## Winking Judge Bans Elf on the Shelf

MARIETTA, Ga. (AP) — Santa may have fewer eyes in homes this Christmas season after a Georgia judge — jokingly — banned the Elf on the Shelf.

Cobb County Superior Court Chief Judge Robert Leonard posted a mock order on Twitter Thursday banishing these elves.

“Tired of living in Elf on the Shelf tyranny? Not looking forward to the Elf forgetting to move and causing your kids emotional distress? I am a public servant and will take the heat for you. My gift to tired parents,” Leonard tweeted.

According to the holiday tradition, the elves hide in homes for weeks before Christmas and report back to Santa on who’s been naughty and nice. The elf dolls are supposed to move to a different location each night.

“Inexplicably, Elves sometimes move and don’t move overnight. When those Elves do not move, it leaves our children of tender years in states of extreme emotional distress,” Leonard wrote in his order.

## America Recycles Day

Each year on November 15, millions of people across the United States take part in America Recycles Day. The day raises awareness about recycling and the purchasing of recycled products.

How we recycle and reuse products are important. For example, one-use water bottles flood America’s waterways and landfills at a rate of 60 million per day. Reducing this number can be achieved with water filtration devices and using portable re-usable drinking bottles and cups.

Reduce waste by repurposing and reusing old items. One way to do this is by shopping at secondhand stores. Not only does it prevent items from ending up in the landfill, but it also saves you money.

# Baby Fae, Infant Who Received Baboon Heart Transplant, Dies

“Baby Fae,” a month-old infant who had received a baboon-heart transplant, dies at Loma Linda University Medical Center in Loma Linda, California.

The infant, named Baby Fae by doctors to protect her parents’ anonymity, was born with hypoplastic left-heart syndrome, an almost always fatal deformity found in newborns in which parts or all of the left side of the heart is missing. A few days after Baby Fae’s birth, Loma Linda heart surgeon Dr. Leonard L. Bailey convinced Baby Fae’s mother to allow him

to try the experimental baboon-heart transplant. Three other humans had received animal-heart transplants, the last in 1977, but none survived longer than 3 1/2 days. Bailey argued that an infant with an underdeveloped immune system would be less likely to reject alien tissue than an adult.

On October 26, Bailey performed the world’s first baboon-to-human heart transplant, replacing the 14-day-old infant’s defective heart with the healthy, walnut-size heart of a young baboon. Baby Fae survived the dangerous operation, and her subsequent struggle for life received international attention. After living longer than any other human recipient of an animal heart, Baby Fae’s body made a concerted effort to reject the alien transplant. Doctors were forced to increase dosages of an immuno-suppressive drug, which caused kidney failure. Ultimately, doctors were defeated by the swift onset of heart failure, and on November 15 Baby Fae died, after holding on for 20 days.

## Stuff the Bus Donations

The Pen Argyl Area High School's students and staff are preparing for another productive year of Stuff the Bus. The school's Knights' Order team received a full-sized bus this year from Brandywine Bus Company after an overwhelming donation response last year. They are hoping to continue that response to fill the entire bus and donate it all to Families First, a nonprofit organization that assists low-income families in the school district. Donations will be collected in the Pen Argyl High School parking lot from November 1-19 between 7:00am and 7:30am and again between 2:30pm and 2:45pm during the weekdays. Donation boxes will also be set up at Waste Management and Woodstone Country Club for collections during their operating hours.

Donations could include canned goods (such as fruits or vegetables), stuffing, instant mashed potatoes, gravy mix, and other items like cereal, oatmeal, soups, etc. They also need paper products, gloves, hats, gift cards for meals, and turkeys.

## Appointments Required for Vaccines at LVHN

Lehigh Valley, Pa. (Oct. 29, 2021) – Beginning Monday, Nov. 1, Lehigh Valley Health Network (LVHN) will offer COVID-19 vaccinations, including booster shots, through appointment only. Walk-in vaccinations are no longer available at this time.

They have made this change in response to an increased demand for vaccines and booster shots, and in anticipation of the Pfizer/BioNTech vaccine receiving emergency use authorization (EUA) for children ages 5-11. Appointment-only vaccinations support the safety and experience of those receiving vaccines under our care, allowing our clinicians to adequately plan and prepare for the number of individuals expected at each location.

You can schedule an appointment for a booster dose or first dose by calling our vaccine hotline at 833-584-6283 (833-LVHN-CVD) Monday–Friday, 8:30 a.m.–5:30 p.m. or by using MyLVHN, our patient portal.
