## NCC Hosting First-Ever Drive-Thru Vaccination Clinic

Lehigh Valley Health Network (LVHN) will hold its first drive-through vaccination clinic in Northampton County Saturday, March 27, 8 a.m. to 4 p.m. at Northampton Community College (NCC) in Bethlehem. On this date, it is expected that 3,000 first doses of Moderna vaccine will be provided to people in Pennsylvania's Phase 1A. All COVID-19 vaccines provided by LVHN are free.

Appointments are required and will be filled on a first-come, first-served basis. To schedule an appointment for the NCC drive-through clinic and any other COVID vaccine appointment, people in Phase 1A can sign in to MyLVHN.

You also can schedule an appointment by calling our COVID-19 Vaccine Hotline at 833-584-6283 (833-LVHN-CVD). However, due to large demand and call volume, you may be on hold and appointments may be taken while you wait. MyLVHN will be your fastest and easiest way to schedule.

Arrive for your appointment at the time it is scheduled.

Your appointment holds your dose of vaccine, so you do not need to arrive early for your appointment. Appointments help maintain a steady flow at the vaccination. If you receive your first dose of vaccine at this NCC event, your second dose will automatically be scheduled for Saturday, April 24, at Northampton Community College.

When all available appointments are filled.

People with a MyLVHN account will see an announcement in the portal that appointments are no longer available. LVHN will post a red alert at the top of its website, LVHN.org, telling you that appointments are not currently available.

## State Food Assistance

Pennsylvania State officials have encouraged all Pennsylvania residents to take full advantage of all food assistance programs, if needed, over the holiday season.

"Pennsylvania's food assistance programs were built for times like these and no one should be too shy to take advantage of what they have to offer," said Russell Redding, secretary of the Pennsylvania Department of Agriculture.

But those assets haven't stopped the covid-19 pandemic from destabilizing personal finances and causing heightened food insecurity for millions of residents. Compared to 2018, when roughly 11% of adults in Pennsylvania were food insecure, Redding said 15.5% experience the issue this year.

The difference is even starker when it comes to children in the state. In 2018, 15% children experienced food insecurity. That number has climbed to 24% in 2020.

Local food pantries saw greater demand especially early in the pandemic and through the summer, with miles-long lines at each weekly distribution and millions of pounds of food provided.

"Food insecurity was a problem for millions of Americans before March 2020," said Teresa Miller, secretary of the Department of Human Services.

## Home Heating Assistance

LIHEAP is a federally funded program that helps individuals and families pay their heating bills through home heating energy assistance grants. It also provides crisis grants to help in the event of an emergency or if a resident is in danger of losing his or her heat due to broken equipment, lack of fuel or termination of utility service.

The income eligibility guidelines for LIHEAP are set at 150% of the federal poverty income level. For example, the income limit for an individual is \$18,735; for a couple, the limit is \$25,365; and for a family of four, it is \$38,625. Residents may apply for LIHEAP online or by contacting the County Assistance Office in their county of residence.

## 316 Marketplace in Wind Something For Everyone

The new Marketplace 316 in Wind Gap is impressive. It offers a place for Local Antiques and Collectables, Artisans, Resellers & Foods, only found in Wind Gap.

J's Royal Family, Unique Finds, Flay'd Meats, Candy Pickers, and Uncle Chuck's & Son's Furniture are just few of many vendors.

Despite the COVID 19 pandemic, Marketplace 316 opened July 4th to the delight of avid flea marketers.

The North Broadway location is a huge improvement over the former Wind Gap Flea Market. The new Flea Market appears to be twice the size it was a few years ago, allowing far more vendors to set up shop.

Although I'm not a weekend, flea market junkie, I occasionally enjoy going to Saylorsburg, Jake's on Route 100, Adamstown, PA and a place in Front Royal, Va. I'm happy to say that I am definitely adding Marketplace 316 to my list of favorites.
