MEMORIAL DAY

REMEMBER AND HONOR

Pen Argyl Students Honor the Fallen Amid COVID

by Hannah Bonanducci

Every year at Pen Argyl High School, The Knights' Order hosts a Memorial Day assembly at the school to honor the fallen and raise awareness about the holiday. Last year, the assembly was cancelled, and it was looking like the same would happen this year when junior Graham Rose stepped up to take on the challenge.

"I've always felt a deep sense of duty when it comes to partaking in Memorial Day services," Rose said. "As I got older and became a freshman at Pen Argyl, I took on a greater role in ceremonies. I enjoyed speaking to crowds and reading speeches like Flanders Field or the Gettysburg Address next to high-ranking military members and politicians.

"When I heard there was talk of not having a Memorial Day service, I took it upon myself to organize a video for the school to be played around Memorial Day," he continued. "I worked with other students and teachers, and we were able to set up a symbolic Table for the Fallen, Memorial Day video, and array of dedicated flags in the front lawn."

The video featured students playing the national anthem and giving speeches on the importance of the

day. Rose also reached out to local representatives Ann Flood and Mario Scavello, who also gave their own speeches in the video.

"These two people often see the impact that fallen soldiers have in a small community," Rose said. "I feel that it is important for students at the high school to see their representatives and build that connection that we're all in this together."

In the end, Rose's hope is to remind everyone to take a moment to remember why the holiday was first created.

"Almost everybody in America knows somebody who has given the ultimate sacrifice in order to keep us safe," Rose said. "I hope to inspire other students to take advantage of these opportunities to honor those who have fallen defending our freedom and express their thankfulness, no matter how big or small the act may be."

The video is available on the Pen Argyl HS Media YouTube page for everyone to watch. As we celebrate this holiday, be sure to take a moment to honor and appreciate those who have made the ultimate sacrifice for our freedom

Get Your Tail On The Trail' 165 Challenge Begins with a New Phone App

As participants begin the 165-Mile Challenge this year, they'll have a new app for the "Get Your Tail on the Trail" program, offered by St. Luke's University Health Network and the Delaware & Lehigh National Heritage Corridor (D&L). This free community initiative encourages people of all ages and abilities to meet their personal fitness goals.

From May 1 to November 8, the 165-Mile Challenge encourages participants to log 165 miles of exercise, such as walking, hiking, running, biking or paddling on the D&L trails or anywhere they choose.

- Logging miles and staying motivated has never been easier with our new app:
- Get exclusive content about nutrition, events and upcoming challenges
- Earn badges for your achievements based on your activity log
- Stay engaged all year round in activities and challenges
- Keep informed about your chapter and any organizations you are a member of
- Experience virtual tours of different parts of the trail
- Receive great prizes

Aging Agency Call Line

Lamont McClure and the Area Agency on Aging Division (AAA) are operating a call line on Friday mornings for Northampton County Seniors to make appointments for COVID-19 vaccinations. This service is intended for those who lack computer or internet access. AAA staff members will make 100 appointments per clinic date. Vaccination clinics will be held at the Wind Creek Event Center at 77 Wind Creek Blvd. Bethlehem, PA.

Residents of Bethlehem City and Northampton County who are age sixty-five and older can call 610-865-7092 to schedule an appointment for a vaccination. AAA employees will also assist with registration at the Wind Creek clinics.

Remember all the restaurants and small businesses that you've asked for years and years to donate to your clubs, events, and organizations? They're calling in a favor. Answer the call.

To register, go to Get Your Tail on the Trail.

"Get Your Tail on the Trail" participants register for free as an individual or as part of an organization and log the miles doing a continuous activity for 10 minutes or more. While the program doesn't require participants to exercise exclusively on the 165-mile D&L Trail, it is a great centerpiece resource. The trail stretches from Wilkes-Barre to Bristol, Pennsylvania.

In addition to the 165-Mile Challenge that runs each May to November, there are special events throughout the year, including bike and hike outings, health fairs, history walks and more. Since we launched in 2013, close to 10,000 participants have logged over 5 million miles.

Those who complete the challenge receive a reward. Past rewards have included t-shirts, hats, backpacks, and rain ponchos.

"Our goal is straightforward: To get people outside and get them active," says Kathy Ramson, St. Luke's Network Director for Healthy Living and Chronic Disease.

"We want people to be physically active because it is one of the best ways to prevent chronic disease. There's a good deal of data that show that if you exercise 150 minutes a week, you're going to have better health outcomes overall."

Youth Lacrosse Program Gaining Traction in Bangor Area

Bangor Slaters Lacrosse was started by three moms; Becky Dancho, Dawn Gurski and Nichla Huggins-Pierre, who saw a need for lacrosse due to a growing number of kids venturing outside our community to find youth lacrosse programs.

This year they entered a boys middle school group in the Lehigh Valley Youth Lacrosse program, competing against other colonial league schools. Their goal is to build a feeder program by adding more teams each year in all age levels. Ultimately they hope to have a full, all-ages program and get the support of the Bangor Area School District to add a lacrosse program to the high school in the near future.

Their program would not be where it is without their sponsors. They thank all of their sponsors for their support and donations to help get the program up and running.

For more information on Bangor Lacrosse, email then at slaterslax@gmail.com or check them out on Facebook at bangorlacrosse. *Photos: Kris Ordinsky Parks*
