## Slaters Suffer Heartbreaking, Extra-Inning Loss to Northwestern in Title Game

Bangor suffered a 9-8 loss to Northwestern in an extra inning heartbreaker at Pates Park Thursday night for the Colonial League championship.

With one loss each, the Slaters and Tigers were neck-and-neck throughout the season. Each survived the tournament to meet in the final and deciding game.

For nine innings last night the teams continued their race to the finish going to the final inning and final play of the final game to determine the winner. It's doubtful that Hollywood could have produced a better script. In the end, it was a game nobody should have to lose.

For most of the game, it appeared as though Bangor would come out on top. The Slaters scored three runs in the top of the first inning when Lexi Bussenger led off with a walk and scored on a triple by Kristina Langdon. RBI singles by Siera Klinge and Caitlyn Bussenger gave the Slaters a 3-0 lead.

Bangor stretched its lead to 5-1 in the third on a single by Sarah Harvat, a base hit by Klinge and Alexandria Carson's sacrifice fly.

Northwestern, however, put together five base hits in the fourth inning to reduce Bangor's lead to 5-4. Fortunately for Bangor, pitcher Nikki Smith put out the fire forcing a pair of routine fly-outs to end the inning.

The Slaters added a run in the top of the seventh when Lexi Bussenger slapped a single to left and Harvat reached base on an error. Courtesy runner

Jayleigh Figurski then scored on a Klinge single up the middle for a 6-4 lead going to the bottom of the seventh and potentially, the final inning.

The Tigers' Morgan Farthing, however, had other ideas when she homered over the centerfield fence to tie the game at 6-6 and send the game into extra innings.

Bangor went 3-up and 3-down in the top of the eighth, but Northwestern got two runners in scoring position in the bottom of the inning. Smith recorded one of her six strike outs and a ground out to end the inning and send the game into the ninth with the score still knotted at 6-6.

In top of the ninth, Lexi Bussenger singled to center, promptly stole second and scored on an error for a 7-6 lead going to the bottom of the ninth.

Smith got a strikeout and a ground out before walking the next batter in the bottom of the inning. From here, a series of plays, some stealthy base running by the Tigers and a bloop single put the Tigers on top for the first and only time in the game.

# Get Your Tail On The Trail' 165 Challenge Begins with a New Phone App

As participants begin the 165-Mile Challenge this year, they'll have a new app for the "Get Your Tail on the Trail" program, offered by St. Luke's University Health Network and the Delaware & Lehigh National Heritage Corridor (D&L). This free community initiative encourages people of all ages and abilities to meet their personal fitness goals.

From May 1 to November 8, the 165-Mile Challenge encourages participants to log 165 miles of exercise, such as walking, hiking, running, biking or paddling on the D& L trails or anywhere they choose.

- Logging miles and staying motivated has never been easier with our new app:
- Get exclusive content about nutrition, events and upcoming challenges
- Earn badges for your achievements based on your activity log
- Stay engaged all year round in activities and challenges
- Keep informed about your chapter and any organizations you are a member of
- Experience virtual tours of different parts of the trail
- Receive great prizes

To register, go to Get Your Tail on the Trail.

"Get Your Tail on the Trail" participants register for free as an individual or as part of an organization

## Aging Agency Call Line

Lamont McClure and the Area Agency on Aging Division (AAA) are operating a call line on Friday mornings for Northampton County Seniors to make appointments for COVID-19 vaccinations. This service is intended for those who lack computer or internet access. AAA staff members will make 100 appointments per clinic date. Vaccination clinics will be held at the Wind Creek Event Center at 77 Wind Creek Blvd. Bethlehem, PA.

Residents of Bethlehem City and Northampton County who are age sixty-five and older can call 610-865-7092 to schedule an appointment for a

and log the miles doing a continuous activity for 10 minutes or more. While the program doesn't require participants to exercise exclusively on the 165-mile D&L Trail, it is a great centerpiece resource. The trail stretches from Wilkes-Barre to Bristol, Pennsylvania.

In addition to the 165-Mile Challenge that runs each May to November, there are special events throughout the year, including bike and hike outings, health fairs, history walks and more. Since we launched in 2013, close to 10,000 participants have logged over 5 million miles. Those who complete the challenge receive a reward. Past rewards have included t-shirts, hats, backpacks, and rain ponchos.

"Our goal is straightforward: To get people outside and get them active," says Kathy Ramson, St. Luke's Network Director for Healthy Living and Chronic Disease. "We want people to be physically active because it is one of the best ways to prevent chronic disease. There's a good deal of data that show that if you exercise 150 minutes a week, you're going to have better health outcomes overall."
