Protect Yourself Outdoors During Fall Months

As people continue to spend time outdoors during the fall months, the Wolf Administration wants to remind residents of the dangers of tick and mosquito-borne illnesses, and to take steps to protect themselves.

"Fall is for many the best time for hiking with beautiful colors, crisp air, and fewer bugs, but many people are surprised to learn that there are ticks that remain active throughout the year, so it's always important to take preventative measures so you can enjoy the mental and physical health benefits of being in the outdoors," DCNR Secretary Cindy Adams Dunn said.

Before heading outdoors, it is important to cover exposed skin, wear light-colored clothing (to aid in insect detection), tuck your pants into your socks, and use an insect repellent containing 20 percent or more DEET.

Wind Gap Turkey Drive

Thanksgiving is two months away. Plans are underway for another Turkey Drive this year for the food bank in Wind Gap .

Last year was a beautiful display of generosity on the community's part. That said, this year they want to start earlier, possibly reaching more people. Drop off date is not definitive as of yet. They suggest that you pick up an extra can of vegetables or mashed potatoes when you shop up to drop off date.

And if financially you can't help, there are other ways. A simple share and like is an incredible way to help.

The food bank accepts non perishable items throughout the year . There is a drop off box outside the old catholic church located on 512 and Genoga in Wind Gap . (On the Genoga side)

The Slate Belt Heritage Center will post a Pearl Harbor Program on their Facebook page November 19 by 7:00 p.m.

The program, given by James Paynter, will look at the attack on Pearl Harbor on December 7, 1941. Mr. Paynter, a graduate of Bangor High School, served in the United States Navy from 1967 – 1969, and has spent many years studying the events on “the day that will live in infamy.”

Paynter will be sharing stories from people who were there the day of the attack, showing pictures of the ships that were at Pearl Harbor at the time of

the attack, as well as other presenting other artifacts and displays. It promises to be an interesting and informative talk about the day that led the United States to enter World War II. Facebook page address is Slate-Belt-Heritage-Center-SBHC.

CDC Expands the Definition of ‘Close Contact’

The Centers for Disease Control and Prevention released new guidelines on Wednesday regarding what counts as “close contact” with someone who has COVID-19.

The expanded definition includes brief but repeated exposure to others with the virus that adds up to 15 minutes over a 24-hour period. Previously, the CDC defined close contact as spending 15 consecutive minutes or more within six feet of someone with COVID-19.

This makes mask-wearing even more important for preventing transmission

Bangor Spellers Beat Pen Argyl

A large crowd attended a spelling bee between five graduates of Bangor High school class of 1938 and five graduates of Pen Argyl high school class of 1938.

The participants from Bangor were: Aurelia Sleeman, Theresa Falcone, Antonette DeFrank, Helen Nicholas and Vera Buzzard. Those from Pen Argyl were: Evelyn Stine, Joyce Parker, William Dawe, Lawrence Hendershot, and Joseph Braido.
