Tips for Ordering Takeout or Delivery

(Wash Your Hands The Right Way)

Use plain soap and water—skip the antibacterial soap—and scrub the backs of your hands, between your fingers, and under your nails for at least 20

seconds. Need a timer? Hum the “Happy Birthday” song from beginning to end twice.

- Rinse hands, then dry with a clean towel.
- Wash your hands often, especially during these key times when germs can spread:
- Before, during, and after preparing food
- After handling raw meat, poultry, seafood, or their juices, or uncooked eggs
- Before eating
- After using the toilet
- After changing diapers or cleaning up a child who has used the toilet
- After touching an animal, animal feed, or animal waste
- After touching garbage
- Before and after caring for someone who is sick
- Before and after treating a cut or wound
- After blowing your nose, coughing, or sneezing

Wind Gap Turkey Drive

Thanksgiving is two months away. Plans are underway for another Turkey Drive this year for the food bank in Wind Gap .

Last year was a beautiful display of generosity on the community's part. That said, this year they want to start earlier, possibly reaching more people. Drop off date is not definitive as of yet. They suggest that you pick up an extra can of vegetables or mashed potatoes when you shop up to drop off date.

And if financially you can't help, there are other ways. A simple share and like is an incredible way to help.

The food bank accepts non perishable items throughout the year . There is a drop off box outside the old catholic church located on 512 and Genoga in Wind Gap . (On the Genoga side)

environmental programs for individuals, families, and scouts, but we also serve over 35 different public and private K-12 schools for free throughout the academic year. Whichever way your students are learning this year, Jacobsburg is here to help with standards-based outdoor education in biology, environmental science, earth science, history, and language arts. If your student needs to get outside for an in-person educational experience, give them a call. They are prepared to offer in-person and virtual programs by request to groups of families, as well as schools. They require at least 5 students for a free hour-long lesson and group sizes are limited to no more than 20 people total. Please call to find out more, 610-746-2801 or [Click Here](#).

Library's Foreign Language Vocabulary Builder

The Bangor Public Library announces that it has added LingoLITE to its online reference offerings which helps users learn basic words and phrases in 30 languages using interactive native speaker videos.

"Foreign language training and references are very popular at the library, but in the past, we've never been able to offer one source for learning so many languages using such an interactive video format, so we're very excited to offer this database to our patrons," says Kathleen Lynch, Director at Bangor Public Library.

LingoLITE is a vocabulary builder and contains thousands of native speaker video clips in 30 languages including Spanish, French, Italian, German, Chinese, Japanese, Chinese, Farsi, Hindi, German, Swahili, Thai, and 18 others. Anyone can access LingoLITE using the library's computers, or from anywhere in the world from the library's portal at www.bangorlibrary.org with their library card.

LingoLITE was designed anyone who wants to learn basic terms and phrases in a new language. The resource has glossaries for greetings, introductions, food, transportation, relations, numbers, and more.

This is an example of the Library's mission to increase its coverage of topics that are of interest to its diverse population of patrons young and old.
