Allergy Index - **0** Scale of 0--10 w/0 having the least air-born allergens and 10 the most)

## This Day In History

### Howard Hughes's "Spruce Goose" flies

The Hughes Flying Boat—at one time the largest aircraft ever built—is piloted by designer Howard Hughes on its first and only flight. Built with laminated birch and spruce (hence the nickname the Spruce Goose) the massive wooden aircraft had a wingspan longer than a football field and was designed to carry more than 700 men to battle.

Howard Hughes was a successful Hollywood movie producer when he founded the Hughes Aircraft Company in 1932. He personally tested cutting-edge aircraft of his own design and in 1937 broke the transcontinental flight-time record. In 1938, he flew around the world in a record three days, 19 hours, and 14 minutes.

Following the U.S. entrance into World War II in 1941, the U.S. government commissioned the Hughes Aircraft Company to build a

large flying boat capable of carrying men and materials over long distances. The concept for what would become the "Spruce Goose" was originally conceived by the industrialist Henry Kaiser, but Kaiser dropped out of the project early, leaving Hughes and his small team to make the H-4 a reality.

## Christmas Tree Fundraiser

The Blue Mountain Community Library is sponsoring a Christmas Tree Fundraiser. Anyone wishing to honor or memorialize a loved one or a pet may purchase an ornament to hang on our Christmas Tree for \$5.00 each. The Fundraiser will continue through December.

The BMCL's BOOK NOOK is your place for one stop shopping for the reader on your Holiday List. It is a room filled with giftable books including Adult Fiction and Non-Fiction, Children and Young Adult Fiction and Non-Fiction, Large Print and Classics, as well as Puzzles and DVD's. During the months of November and December, all Cookbooks are Buy One, Get One.

The Blue Mountain Community Library is located at 216 S. Robinson Ave. in Pen Argyl. Hours are 10-12, Monday thru Saturday mornings and 6-8, Monday and Thursday evenings. All information is available on their Facebook page and website @[www.bmcl.org](http://www.bmcl.org).

## Brady Ferguson's Cancer Benefit

Brady Ferguson's Cancer Benefit will be held at Chelsea Sun Inn, 487 Stone Church Road, Mt Bethel, Wednesday, November 9, 2022 At 5 pm – 10 pm

On October 19, 2021, we noticed a lump on Brady's neck, almost the size of a tennis ball. I took him to the Monroe ER, where they did a CT Scan. The results were that there was a mass pressing against his trachea and causing his windpipe to almost close. Nothing prepares you for the moment when a doctor comes up to you to say that your kid, will be transported by helicopter (by himself - without anyone he knows) to Children's Hospital of Philadelphia - two hours away from you!!! We were all terrified. My husband and I drove to Philly and met Brady in a room in the ER. We stayed at CHOP for 21 days. The biopsy results were that was diagnosed with a rare form of cancer called NTRK Spindle Cell Neoplasm. Brady is on a pill form of chemo that he takes at home twice a day. It gives him chemo withdrawal - his whole body aches, sometimes to the point where he can't move, and also has gained weight from it. The chemo doesn't make him get sick or lose his hair.

They have to go to CHOP at least once a month for his bloodwork and chemo refill. Sometimes we have to go twice a month for scans, and sometimes three times a month for new doctors that come with childhood cancer.

They are having this benefit to raise money to help with medical expenses.

They are having Clever Girl Winery, Stone Lake Winery, Allegheny Creek Brewery, Hardball Cider, Kitchen Outlawz, Pies In A Cone, The Cody Templeton Band, Dose Band, A Cornhole Tournament, Tricky Tray, 50/50. And Just Stringing Around With Lisa String Art

Monetary Donations can be made through:

## Hearts From Donors Who Died With Covid-19 Can Be Used In Transplants

**By Mark Waghorn via SWNS**

Hearts from donors who died with COVID-19 can still be safely used in transplants, according to new research.

A study of dozens of recipients found they are as safe as ones from people without the virus.

Lead author Samuel Kim said: “These findings suggest we may be able to be more aggressive about accepting donors when patients are in dire need of an organ for heart transplantation.”

They are based on the first 84 people to be given hearts from COVID-19-positive donors.

There was no increase in mortality or complications.

What is more, none died from respiratory causes or infections. The researchers were surprised by the results.

Kim, a medical student at the University of California, Los Angeles, said: “Specifically, we thought death from respiratory or lung-related causes would be a problem among recipients receiving donor hearts with COVID-19.

“Yet, we found no such differences, and in fact, this study offers early evidence COVID-19-positive donor hearts may be as safe as hearts without COVID-19 for heart transplantation.”

The NHS says there are no confirmed cases of transmission through organ donation.

But if someone has the coronavirus they will not be able to donate.

Demand for heart transplants has doubled in the past 30 years. In the UK, hundreds are on the waiting list.

Organ donations plunged by almost a third during the pandemic owing to many potential candidates dying in the community rather than in the

hospital. Kim said: “Despite the increased need for this operation, there is a continued shortage of available donor organs for people in need of transplantation.

“The pandemic made things worse with an increased rate of donors testing positive for COVID-19, which generally renders the donors unsuitable for transplantation.

“However, several academic centers have started to use COVID-19-positive donor hearts for transplantation in recent months and have reported good results.”

Kim’s team analyzed data from the United Network for Organ Sharing, looking at all 3,289 adult heart transplants in the US from February 2021 to March 2022.

Death rates in the hospital and within 30 days of the procedure were similar for both groups.

There was also no significant difference in problems such as graft failure, where the body rejects the new organ, and lung conditions.

The average hospital stay for those receiving a COVID-19-positive donor heart was 15 days - against 17 days for patients whose donor did not have the virus.

More than 96 percent of the former survived the first 30 days - almost exactly the same as the latter.

None of the four deaths were linked to COVID-19. Organ rejection occurred in less than two and a half percent, and one percent, respectively.

Professor Eldrin Lewis, a heart transplant specialist at Stanford University, California, who was not involved in the study, said: “These findings provide evidence outcomes were similar at 30 days post-transplant among patients who received COVID-19-positive donor hearts, so the potential risks appear to be lower than expected.”

## Heritage Center Vets

The Slate Belt Heritage Center will hold its' Annual Veterans' Program on Sunday, November 13th @ 2:00 PM. Speaker for the afternoon will be Heath A. Thomas, Commander, United States Navy Retired. CDR Thomas will reflect on the history of Veteran's Day which began in 1919 when President Woodrow Wilson officially recognized the 11th of November as Armistice Day. A day to celebrate the armistice that brought about the end of World War I. It was a day to be filled with pride in the heroism of those who died in the country's service and with gratitude for the victory of the "Great War". Unfortunately, it was not the last war our country would be involved in. In 1954, President Eisenhower, signed the bill that changed Armistice Day to the Veterans Day we now celebrate. CDR Thomas will also relate what Veterans Day meant to him as a little boy growing up in Bangor. He began a 28 year military career after graduating from Bangor High School in 1985. He enlisted for six years in the United States Marine Corps as an OV10 Bronco Airplane Engine Mechanic. He then served 22 years as a Commissioned Officer and Naval Aviator flying helicopters in the United States Navy. He retired in September 2015 completing a very distinguished 28 year military career comprised of six years in the Marine Corps and 22 years in the Navy.

The event is free and open to the public with a special invitation to ALL VETERANS, from the area and beyond to attend and participate in this program, sharing their experiences. Refreshments will be served. The Heritage Center is located at 30 North 1st Street, Bangor, PA. For additional information please contact: Karen Brewer @ 484-894-5661.

**November 15**

## Bangor GFWC Meeting

The Bangor Womens Club GFWC will hold their monthly meeting on Tuesday November 15th at noon at Trinity United Church of Christ, (Route 611) 632 Delaware Drive, Mt Bethel, PA. The club will welcome Heide Cebrick, GFWC PA State President, who will speak on Healing Waters. This organization helps disabled war victims & vets recover from PTSD. Dedicated to the physical and emotional rehabilitation of disabled active military personnel. Heide's theme for the next two years

is helping vets, "We Got Their Six". Healing Waters Organization spends time with vets taking them fly fishing. We have invited veterans and other clubs to hear her speak on Healing Waters. We are also having as part of this project, James Wilson from the Northampton Parks, we are hoping to coordinate with Minsi Lake to take the Vets fishing for a day in the near future and he will help along with Sue Mausers husband John.

**November 25,26**

## Wreath & Luminary sale

A Wreath & Luminary sale will be held Friday Nov 25th and Saturday Nov 26th inside the Bangor Public Library. Beautifully decorated wreaths will be sold at various prices and luminaries are being sold 2/for \$5.00 with lights. Proceeds from this sale will be used for scholarships for local school students and other community projects.

**November 30**

## Free Screening Of My Ascension Suicide Prevention Documentary

The Bangor Area School District is proud to partner with the Northampton County Suicide Prevention Task Force to show the documentary, My Ascension, on November 30, 2022, from 6:00 – 8:30 p.m. at Bangor High

School. My Ascension is a documentary about sixteen-year-old Emma Benoit's attempted suicide, how she survived and how it propelled her on a mission to use her experience to help others find hope and stay alive.

The film also highlights the stories of two other young people who, tragically, did not survive their attempts and the devastating effects suicide can have on families and communities. Information about the film is available at [www.myascension.us](http://www.myascension.us)

A mental health community resource fair will be held before and after the movie, supplying information and support. The district is excited to welcome the following community partners to the fair:

- ☐ Bangor High School Avidum Student Club
- ☐ Bangor High School Student Assistance Program (SAP)
- ☐ Bradbury Sullivan
- ☐ Caron Foundation
- ☐ Center for Humanistic Change (CHC)
- ☐ Clean Slate
- ☐ Lehigh Valley Health Network (LVHN)

# Pen Argyl Band Had Successful Competitive Season

The “Biggest Little Band in All The Land.” has had an amazing competitive season in the Cavalcade of Bands competitive competition.

They’ve finished first in all their competitive shows this year under the direction of Mr. (Tim) Reiche, high school music teacher and band director.

He’s done an outstanding job with the small amount of members available as they’ve spent countless hours practicing their music and precision marching skills.

In the Nazareth competition where the band won not only first place in their Independence A division, but an award against 15 other bands all much larger, presented by a representative of the United States Marine Corp and his companion.

The award, ‘esprit de corps,’ translates to a “feeling of pride, fellowship, and common loyalty shared by the members of a particular group.” “they developed some esprit de corps through athletics competitions.” French definition is “Literally, ‘spirit of body.’”

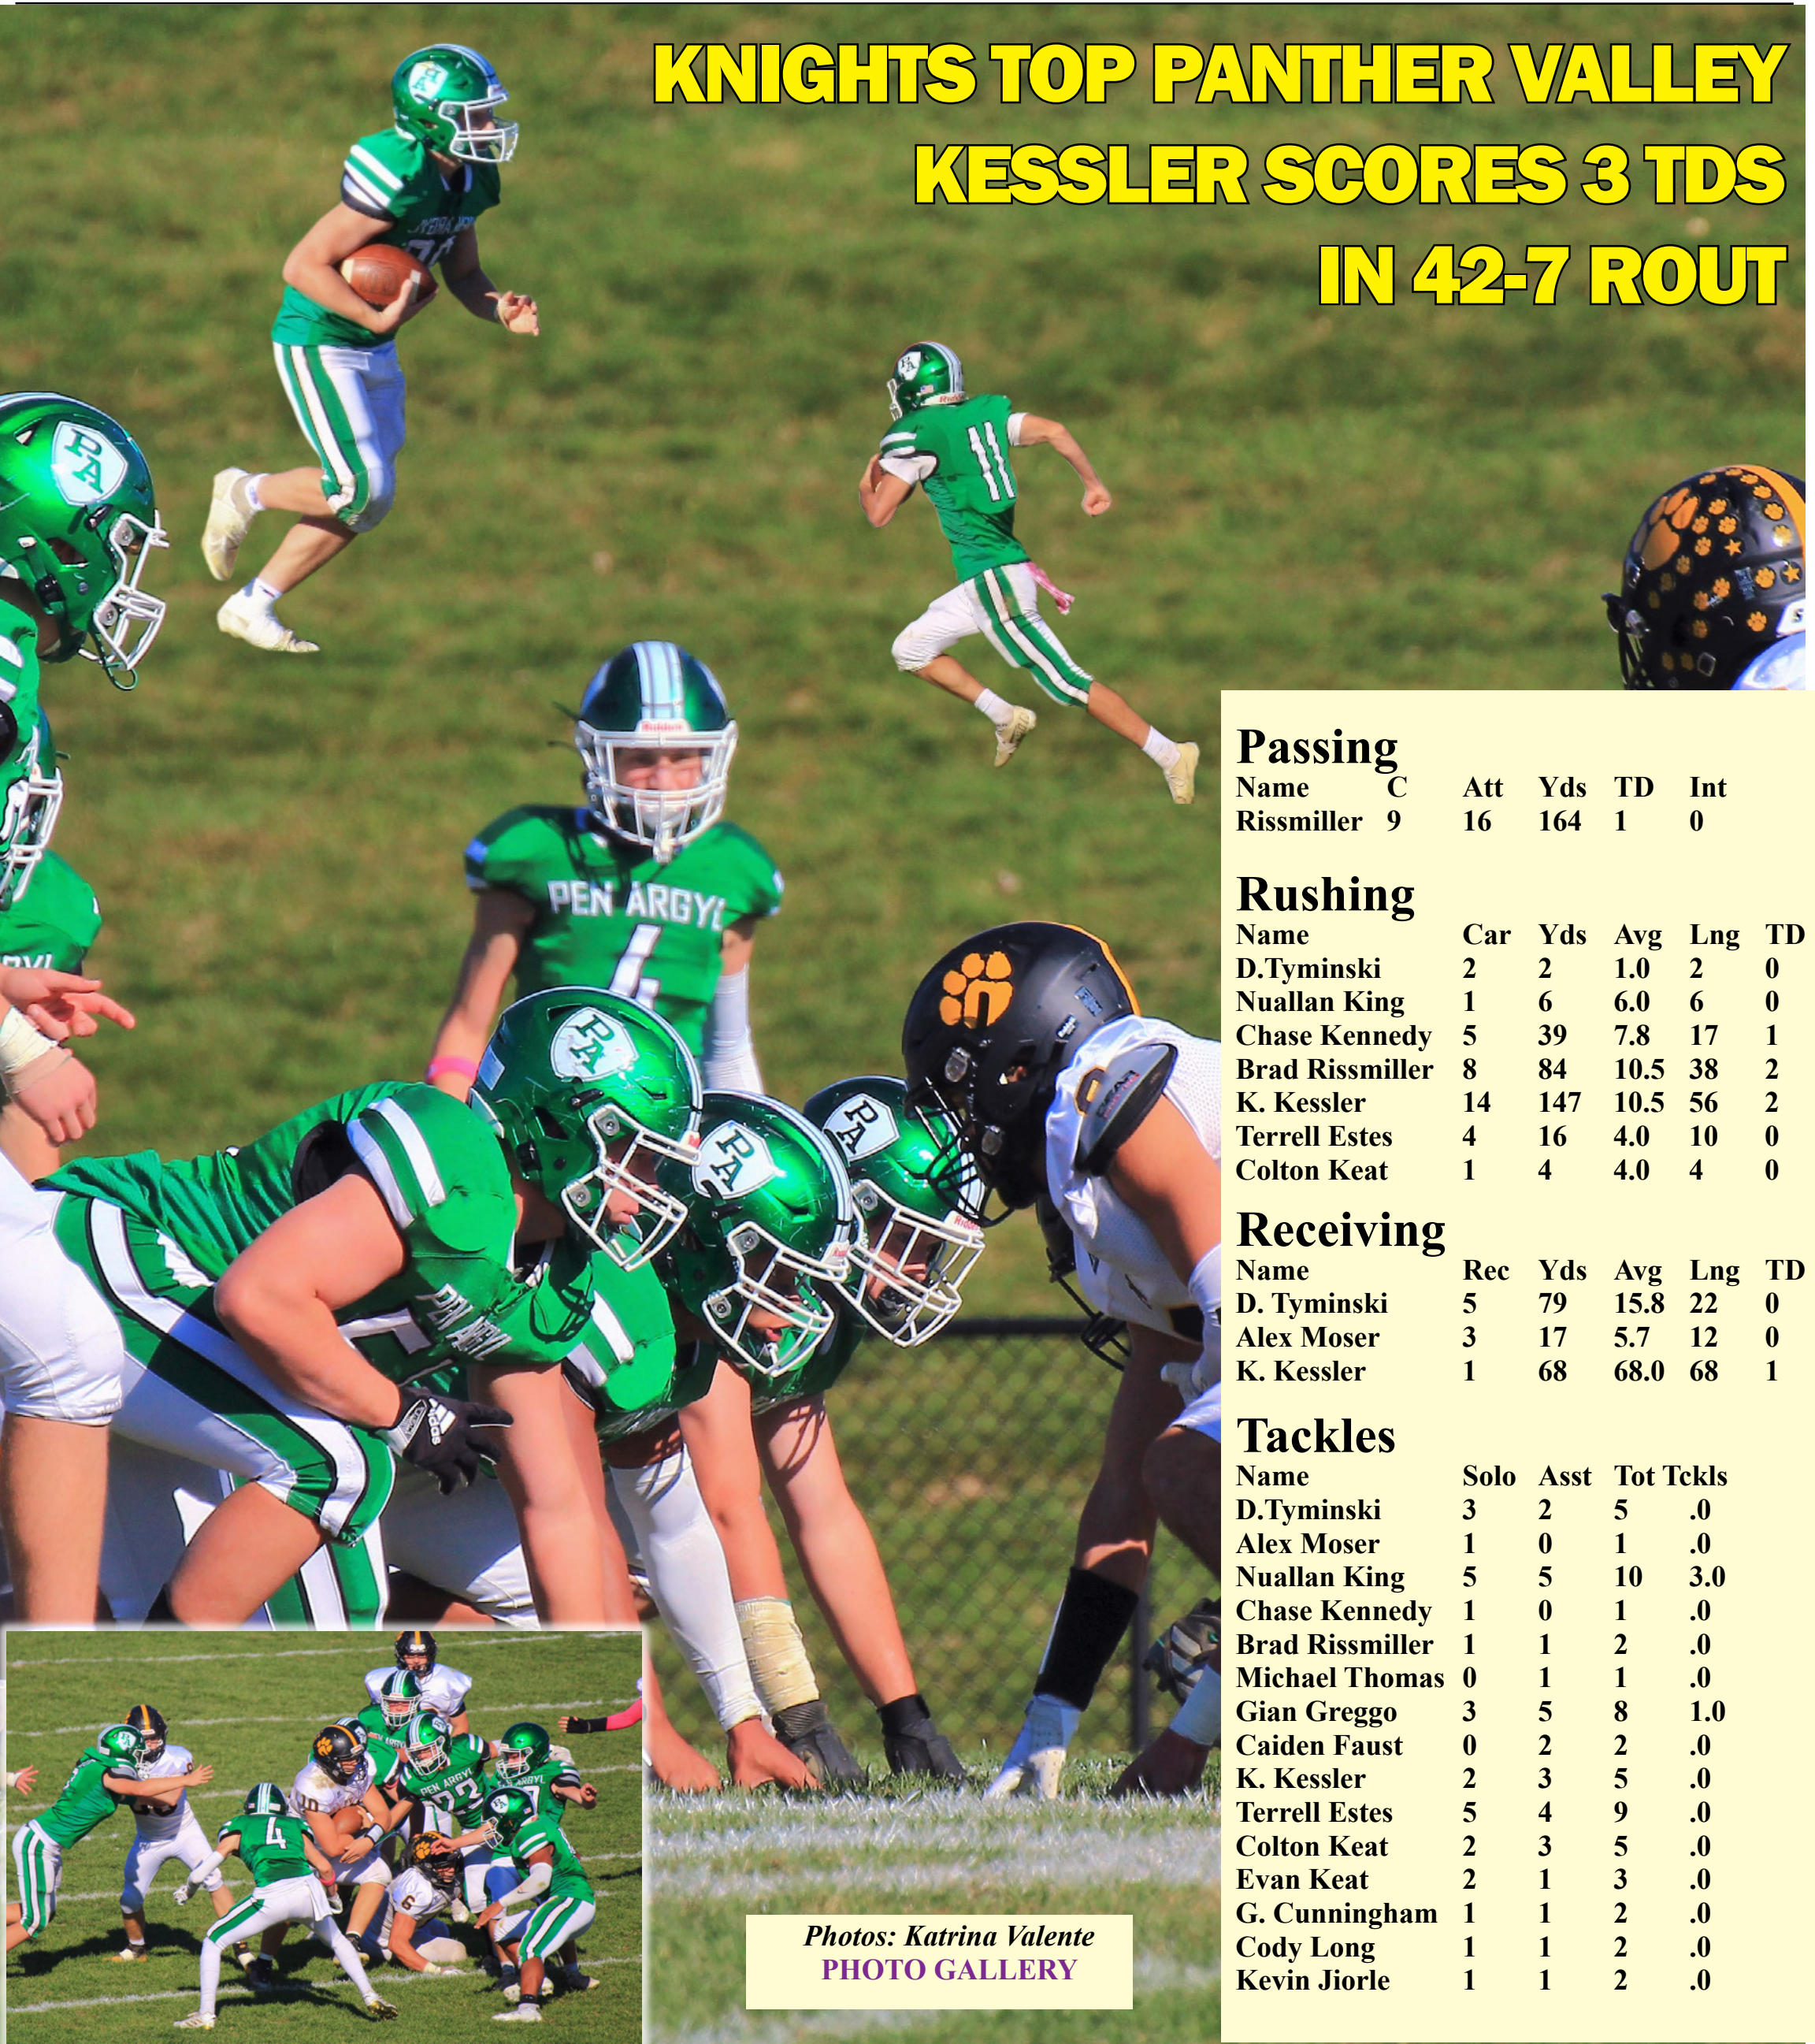

*Charles Taylor*

## Vaughn Telepo Earns Scouting's Highest Rank During A Moving Ceremony

by Larry Cory

Vaughn Telepo of Bangor became an Eagle Scout recently during a ceremony held at the Dyle E. Bray Home Association. If you ever have the opportunity to watch an Eagle Scout induction ceremony, officially known as an Eagle Scout Court of Honor, don't pass up the chance.

It's a moving experience that incorporates all that is good and honorable and something all of us should aspire to be.

Eagle Scout is the highest achievement or rank attainable in the Scouts BSA program of the Boy Scouts of America. Since its inception in 1911, only four percent of scouts have earned this rank after a lengthy review process. The Eagle Scout rank has been earned by over 2.5 million youth

Becoming an Eagle is not automatic, nor does one become an Eagle with a snap of the fingers or the wink of an eye. It takes time, hard work, perseverance, and dedication to get there.

Scouts are required to earn all the ranks in order, starting with Scout. The following is a list of the activities the Scout will complete on their journey to Eagle Scout:

- **Be active in the troop for at least six months as a Life Scout**
- **Show dedication to Scout Oath and Scout Law**
- **Provide references from family, work, church, and other community groups**
- **Earn 21 merit badges**
- **Serve a minimum of six months in a leadership position**

- **Propose, plan, and carry out an Eagle service project**
- **Attend a Scoutmaster conference**
- **Pass a board of review**

Earning the rank of Life Scout is an important milestone. The scout is encouraged to think about the symbol of the heart. Historically in scouting, it was a fitting symbol of health and fitness, but it also represents the spirit of caring and giving that is behind the Eagle Scout service project.

Service to other people is what scouting is all about. In many ways, the service project reflects who the scout is as a youth leader. The result should be of significant impact in the community to be special, and should represent the scout's very best effort.

Telepo's service project was the recent refurbishing of the front entrance of the Dyle E. Bray Post Home Association formerly known as the Bangor VFW.

Telepo concentrated his efforts on installing eight decorative poll wraps around the support beams of the building. He also made and painted two new benches near the front doors by re-purposing the older ones.

Finally, he posted a new welcome sign near the entrance to complete his Eagle Scout Project which visually enhances the appearance of the front entrance to the building

"I can't thank you guys enough," Telepo said during his Eagle Scout ceremony. "When I started the project, I knew I had a lot of time but as time went on and COVID hit, I realized that I had less and less time."

"(With) pushing from my parents, and my fellow scouts as well. I'm just blessed to have people around me back here."

Vaughn with mother Martie and father Michael

## Field Hockey Youth Learning One Sunday at A Time

by Larry Cory

On a bright and brisk recent Sunday afternoon over 65 children from the Upper Mount Bethel Youth Girls Field Hockey program enjoyed playing field hockey at the Upper Mount Bethel Community Park on Potomac Street in Mount Bethel in full view of the nationally famous Delaware Water Gap.

While some adults watching the games were dealing with a slight chill in the air, the players pushed, scooped, flicked and hit balls from one goal to another on a field perfectly sized to fit the ages of the players. Most of the athletes were from the Bangor School District, although a few others came from Pen Argyl and Stroudsburg. Their opponents were from Nazareth, Palmer and Bethlehem Township.

Now in its fourth year, the program directed by Emily Keggan, Amy Jo Tocket, Jen Giera and a staff of 16 field hockey moms, the popularity of the program has grown.

“Our Current Goals of UMBT Field Hockey are to create a fun environment for the female youth in the Slate Belt Region,” said Emily Keggan, .... they (also) can learn the sport of field hockey, make friendships while working as a team, gain good sportsmanship through the ups and downs, treat others with kindness and encouragement, as well as build self-confidence as they fall in love with field hockey.”

“The long-term goal is to provide a feeder program for local middle and high school programs and build a collaborative program with local schools and colleges.”

Many of the children are in their early years of competitive athletics, and while the goal of a game is to score more goals than your opponent, there’s more than wins and losses

“We help guide the girls in practicing good sportsmanship regardless if we’ve won or lost the game. Everyone can learn something to improve themselves as an athlete and human being,” Keggan said. “Our Field Players run to their Goalies to bring them in from the cage after a game has wrapped up. Despite the score, each team celebrates with a little snack, provided by our players’ families. At the beginning of our Monday night practice, we gather all of the players to recognize the players who had the opportunity to score a goal during ‘Sunday’s games.

“And at the end of the season, we’ll hold our ‘Glow in the Dark’ End of the Season Celebration & Award Ceremony, where our athletes will decorate their sticks, clothes and themselves with neon and glow-in-the-dark embellishments & we recognize each player & coach for their contribution during the season.”

**The Crowning of the Ghosts cast included .L\_R: Jim Paynter – The Butler, Marc Blau – William “Bill” Scott, Mayor of Bangor, Perry Morris-Max Winkler, Owner of Blue Ridge – Winkler Textiles, Charles Klages as Rudy Mazur, Sign Painter, Brenda Roth- Queen Elizabeth, Melissa Hough- Charlotte Hough, first female school board member and founder of the Friends of the Bangor Library, and Jazmine Xaio- Mary Ella Correll, owner of Correll Opera House, hardware store and female enlistee in World War II where she worked at Walter Reed Hospital.**

The Slate Belt Heritage Center hosted its Haunted Heritage Program last night at the heritage center (with a nod to the Queen) entitled: “Crowning of the Ghosts”. This much loved yearly program will be held on

Slate Belt residents from the past appeared in ghostly form to tell true stories about their lives.

Last night the Center conjured up the sprits of : Ghost #1, Max Winkler (1886-1955) immigrant, industrialist and benefactor, who is best known as

the founder of Blue Ridge-Winkler Textiles;

William D. “Bill” Scott, Jr. textile executive, mayor of Bangor and urban renewal visionary; Charlotte Hough (1924-1997), first female president and member of the Bangor Area School Board, promoter of libraries, senior housing and the arts. A few other ghosts may drift in during the program. As a small tribute to the late Queen Elizabeth, tiara or crowns may be worn by all attendees.

## BANGOR STUNS NORTHWESTERN 27-21

It's that time of the year when football teams need crucial wins to stay in the playoff hunt. To do that they need big plays at the right time.

While the Slaters' vaunted rushing attack (37-236) was in good form Friday in New Tripoli versus powerful Northwestern, it was Bangor's defense that made the difference cashing in on a pair of crucial turnovers, one for a touchdown and the other to seal a hard-fought win.

The Slaters which hadn't beaten the Tigers since a 22-20 win in 2017, scored first and never trailed improving their record to 6-2.

Bangor scored first after stopping Northwestern at the their own 25.

From here, Bangor drove 75 yards in 14 plays, scoring on Eric Striba's 2-yard run. M.J. Siu's PAT gave the Slaters a 7-0 lead. It was reported that Bangor converted two third downs and a fourth down in the series consuming more than seven minutes.

The Tigers came back with a nine-play, 64-yard drive finished by Dalton Clymer with a 6-yard scoring run to tie the score at 7-7.

Moments later, the Slaters' speedy Noah Hillis put Bangor back on top with a 61-yard run. Siu's PAT gave the Slaters a 14-7 lead. Clymer then evened the score after a ten-play drive to make the score 14-14 at half.

That score held through the third quarter as a game filled with offense became a defensive tug of war.

The Slaters' Alex Farensbach, however, broke the deadlock when he picked up a Tiger fumble and raced 64 yards giving Bangor a 21-14 lead

after Siu's third consecutive PAT with 11:48 left in the game.

After the Tigers evened the score at 21-21, Striba's 3-yard touchdown run with 3 minutes, 20 seconds left gave the Slaters the lead. Striba then sealed the deal when he hit Tigers' QB Cade Christopher forcing a fumble that Riley Stapp pounced on with 44 seconds left to preserve a 27-21 win.

Bangor (6-2) will host Blue Mountain (5-3) next week and will then close out the regular season in the 103rd renewal of the Slate Belt Rivalry at Pen Argyl. Depending on circumstances the Slaters may then qualify for the District 4A playoffs.

### SCORING

#### First quarter

B: Eric Striba 2 run (Siu kick)- 7-0

#### Second quarter

NW: Dalton Clymer 6 run (Osborne kick), 10:53 - 7-7

B: Noah Hillis 61 run (Siu kick), 9:56 - 14-7

NW: Clymer 4 run (Osborne kick), 4:07 14-14

#### Fourth quarter

B: Alex Farensbach 64 fumble return (Siu kick), 11:48- 21-14

NW: Cade Christopher 30 run (Osborne kick), 9:15 - 21-21

B: Striba 3 run (kick blocked), 3:20 27-21

L-R: Eric Striba, Alex Farensbach, Ashton Kluska
