How Climate Change Will Affect How Much Sleep We Get

by Stephen Beech. Talker News

The study analyzed 7 million nightly sleep records from more than 47,000 adults in 68 countries.

Climate change means people will be getting less sleep due to soaring temperatures, according to a new study from Denmark. The research suggests that people will enjoy up to 10 minutes less slumber per night as a result of global warming by the end of the century.

They found that increasing ambient temperatures negatively impact human sleep around the globe as they get their head down later, but wake up earlier.

The team says their findings suggest that by the year 2099, suboptimal temperatures may erode 50 to 58 hours of sleep per person per year.

They also found that the temperature effect on sleep loss is "substantially larger" for residents from lower income countries as well as in older adults and females.

The Greater Lehigh Valley's 2nd Spring Plant Crawl includes 7 of your favorite local plant shops. Crawl around the greater Lehigh Valley over the weekend of June 11th & 12th and enjoy some of the amazing local plant shops we have in our community. During the Plant Crawl, you will begin at the plant shop you choose at the time of ticket purchase. Please choose carefully as they can't change the location afterwards and your passports will be waiting at your designated shop.

From there, you will have the entire weekend (Saturday & Sunday) to visit all the participating stores to get your passport stamped. To get a stamp, you simply need to make a purchase at each shop. This year, we will be requiring you to purchase at least one plant to get a stamp. It is a Plant Crawl, after all

You may ask, what do the stamps get me? Getting a stamp from each participating store will enter you into our prize giveaways, including one big plant grand prize! At your last shop, you will receive a ticket that will be entered into the drawing for the giveaways. The giveaway winners are announced the following week.

Each \$15 pre-order tickets include admission to the Plant Crawl, a passport with coupons for each participating plant shop and a custom plant mat!
