National Viet Nam Veterans Day

National Vietnam War Veterans Day on March 29 honors the men and women who served and sacrificed during the longest conflict in United States history.

On March 29, 1973, combat and combat support units withdrew from South Vietnam. Generations later, Veterans of this time period are gaining the respect that was not so freely given upon their return. Involving five U.S. presidents, crossing nearly two decades and 500,000 U.S. military personnel, it left an indelible mark on the American psyche.

Returning veterans did not always receive respectful welcomes upon their arrival on American soil. Over 58,000 killed, never to return. The observance recognizes the military service of these men and women who answered the call to serve their country when she needed them. They didn't make the decision to go to war.

Throughout National Vietnam War Veterans Day, we recognize the service and duty rendered by all servicemen and women of this era.

QUESTION OF THE DAY

The director of the film *Harry Potter and the Prisoner of Azkaban* also directed which of the following movies?

Considering *The Lord of the Rings*, *The Dark Knight*, *Roma*, and *A Beautiful Mind*, the answer is: **Roma**.

The 2018 Mexican semi-autobiographical movie written, directed, and produced by Alfonso Cuarón is set in the 1970s in Mexico City. It follows the life of Cleo, a live-in housekeeper for a middle-class family, played by Yalitza Aparicio. A school teacher with no prior formal acting experience, Aparicio became the first indigenous woman to be nominated for an Academy Award for Best Actress. Seeking to honor the housekeeper from his childhood in Roma, Mexico, Cuarón focused his film around the experience of live-in maid, Cleo.

United States Withdraws From Vietnam

March 29, 1973: Two months after the signing of the Vietnam peace agreement, the last U.S. combat troops leave South Vietnam as Hanoi frees the remaining American prisoners of war held in North Vietnam. America's direct eight-year intervention in the Vietnam War was at an end. In Saigon, some 7,000 U.S. Department of Defense civilian employees remained behind to aid South Vietnam in conducting what looked to be a fierce and ongoing war with communist North Vietnam.

In 1961, after two decades of indirect military aid, U.S. President John F. Kennedy sent the first large force of U.S. military personnel to Vietnam to bolster the ineffectual autocratic regime of South Vietnam against the communist

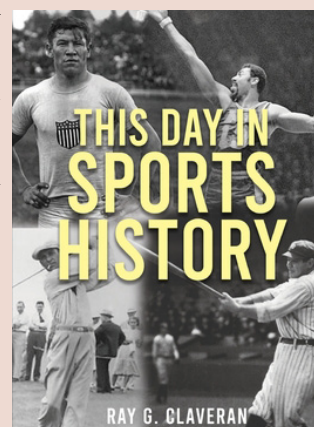

North. Three years later, with the South Vietnamese government crumbling, President Lyndon B. Johnson ordered limited bombing raids on North Vietnam, and Congress authorized the use of U.S. troops. By 1965, North Vietnamese offensives left President Johnson with two choices: escalate U.S. involvement or withdraw.

Reflections on the Water

Friends of Minsi Lake cordially invites the public to an exhibit of local photographer Lisa Newberry's beautiful images of Minsi Lake at Bangor Area High School Performing Arts Theater from 5:00-7:00 p.m. on Saturday, April 23. The theater is located next to the baseball field at 123 Five Points Richmond Road, Bangor, PA 18013.

Sixteen photographs of Lisa's choice will be framed and mounted on display panels on the theater balcony, while many more of her photos of scenery at Minsi Lake will be shown on continuous loop inside the theater.

"I started spending many early mornings at Minsi to find peace and connect with nature," Newberry said. "In those times, I find such an appreciation for the beauty and wonder all around the lake. The camera became a tool that opened my eyes to the things we tend to overlook in our busy day to day lives."

Complimentary refreshments will be served on

the theater balcony, from with amazing views of Blue Mountain and Delaware Water Gap. The photo exhibit is free-of-charge. However, Friends of Minsi Lake accept donations to support their efforts to improve natural and recreational resources at Minsi Lake and the Minsi Lake Greenway.
