## Kendall Lobb Awarded Jonathan P. Antonioli Scholarship

The Jonathan P. Antonioli Memorial Scholarship in the amount of \$1,000.00, has been awarded to Pen Argyl High School senior, Kendall Lobb.

The Antonioli family looked to provide a scholarship to a student who most displayed characteristics that aligned with those for which Jonathan was known: his spirit of inclusivity and generosity, kindness and selflessness. Ms. Lobb was selected for her hard work, tenacity, and for her desire to help others as evidenced by her involvement in numerous charitable organizations.

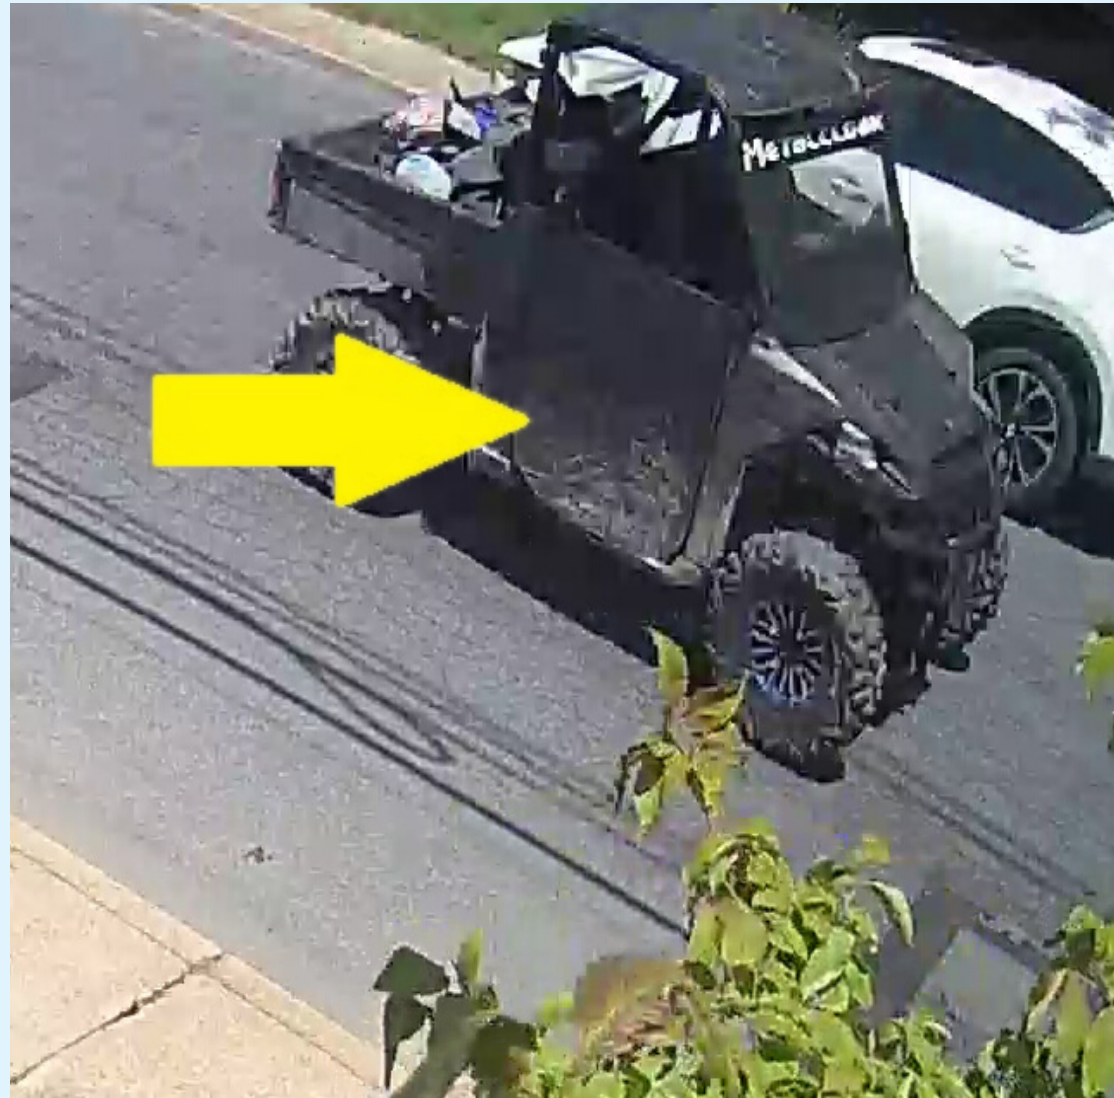

In addition to academic achievements including First Honor Role and National Honor Society, Ms. Lobb demonstrated a steadfast commitment to her community and service to others. She was a member of the Aevium club, a volunteer for the Lauren's Hope Foundation, Toys for Tots, the Special Olympics, Mini-Thon for Childhood Cancer, and the Miracle League Organization.

Ms. Lobb will be attending Penn State University in the fall where she was accepted into the Psychology Honors Program. Ms. Lobb stated that her choice to study psychology was based on her view of declining mental health issues in the world, and her desire to work to improve those issues.

The Antonioli family is honored to present this award in Jonathan's name to Kendall, and wishes her success in all of her future endeavors.

## Sunbathing Could Protect Against Ovarian Cancer

by Mark Waghorn via SWNS

Sunbathing could protect women against ovarian cancer, according to new research.

Experiments on patient tumors showed the sunshine vitamin, vitamin D, blocks a protein that fuels the deadly disease.

Ovarian cancer has been dubbed "the silent killer" as it often causes few distinct symptoms until it is advanced.

Nine-in-ten women with early-stage disease survive. If it's picked up late just one-in-ten live more than five years.

Results of the study were confirmed in cells grown in the lab.

Epidemiological evidence has linked lower levels of the nutrient to a higher risk of the disease. Taking vitamin D pills is also associated with reduced death rates.

Now scientists in Japan have found the vitamin restores the body's natural barrier against ovarian cancer.

### Lehigh Valley Spring Plant Crawl

The Greater Lehigh Valley's 2nd Spring Plant Crawl includes 7 of your favorite local plant shops. Crawl around the greater Lehigh Valley over the weekend of June 11th & 12th and enjoy some of the amazing local plant shops we have in our community. During the Plant Crawl, you will begin at the plant shop you choose at the time of ticket purchase. Please choose carefully as they can't change the location afterwards and your passports will be waiting at your designated shop.

From there, you will have the entire weekend (Saturday & Sunday) to visit all the participating stores to get your passport stamped. To get a stamp, you simply need to make a purchase at each shop. This year, we will be requiring you to purchase at least one plant to get a stamp. It is a Plant Crawl, after all

You may ask, what do the stamps get me? Getting a stamp from each participating store will enter you into our prize giveaways, including one big plant grand prize! At your last shop, you will receive a ticket that will be entered into the drawing for the giveaways. The giveaway winners are announced the following week.

Each \$15 pre-order tickets include admission to the Plant Crawl, a passport with coupons for each participating plant shop and a custom plant mat!
