Slate Belt Y Child Care

The Greater Valley YMCA has announced the expansion of its child care offerings at its Slate Belt location. Beginning March 15, the Y will offer care for toddlers and preschool children ages 2 through 5 in its newly-constructed child care wing.

The Y team is currently finalizing this community group's original plans by completing the facility's child care wing expansion, as well as the addition of the pool and gym this spring. The Slate Belt region is a service desert, and the Y has stepped up to provide even more solutions through this program despite the pandemic's effects.

Once the child care wing construction was completed earlier this year, volunteers with the United Way VISTA program supported the move of furniture and other supplies to get the classrooms prepared. Certification from DHS was recently completed so registration is now open for toddlers and preschoolers. Child care is offered Monday through Friday from 6AM to 6PM.

Aging Agency Begins Call Line

Lamont McClure and the Area Agency on Aging Division (AAA) will begin operating a call line on Friday mornings to help Northampton County Seniors make appointments for COVID-19 vaccinations. This service is intended for those who lack computer or internet access. AAA staff members will make 100 appointments per clinic date. Vaccination clinics will be held at the Wind Creek Event Center at 77 Wind Creek Blvd. Bethlehem, PA.

The program will begin on Friday, March 12, 2021 at 8:00AM. Residents of Bethlehem City and Northampton County who are age sixty-five and older can call 610-865-7092 to schedule an appointment for a vaccination. AAA employees will also assist with registration at the Wind Creek clinics.

"We understand the frustration of some of our older folks who don't have the access or the computer skills to make appointments online," says Lamont McClure. "Area Agency on Aging is making this service available so every Northampton County senior who wants a vaccine is able to get an appointment."

If individuals have questions about the COVID-19 vaccine clinic or their appointment, they can call the Bethlehem Health Bureau at 610-865-7083.

Senior residents of Northampton County who are registered with LANTA's Share Ride for Seniors Program, can receive a free door-to-door trip to and from their COVID-19 vaccine appointments. Approximately 8,800 seniors in Northampton County already use the Share Ride for Seniors Program. Anyone who would like to register may do so by calling 1-888-253-8333, Monday through Sunday from 8:00AM – 4:30PM

Women in American History

March is Women's History Month, and the Slate Belt Heritage Center is commemorating that in a monthly presentation, "Women's Roles in American History and Culture." This will be posted on their Facebook page Thursday, March 18.

While many articles you read will focus on a specific woman or women, their presentation will be looking at the bigger picture, namely, what was women's life like throughout our country's history? The presentation will look first at how Hollywood has created false images and how those false images affect how we look at our own past.

Then, viewers will take a journey through the centuries, from the 1700's to the present, looking at the wide variety of opportunities and obstacles that impacted women's lives, including the legal system, which has played a major role in the lives of women over the centuries. The presenter will be Cheryl Statham, retired Director of Education and Programming at Quiet Valley Living Historical Farm.

Prepare to rethink what you know, and learn the actual history.

State Food Assistance

Pennsylvania State officials have encouraged all Pennsylvania residents to take full advantage of all food assistance programs, if needed, over the holiday season.

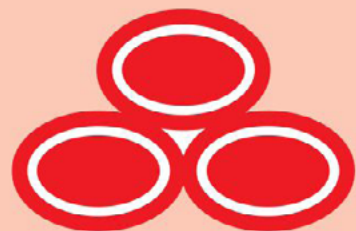

"Pennsylvania's food assistance programs were built for times like these and no one should be too shy to take advantage of what they have to offer," said Russell Redding, secretary of the Pennsylvania Department of Agriculture.

But those assets haven't stopped the covid-19 pandemic from destabilizing personal finances and causing heightened food insecurity for millions of residents. Compared to 2018, when roughly 11% of adults in Pennsylvania were food insecure, Redding said 15.5% experience the issue this year.

The difference is even starker when it comes to children in the state. In 2018, 15% children experienced food insecurity. That number has climbed to 24% in 2020.

Local food pantries saw greater demand especially early in the pandemic and through the summer, with miles-long lines at each weekly distribution and millions of pounds of food provided.

"Food insecurity was a problem for millions of Americans before March 2020," said Teresa Miller, secretary of the Department of Human Services.

Home Heating Assistance

LIHEAP is a federally funded program that helps individuals and families pay their heating bills through home heating energy assistance grants. It also provides crisis grants to help in the event of an emergency or if a resident is in danger of losing his or her heat due to broken equipment, lack of fuel or termination of utility service.

The income eligibility guidelines for LIHEAP are set at 150% of the federal poverty income level. For example, the income limit for an individual is \$18,735; for a couple, the limit is \$25,365; and for a family of four, it is \$38,625. Residents may apply for LIHEAP online or by contacting the County Assistance Office in their county of residence.

Unwanted Med Disposal

Residents are urged to remove expired, unwanted, or unused medicines from the home to reduce the chance of accidents or misuse and to prevent the drugs from entering the environment.

316 Marketplace in Wind Something For Everyone

The new Marketplace 316 in Wind Gap is impressive. It offers a place for Local Antiques and Collectables, Artisans, Resellers & Foods, only found in Wind Gap.

J's Royal Family, Unique Finds, Flay'd Meats, Candy Pickers, and Uncle Chuck's & Son's Furniture are just few of many vendors.

Despite the COVID 19 pandemic, Marketplace 316 opened July 4th to the delight of avid flea marketers.

The North Broadway location is a huge improvement over the former Wind Gap Flea Market. The new Flea Market appears to be twice the size it was a few years ago, allowing far more vendors to set up shop.

Although I'm not a weekend, flea market junkie, I occasionally enjoy going to Saylorsburg, Jake's on Route 100, Adamstown, PA and a place in Front Royal, Va. I'm happy to say that I am definitely adding Marketplace 316 to my list of favorites.

County Assistance

In light of Pennsylvania's eviction moratorium expiring on August 31st, Lamont McClure reminds residents that Northampton County has approximately \$3.6 million available for rental assistance, rapid rehousing and utility payments. The Department of Human Services and the Department of Community and Economic Development worked together to develop the Community Mediation and Eviction Diversion Program (CMED). CMED offers experienced mediators, emergency financial assistance and rapid rehousing to prevent homelessness. Slaters Colonial League Champions

Bangor won Colonial League gold Friday night at Moravian Academy where the Slaters earned a heart-pounding 83-75 win over Notre Dame Green Pond. Sbtt Photo: Larry Cory [PHOTO GALLERY](#) (100 Photos)

by Larry Cory

Hollywood couldn't have created a better scenario for Bangor's 83-75 win over Notre Dame Green Pond Friday night. No super script writer could have written a better chapter with all of the elements for an incredible moment.

Championship games by their nature ooze excitement, and this game had all of that and more. Coming into the game Bangor needed to face an opponent that had beaten them just a short time ago on the Slaters' floor. Moreover, they needed a win playing their third playoff game in just four days.

Putting this in better perspective, one needs to understand that neither team takes a ho-hum, laid-back approach to the game. They go at each other at both ends of the court for a full 32 minutes with mind-boggling intensity.

Let's also factor into the equation that this was a game played in a somewhat eerie ambience without fans because of the COVID 19 pandemic. Imagine watching the NBA finals on TV in deafening silence

Weather also reared it ugly side, limiting practice time over the past few weeks forcing school closings. When schools are closed teams can not practice.

Lack of practice, however, was not evident last night when the Crusaders jumped out to a quick 13-6 lead in the first quarter, making four three-pointers, but Bangor fought back quickly forcing a 15-15 tie and trailing only 18-17 entering the second quarter.

Bangor and Notre Dame stayed close throughout the second, as Bangor still trailed 40-38 at half. Gabe Zeiba (13) CJ Miles (10) and Josh Giaquinto (9) led the Slaters through the first 16 minutes while Brendan Boyle (12) the area's leading scorer, and Logan Rickert (11) were high for the Crusaders.

With Bangor turning up the heat defensively in the second half, Boyle was held to mere 2 points and finished the game with 14. The Slaters, meanwhile, took a 43-42 at the 6:33 mark of the third and only relinquished that lead for a few moments as Bangor maintained control for the win. Miles and Zieba led Bangor with 25 points each. Giaquinto scored 19, and Dan Heald added 10. Justin Petersen and Jimmy Merklinger each scored two and played solid defense.

Zieba was 6-6 from the free throw line and Miles 7-9 down the stretch. Miles' free throw with 7.7 seconds to play elevated him to the 1,000-point career level.

CJ Miles (R) of Bangor became the newest member of the Colonial League 1,000-point career scoring club when he reached 1,001 during an 83-75 win over Notre Dame Friday. Derek Troxell (L) of Catasauqua reached the 1,000-point mark a few days earlier. (See BAHS School History - Right) Sbtt Photo: Larry Cory [PHOTO GALLERY](#) (100 Photos)

Bangor CJ Miles 1,000-Point career mark will be forever remembered as the only Slater to hit that plateau in a season shortened by a Pandemic. Miles played in just 12 regular season games while the other Slater 1000-point members played in 20 or more games except for Frank Butz in 1959 when Bangor played an 18-game schedule.

Miles started the season averaging 30 ppg and ended with a 26.6 ppg regular season mark. At that rate, had he played in the 10 games lost due to COVID 19, his total would be 1267 going into District play.
