Get Your Tail On The Trail' 165 Challenge Begins with a New Phone App

As participants begin the 165-Mile Challenge this year, they'll have a new app for the "Get Your Tail on the Trail" program, offered by St. Luke's University Health Network and the Delaware & Lehigh National Heritage Corridor (D&L). This free community initiative encourages people of all ages and abilities to meet their personal fitness goals.

From May 1 to November 8, the 165-Mile Challenge encourages participants to log 165 miles of exercise, such as walking, hiking, running, biking or paddling on the D& L trails or anywhere they choose.

- Logging miles and staying motivated has never been easier with our new app:
- Get exclusive content about nutrition, events and upcoming challenges
- Earn badges for your achievements based on your activity log
- Stay engaged all year round in activities and challenges
- Keep informed about your chapter and any organizations you are a member of
- Experience virtual tours of different parts of the trail
- Receive great prizes

To register, go to Get Your Tail on the Trail.

"Get Your Tail on the Trail" participants register for free as an individual or as part of an organization and log the miles doing a continuous activity for 10 minutes or more. While the program doesn't require participants to exercise exclusively on the 165-mile D&L Trail, it is a great centerpiece resource. The trail stretches from Wilkes-Barre to Bristol, Pennsylvania.

In addition to the 165-Mile Challenge that runs each May to November, there are special events throughout the year, including bike and hike outings, health fairs, history walks and more. Since we launched in 2013, close to 10,000 participants have logged over 5 million miles.

Those who complete the challenge receive a reward. Past rewards have included t-shirts, hats, backpacks, and rain ponchos.

"Our goal is straightforward: To get people outside and get them active," says Kathy Ramson, St. Luke's Network Director for Healthy Living and Chronic Disease.

"We want people to be physically active because it is one of the best ways to prevent chronic disease. There's a good deal of data that show that if you exercise 150 minutes a week, you're going to have better health outcomes overall."

Aging Agency Call Line

Lamont McClure and the Area Agency on Aging Division (AAA) are operating a call line on Friday mornings for Northampton County Seniors to make appointments for COVID-19 vaccinations. This service is intended for those who lack computer or internet access. AAA staff members will make 100 appointments per clinic date. Vaccination clinics will be held at the Wind Creek Event Center at 77 Wind Creek Blvd. Bethlehem, PA.

Residents of Bethlehem City and Northampton County who are age sixty-five and older can call 610-865-7092 to schedule an appointment for a vaccination. AAA employees will also assist with registration at the Wind Creek clinics.
