## Lower Mt. Bethel Township Fire Company Awarded EMS Grant Funds

Congratulations to the Lower Mt. Bethel Township Fire Company on receiving \$42,900 in emergency service funding to complete various facility upgrades. The funding will go toward the following projects:

Replacing flat roof on the original section of the building that was built in 1960. Since the original roof has only seen repairs, it is in desperate need of replacement.

Replacing the exterior metal siding on the original building and on the larger apparatus bay. This is a crucial necessity due to the rusted metal as well as broken fasteners.

Replacing the concrete aprons around the front of their building, which transitions the building floor and the blacktop driveway. These are cracked and worn from age and larger fire equipment use.

## Plainfield Township Seeks Public Input on Regulations Regarding the Quality of Fill

Plainfield Township officials are discussing a draft zoning amendment that would assist in carrying out State environmental regulations to prevent the use of contaminated fill. Plainfield Township would not set its own environmental standards for fill, but would require additional local oversight of large fill operations. The draft ordinance would also require professional independent testing of a sampling of large fill operations, if the State did not require testing.

The draft amendment will be discussed at a meeting of the Plainfield Township Environmental Advisory Council on Monday, November 1, 2021 (7:00 PM), at the Plainfield Township Municipal Building, which is located at 6292 Sullivan Trail, Nazareth, PA 18064. The public is invited to attend. There also will be a later public hearing by the Board of Supervisors, before the amendment would be considered for adoption.

The draft amendment is attached for reference. Alternatively, it can be found at the following link to the Township website:

<https://plainfieldtownship.org/meeting-agenda-and-meetings/environmental-advisory-council-agenda-and-meeting-minutes/>

Plainfield Township includes dozens of inactive quarries, which are mostly former slate quarries. A goal of this project is to promote returning former quarries to a productive use, but in a way that makes sure that the activity occurs in an environmentally safe manner that will protect groundwater, creeks and public health.

The contamination risks are particularly high in quarries that have water or that are close to the water table or where contaminants could reach groundwater or surface waters. It is much more difficult to address contamination after it occurs, and much more difficult to remove contaminated materials than to dump them.

## National Autistics Speaking Day

We all look at the world in our own unique ways. However, people with autism experience the world differently from most of us. They approach the world in often novel ways. Maybe one of the most important ways we all connect to and understand the world is through communication. Autistics Speaking Day on November 1 encourages autistic people to tell their stories using whatever means works for them. And everyone else is encouraged to listen, hear, read, and comprehend their stories from their point of view.

On November 1, autistic people will flood the internet with their challenges and their celebrations, their interests, and their dislikes. They will speak about their rights and advocacy in many languages. Some may speak with art, others with poetry or memes. They may also be speaking through podcasts. Their words and stories may be difficult to hear, but

they will be speaking. But, most importantly, they will be speaking about themselves for themselves. And if you want to understand, it will be a day for you to listen.

## Stuff the Bus Donations

The Pen Argyl Area High School's students and staff are preparing for another productive year of Stuff the Bus. The school's Knights' Order team received a full-sized bus this year from Brandywine Bus Company after an overwhelming donation response last year. They are hoping to continue that response to fill the entire bus and donate it all to Families First, a nonprofit organization that assists low-income families in the school district. Donations will be collected in the Pen Argyl High School parking lot from November 1-19 between 7:00am and 7:30am and again between 2:30pm and 2:45pm during the weekdays. Donation boxes will also be set up at Waste Management and Woodstone Country Club for collections during their operating hours.

Donations could include canned goods (such as fruits or vegetables), stuffing, instant mashed potatoes, gravy mix, and other items like cereal, oatmeal, soups, etc. They also need paper products, gloves, hats, gift cards for meals, and turkeys.

## Appointments Required for Vaccines at LVHN

Lehigh Valley, Pa. (Oct. 29, 2021) – Beginning Monday, Nov. 1, Lehigh Valley Health Network (LVHN) will offer COVID-19 vaccinations, including booster shots, through appointment only. Walk-in vaccinations are no longer available at this time.

They have made this change in response to an increased demand for vaccines and booster shots, and in anticipation of the Pfizer/BioNTech vaccine receiving emergency use authorization (EUA) for children ages 5-11. Appointment-only vaccinations support the safety and experience of those receiving vaccines under our care, allowing our clinicians to adequately plan and prepare for the number of individuals expected at each location.

You can schedule an appointment for a booster dose or first dose by calling our vaccine hotline at 833-584-6283 (833-LVHN-CVD) Monday–Friday, 8:30 a.m.–5:30 p.m. or by using MyLVHN, our patient portal.
