Does Everyone Need a 5G Smartphone?

Thanks to 5G, the next era of wireless technology is going mainstream, and there are a ton of benefits to upgrading to the latest iPhone with 5G. Here's why?

1. Do it for the Network: It is the single most important reason to ditch your old smartphone. 5G capable iPhone models give you access to your wireless provider's 5G network – providing faster downloads speeds and a better overall experience than LTE. Apple introduced the first 5G iPhone in 2020, which means you're long overdue to experience the full power of your network.
2. Do it for the Features: According to Statista, the most desired features people want in a smartphone are longer battery life, ease of use, storage capacity and a high-quality camera. With the newest iPhone, you can get all these tech savvy developments and more. Apple just announced the all-new iPhone 13 lineup that taps into an advanced 5G experience with more 5G bands than iPhone 12, working in more places on 5G for greater coverage and performance than before. Apple also introduced the best battery life ever on iPhone with iPhone 13 Pro Max, lasting up to two and a half hours longer in a day than iPhone 12 Pro Max, and a new storage capacity of 1TB. The entire lineup also features unparalleled new camera systems.
3. Do it for the Productivity: Whether working from home or back at the office, more Americans are using their personal phones to conduct business – about 50% according to a recent study from Strategy Analytics.
4. Do it for the Deals: Many wireless providers run promotions on the latest smartphones, giving you the ability to trade in your older model for a better experience..(StatePoint)

German scientist discovers X-rays

On November 8, 1895, physicist Wilhelm Conrad Röntgen (1845-1923) becomes the first person to observe X-rays, a significant scientific advancement that would ultimately benefit a variety of fields, most of all medicine, by making the invisible visible.

Röntgen's discovery occurred accidentally in his Wurzburg, Germany, lab, where he was testing whether cathode rays could pass through glass when he noticed a glow coming from a nearby chemically coated screen. He dubbed the rays that caused this glow X-rays because of their unknown nature.

X-rays are electromagnetic energy waves that act similarly to light rays, but at wavelengths approximately 1,000 times shorter than those of light. Röntgen holed up in his lab and conducted a series of experiments

to better understand his discovery. He learned that X-rays penetrate human flesh but not higher-density substances such as bone or lead and that they can be photographed.

National Harvey Wallbanger Day

National Harvey Wallbanger Day on November 8th recognizes a fruity and spirited cocktail made with 3 parts vodka, 1 part Galliano and 6 parts orange juice. Pour it into a highball glass and garnish it with an orange slice and a maraschino cherry.

In 1968 at a chili tasting in San Diego, hosts served Harvey Wallbangers along with a story explaining the cocktail's origin. According to the story, all that remained of a Laguna Beach party included vodka, Galliano, and orange juice. When the party-goers left, Harvey remained, banging his head against the wall.

Which capital city is spread across 14 islands?

As the capital of Sweden, Stockholm is the largest city in Scandinavia. The city stretches across 14 islands, where Lake Mälaren flows into the Baltic Sea. Known for its beautiful architecture and many bridges, Stockholm is also home to the Nobel Prize Museum, which produces its famous award ceremony each year. While Stockholm is far from the largest European city (paling in comparison to Paris, Berlin, and other major European capitals), it's sometimes known as the World's Smallest Big City.

To borrow equipment, you must provide a driver's license or other form of state issued identification. For more information call 610-746-2801 or email jacobsburgsp@pa.gov. You can check our website for current winter conditions and snow depth: <https://www.dcnr.pa.gov/StateParks/WinterReport/Pages/default.aspx>

Stuff the Bus Donations

The Pen Argyl Area High School's students and staff are preparing for another productive year of Stuff the Bus. The school's Knights' Order team received a full-sized bus this year from Brandywine Bus Company after an overwhelming donation response last year. They are hoping to continue that response to fill the entire bus and donate it all to Families First, a nonprofit organization that assists low-income families in the school district. Donations will be collected in the Pen Argyl High School parking lot from November 1-19 between 7:00am and 7:30am and again between 2:30pm and 2:45pm during the weekdays. Donation boxes will also be set up at Waste Management and Woodstone Country Club for collections during their operating hours.

Donations could include canned goods (such as fruits or vegetables), stuffing, instant mashed potatoes, gravy mix, and other items like cereal, oatmeal, soups, etc. They also need paper products, gloves, hats, gift cards for meals, and turkeys.

Hotline for Human Services

Northampton County has a 24-hour Emergency hotline for all Human Services-related emergencies. Anyone struggling with a mental health crisis, abuse, neglect, suicidal thoughts, evictions, substance abuse, food insecurity, etc. can call 610-252-9060 for help and referrals.

Fall Story Hour

The Blue Mountain Community Library will once again be offering Story Hour to pre-school children. The Fall Program will be held at Weona Park under the large pavilion on alternate Wednesdays in September, October and November, weather permitting. The dates are Sept. 15 and 29; Oct. 13 and 27; and Nov. 10. The programs will begin at 10:30 am and consist of two stories, singing and rhythm sticks, and a craft.

The programs are free to all, but a reservation must be made by the Monday before the program in order that we will have a craft kit for each child. Call the Library at 610-863-3029 to make a reservation

Appointments Required for Vaccines at LVHN

Lehigh Valley, Pa. (Oct. 29, 2021) – Beginning Monday, Nov. 1, Lehigh Valley Health Network (LVHN) will offer COVID-19 vaccinations, including booster shots, through appointment only. Walk-in vaccinations are no longer available at this time.

They have made this change in response to an increased demand for vaccines and booster shots, and in anticipation of the Pfizer/BioNTech vaccine receiving emergency use authorization (EUA) for children ages 5-11. Appointment-only vaccinations support the safety and experience of those receiving vaccines under our care, allowing our clinicians to adequately plan and prepare for the number of individuals expected at each location.

You can schedule an appointment for a booster dose or first dose by calling our vaccine hotline at 833-584-6283 (833-LVHN-CVD) Monday–Friday, 8:30 a.m.–5:30 p.m. or by using MyLVHN, our patient portal.
