# How Much Coffee Do Workers Need To Get Through a Day

**77% of coffee drinkers need two or more cups of coffee to feel productive**

**A** survey of 2,000 on-site employees found it takes about 16 minutes to leave one's desk, buy a drink and return, but with three such trips a week, employees end up losing an entire work week per year.

However, having a favorite beverage in hand can help kick-start one's day. To get their workday going, people usually get organized (60%), sip their favorite beverage (59%) and check their emails (55%).

While a hot cup of coffee (66%) is the most popular first drink of the day, participants also prefer cold drinks such as iced coffee (47%), water (45%) and flavored water (30%).

Conducted by OnePoll on behalf of multi-beverage system maker Flavia, the survey also found there may be a link between drink preference and productivity.

Seventy-seven percent of coffee drinkers need two or more cups of coffee to feel productive on a workday, with nearly a quarter (24%) noting Mondays were the day of the week they needed the most coffee.

Six in 10 (60%) turn to a hot cup of coffee to improve their mood at work, as well.

Sometimes, though, it takes getting creative with one's beverage to freshen things up. Nearly two-thirds (64%) "always" or "often" vary the type of drink they consume as the hours go by.

Aside from hot coffee (77%), people also drink water (70%), iced coffee (64%), tea (62%), juice (55%) and flavored water (51%) while they work, among other beverages.

"Over a third (37%) of those surveyed would like the ability to brew hot and cold beverages and more than a quarter (26%) want to be able to brew different kinds of beverages at work," said Camille Vareille, VP, Head of Marketing Americas, Lavazza Group.

Money spent on beverages also adds up quickly. While at the cafe, the average American buys about 2.5 drinks, totaling about \$16 per visit. With more than three visits to the café per week, that amounts to over \$2,800 a year.

"The survey revealed that nearly 87% of respondents were going into the office between two to three days a week. Over eight in 10 employees said having free beverages as a workplace perk would make them feel valued, and offering free beverages was the most requested perk to encourage employees to work from an office. Investing in an array of beverages on-site can not only save employees time and money but also help with bringing them back into the office," Vareille added.

## What Perks Would Encourage Employees To Work In An Office?

- Free beverages - 46%
- Required breaks - 45%
- Free food - 45%
- On-site gym - 43%
- Office lounge/social area - 42%
- Ability to bring pets to work - 36%
- Ability to bring kid to work - 29%
- On-site games - 22%
- In-person employee clubs - 14%

# SBRPD K-9 Zorro Debut

Slate Belt Regional Debut of K-9 Zorro On Thursday, May 18th at approx. 5:00pm., a new addition to the Slate Belt Regional Police Department will be debuted to the public. K-9 Zorro and his handler, Officer Joshua

Lowe, will be present at the Wind Gap Borough Municipal Building (545 East West Street, Wind Gap, PA) to be recognized as the Department's first Canine Unit. Also, as a K-9 fund raiser, SBRPD had a community logo contest to design the Department's K-9 t-shirt. Two designs, which were picked by the officers of the SBRPD, will be unveiled by the individuals who designed them.

The SBRPD K-9 began in May of 2022 when representatives Of Waste Management donated approx. \$61 ,000.00 to fund the beginning of the canine program. Through this donation, the Department was able to send Officer Lowe to a premier Canine Academy, identified as High Drive K-9, Inc., located at Belton, South Carolina, for a six (6) week training.

Officer Lowe was introduced, and trained extensively, with K-9 Zorro for the entire training period.

K-9 Zorro is a German Shephard/Malinois mix breed and is approx. 18 months old. He is trained, and certified, in obedience, article search, area search, tracking, building search, aggression control, narcotics detection: to include methamphetamine, heroin, cocaine and MDMA. Upon his both K-9 Zorro, and Officer Lowe, are mandated to continue with additional training weekly.

As previously mentioned, Waste Management provided a generous donation to "kick-off" the K-9 Program. However, additional donations from businesses and members of the community have helped tremendously with funding this initiative. At the May 18th Commission Meeting, Waste Management will be presenting the Commission/Department with an additional donation to complete the purchase of Officer Lowe's K-9 patrol car. This furthers the Department's commitment to fund the K-9 Program without placing a burden On the residents of the municipalities that we serve.

Should you like to contribute to the Slate Belt Regional Police Department K-9 Program, visit the SBRPD website at: [https://northampton.crimewatchpa.com/slatebeltpd/44211\\_content/donate](https://northampton.crimewatchpa.com/slatebeltpd/44211_content/donate) Or contact Slate Belt Regional Police Department 6292 Sullivan Trail Nazareth, PA 18064 610.759.8517

# Waste Management's Generous Donation to Knights' Order

*Riley Kocher (PAHS)*

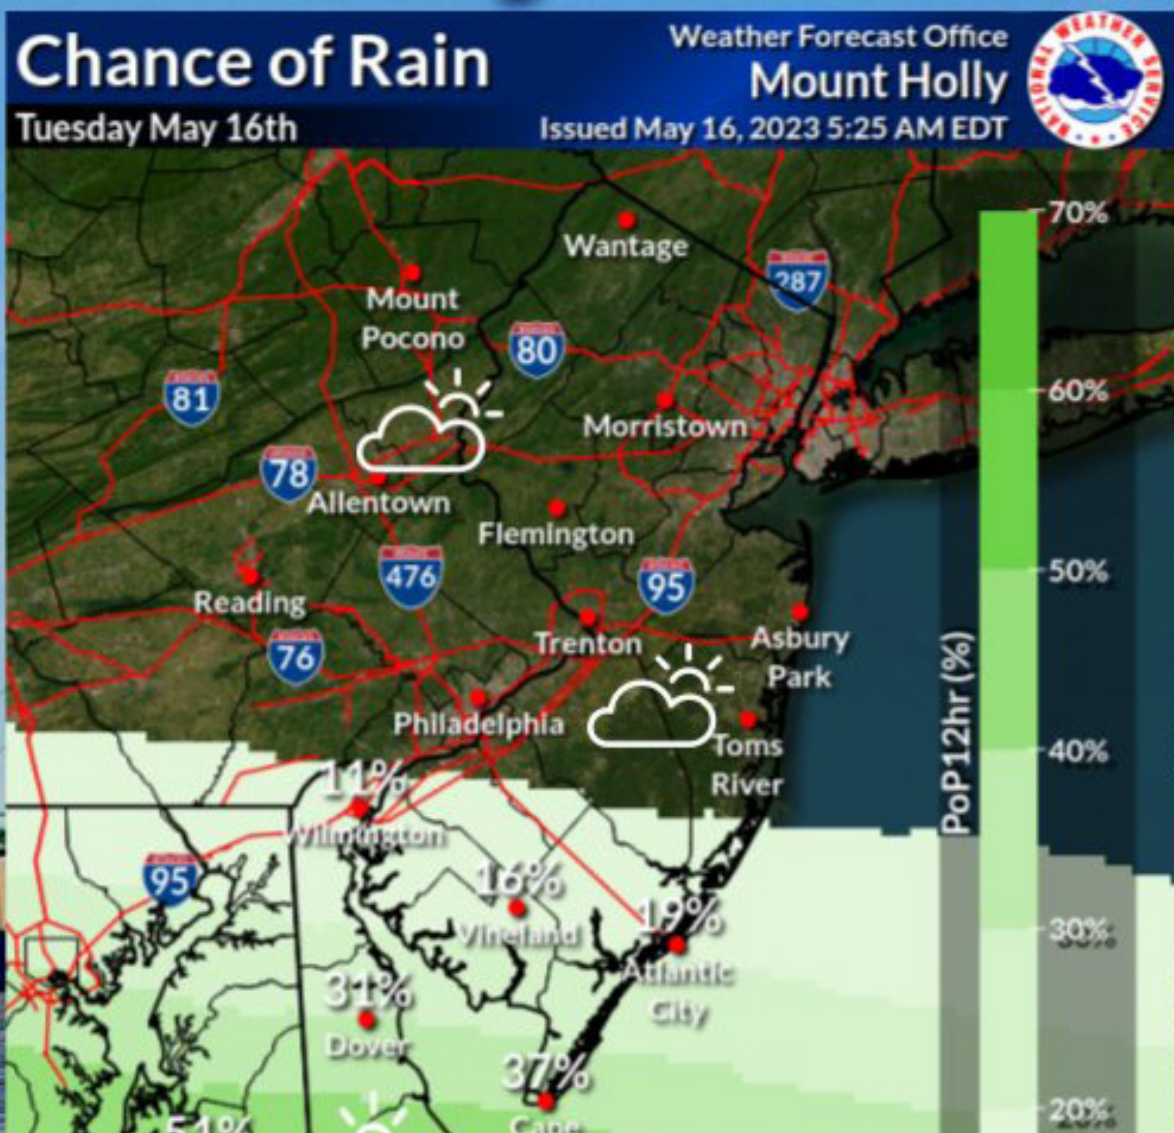

Last March Pen Argyl Area High School's Character Education program received a very generous donation of \$80,000 from Waste Management. The Knights' Order, the Character Education program at Pen Argyl High School is responsible for service projects throughout the school and community. The Knights' Order focuses on improving school climate, culture, and tolerance through hosting events and activities meant to showcase integrity, fortitude, diversity, and kindness.

Waste Management recognized all of the good we were doing for our school and made a 4-year commitment of giving us \$20,000 a year to help support our efforts. Just last week we received our second check of \$20,000 that we look forward to using in all of our future projects. So far Character Education has used the first check we received to pay for service learning projects, which give teachers the opportunity to help students better their education outside of the classroom by making real-world connections.

We were also able to pay for two teachers to be certified service learning instructors to help the rest of the faculty with these types of projects. We have also used the money to purchase flags which hang outside of our school and reinforce the Code of the Green Knights to students everyday. Another amazing thing we bought with our donation was two tents that all of the sports teams can use when the players go to games. The tents we purchased also have the Code of the Green Knights on them, which helps spread our message to not only Pen Argyl sport teams, but other schools that see them.

The Knights' Order was also able to use the donation we received from Waste Management to help kids with cancer by donating \$150 to Mini-Thon. We were also able to purchase customized cards that we write messages on for any student in Pen Argyl Area High School that accomplishes something or does a great thing. Character Education is very grateful for the money we received from Waste Management because with it we are able to help our school by spreading our message and making a positive impact on students' lives everyday. We are looking forward to continuing to do great things for our school with the generosity of Waste Management.

# Praying for Maya

Our little granddaughter Maya was airlifted to Children's Hospital of Philadelphia earlier with a brain bleed. Our family has been asking for lots of prayers lately. This one's super huge! Put her on a convoy of prayer chains. )

My husband came home last night from his monthly photography club meeting. Walked over to me and secretly handed me the cutest little group of miniature ducks. Right away I thought in my mind, Maya would love one of those. Because she has a fascination for tiny little creatures. Of any nature. And I began to think.

So hence begins my quest from everyone out there seeing this message. Today begins MAYAS Miniature Collect till She's Home. I am asking for a favor from any one of you reading this. Send or drop off a mini of your choice for Maya to give hope and encouragement for her to come home healed. PM me for address. Thank you, God Bless (this mini is about the size of an adult's fingernail) but use your own judgement.

The bleeding in her brain has stopped, however she has an infection and won't be home anytime soon.

# Pen Argyl Area High School Memorial Day Assembly

Pen Argyl Area High School will be hosting a Memorial Day Assembly on Thursday, May 25 from 8:00 a.m. to 9:30 a.m. in the Alumni Stadium of the high school. On May 25 the student body will gather outside for the student run assembly where speakers will talk about the importance of Memorial Day and the history behind it. In coordination with the branches of the military, many traditions and services will be held throughout the assembly to honor fallen soldiers.

The event will include a flag folding ceremony, complete with the playing of taps, using a flag we had flown over the United States Capitol. The goal of the assembly is to stress the importance of Memorial Day and honor all the brave men and women who served for our country and gave their lives protecting our nation.

The high school is also selling flags for anyone in the district to buy. The flags can be dedicated to honor a fallen soldier for their service to our country. These flags will then be planted in the front of the high school on the hill for everyone to see. Community involvement can include purchasing the flags and attending the assembly.

After this event we aim to have everyone understand the importance of Memorial Day and hope that everyone will remember the soldiers who have served. The Knights' Order, the Character Education program at Pen Argyl High School that organized the event, is responsible for service projects throughout the school and community. The Knights' Order focuses on improving school climate, culture, and tolerance through hosting events and activities meant to showcase integrity, fortitude, diversity, and kindness. The Knights' Order wanted to give back to the community that has been so supportive of their other initiatives.

## James Gloria Fine Arts Studio Classes For All Artists

The James Gloria Fine Arts Studio is now offering studio classes for artists of all levels, beginner to experienced — teen through adults.

### AI and the Artist

It seems that there are at least a few breathless articles a day about the power of Artificial Intelligence, and warnings about its potential pitfalls.

For artists, AI is presented as an existential threat; a device that will make artists obsolete. After all, anyone will be able to enter a few words into the AI program Dall-E and it will produce an image. Why hire an artist? Why paint for that matter when you can just order up an image in any style from a keypad.

This seems to miss the essence of why we make art. We mistake the product of a painting for the experience of painting. I paint to have an experience; for the challenge of the process. It reminds me of the 1970's intro to ABC's "Wide World of Sports"...I paint for "the thrill of victory and the agony of defeat...the human drama of ... competition".

Maybe painting a landscape outdoors isn't quite as risky as a ski jump, but grappling with visual challenges and learning a craft has its own rewards. And unlike the ski jump, you can do it safely for years to come.

Private classes tailored to your personal goals and abilities. Paint for fun or hone your skills and experiment with new techniques

- Learn the Fundamentals of Art and Design
- Hone skills of observation and perception
- Explore new media: watercolor, oils, sculpture and more
- Portfolio prep classes for art majors applying to college

# Skin Care Prevention

Did you know skin cancer is the most common type of cancer in the U.S. is skin cancer, estimated to affect one in five Americans in their lifetime? Fortunately, there are steps we can take to reduce our risk as summer arrives:

1. Apply sunscreen - When you're spending time outdoors, make sure to apply sunscreen with an SPF of at least 30 every two hours. It's especially important to do this between 10 a.m. and 4 p.m. when the sun's rays are strongest.
2. Cover up - Wearing protective clothing, like a wide-brimmed hat and long-sleeved shirt, can help protect your skin from the sun's harmful rays. Unlike sunscreen, which must be reapplied constantly, UPF clothing protects your skin from sun rays all day.
3. Seek shade - When possible, stay in the shade, especially during peak sun hours, or bring along a portable sun tent.
4. Check your skin - Be sure to regularly check your skin for any unusual spots or changes. If you notice anything suspicious, make an appointment with a dermatologist.
5. Protect your kids - Children's skin is especially sensitive, so make sure to apply sunscreen regularly and keep them covered up with hats and clothing.

Remember, prevention is key when it comes to skin cancer. By following these simple steps, you can ensure that you and your family have a safe, enjoyable, and sun-filled summer.
