air provided by Todd Kluska of Serene Scenes Landscaping.

Deadline Extended for 2021 Property Tax/Rent Rebate Program

The deadline for senior citizens and Pennsylvanians with disabilities to apply for rebates on rent and property taxes paid in 2021 has been extended to Dec. 31.

The Property Tax/Rent Rebate Program benefits eligible Pennsylvanians age 65 and older; widows and widowers age 50 and older; and people with disabilities age 18 and older. The income limit is \$35,000 annually for homeowners and \$15,000 annually for renters, and half of Social Security income is excluded.

The maximum standard rebate for homeowners is \$650, but supplemental rebates for certain qualifying homeowners can boost rebates to \$975. The Department of Revenue automatically calculates supplemental rebates for qualifying homeowners.

Claimants are encouraged to file their rebate applications online by visiting mypath.pa.gov. No account is required. Applicants who still wish to file a paper application form may obtain Property Tax/Rent Rebate claim forms (PA-1000) and related information on the Department of Revenue's website or by calling 1-888-222-9190.

Rebates will be distributed beginning July 1, as required by law. The easiest way to check the status of your rebate after July 1 is to use the Where's My Rebate? tool. To check on the status of your claim, you will need your Social Security number, claim year and date of birth

Always protect your hearing. Wear hearing protection such as earplugs or earmuffs.

Ways to Help NATIVE BEES

- Plant native trees. Trees provide a large nectar source from their blossoms and habitat for some bees.
- Plant native plants that bloom during the spring, summer, and fall to provide a continuous food source.
- Avoid using herbicides, pesticides, and insecticides. Find organic ways to garden and remove pests.
- Provide water and habitat such as bare soil in your garden for ground-nesting bees, leave plant stems standing in winter, dead trees or fallen logs, or bee nesting houses.
- Participate in citizen science opportunities to help count bees like the Bumble Bee Watch, Great Sunflower Project, and more.
- Spread the word! Let others know how they can help.

Tips for planting a POLLINATOR GARDEN

- Choose native plants which provide nutritional value for pollinators and require less maintenance
- Choose native plants that bloom at different times (early spring – late fall), providing food all season
- Choose plants with flowers of different sizes, shapes, and colors for the diversity of pollinators
- Plant at least 3 or more of one kind of plant together to provide larger drifts of color to attract pollinators
- Form a weed barrier by planting natives closer together instead of using mulch or landscape fabric
- Save garden clean up until spring! Pollinators overwinter in different life stages

Pennsylvania State Flower Facts

Chosen as state flower in 1933 by Governor Gifford Pinchot

Shrub that grows 4 to 10 feet high and blooms late May through June

Not an easy to grow landscaping plant, has particular soil needs

All parts of shrub are toxic to people and animals

Host plant for the Laurel Sphinx Moth

Attracts butterflies, hummingbirds, and other pollinators

Considered one of the most beautiful native flowering shrubs

Provides shelter for birds and small mammals in winter

Ways to Help Eastern MONARCHS

- Plant native nectar plants that bloom in the spring, summer, and fall in a sunny area.
- Plant the caterpillar host plant milkweed (butterfly weed *Asclepias tuberosa*, common milkweed *Asclepias syriaca*, swamp milkweed *Asclepias incarnata*).
- Avoid using herbicides and pesticides. Find organic ways to garden.
- Enhance monarch habitat by providing water and a place to shelter with dense patches of wildflowers and shrubs.
- Participate in citizen science opportunities where you can help track monarch sightings in spring and fall.
- Spread the word! Let others know how they can help.
