# Playing Newborn Babies Mozart Relieved Their Pain

## Researchers Measured The Pain Levels Of 100 Newborns Blood Test

*By Stephen Beech via SWNS*

Playing newborn babies a Mozart lullaby relieved their pain during a blood test, suggests a new study. American researchers measured the pain levels of 100 newborns undergoing a heel prick blood test in New York as part of routine screening for conditions such as jaundice.

Half the babies listened to an instrumental Mozart lullaby for 20 minutes before and during the heel prick and for five minutes afterward, while the other half did not listen to any music.

Regarded as one of the greatest composers in history, Wolfgang Amadeus Mozart composed more than 800 works before his death at the age of 35 in 1791.

The babies were, on average, two days old and born at 39 weeks, while just over half were boys.

As part of standard care, all the babies were given 0.5 milliliters of sugar solution two minutes before the heel prick was performed.

A researcher wearing noise-canceling headphones assessed the babies' pain levels before, during, and after the heel prick.

Pain levels were determined according to the babies' facial expressions, degree of crying, breathing patterns, limb movements, and levels of alertness.

The researchers accounted for the potential influence of other sensory inputs on pain levels by consistently performing the procedure in a quiet, dimly lit room at an ambient temperature and by not providing the babies with pacifiers or physical comfort.

The team observed similar pain levels in both groups of babies before the heel prick, with both groups having average pain scores of zero, out of a maximum possible score of seven.

But the pain score of babies who listened to the lullaby was "significantly lower" during and immediately after the heel prick, compared to those who did not listen to music.

# Too Much Screen Time For Kids Linked To Heart Issues Later In Life

*By Pol Allingham via SWNS*

Plonking kids in front of the TV for hours on end paves the way for heart attacks and strokes in later life, warns a new study.

Researchers found being a couch potato between childhood and young adulthood is

Dr Andrew Agbaje of the University of Eastern Finland, said: “All those hours of screen time in young people add up to a heavier heart, which we know from studies in adults raises the likelihood of heart attack and stroke.

“Children and teenagers need to move more to protect their long-term health.

“Children were sedentary for more than six hours a day and this increased by nearly three hours a day by the time they reached young adulthood.

(Photo by Andrea Piacquadio via Pexels)

“Our study indicates that the accumulation of inactive time is related to heart damage regardless of body weight and blood pressure.

“Parents should encourage children and teenagers to move more by taking them out for a walk and limiting time spent on social media and video games.

“As Martin Luther King Jr. once said, ‘If you can’t fly, run. If you can’t run, walk. If you can’t walk, crawl. But by all means, keep moving.’”

Researchers used data from one of the world’s largest cohorts, tracking kids from 1990.

It was the first study to investigate sedentary time’s cumulative effect on the heart. The test group included 766 children, 55 percent of whom were girls.

The findings were presented at the European Society of Cardiology (ESC) congress in Amsterdam,

## Nazareth Area Garden Club Annual Flower & Garden Show

The Nazareth Area Garden Club is pleased to announce their 21th Annual Flower and Garden Show, on September 8th from 4:00 – 7:00 p.m. and the 9th from 10:00 a.m. to 3:00 p.m. We are located at the Schoeneck Moravian Church at 316 N. Broad St. Ext., Nazareth. Admission is free.

This has been a challenging growing season and club members have worked hard to be able to present a beautiful display of Plant Specimens, Houseplants and Floral Arrangements. The theme of the show is Cities of the World. Several special projects will be on display. This year will feature a Showy Goldenrod and a Tri-color Sage. In addition, there will be dried flowers in a frame, a vase of flowers, and a planter of succulents and/or cactus. The public will be asked to vote for their favorite Succulent Planter.

The 10 Floral Arrangements follow our Cities of the World theme with entries including New York City, Paris, Kiev and London. As always, we will display plant specimens and house plants grown by members. Judges from other Garden Clubs and organizations will judge these entries prior to the public showing.

We will hold a plant sale and silent auction of gift certificates, gift baskets, artwork and 2 quilted wall hangings. Winners will be announced on Saturday at 2:00 p.m.

The object of the NAGC is to provide a friendly environment, which nurtures the study of horticulture and floral design, and to share that knowledge within our organization and the community. Our normal monthly meeting schedule is the 3rd Tuesdays from March through November at 7:00 p.m. For more information on becoming a member, please visit the Nazareth Area Garden club on Facebook.

## Inn Traces Roots to 1848

Johnsonville Inn has a rich and robust history dating back to 1848 when Jacob and Diana Stier bought the land from George and Elizabeth Beck. While the land was eventually sold to their son, Phillip in 1863, it was not until 1874 that Phillip's brother, William Gould Stier would build The Constitution House on the property.

In 1889, the Constitution House was sold to Lewis Franklin Reimer who then renamed it the Johnsonville House. After the passing of Reimer in 1939, his grandson Ockey took over the Inn in 1941.

In 1976, the property was purchased and renamed the Red Geranium Country Inn until 1980 when Dan and Ethel Paolini took over the Inn. Danet's Red Geranium Country Inn was a local staple until Dan's passing in 2008.

The Inn changed ownership a few times between 2012 and 2015 until finally landing in the hands of Ed and Donna Curry in 2019. With renovations to bring it into the future, while looking back fondly to the past, it was renamed Johnsonville Inn in 2023.

Johnsonville Inn serves contemporary American food specializing in steaks, using USDA-Certified beef. Info from the Inn's website @ [www.johnsonvilleinn.com](http://www.johnsonvilleinn.com)

# Raegen Toomey Scores a Game Record Eight Goals

Bangor sophomore Raegen Toomey set a school record of eight goals in a game during the Bangor Girls Soccer team's 11-0 shutout over East Stroudsburg North Friday afternoon.

Toomey broke the old record of six set by Kylee Will in a game versus Palmerton in 2015.

Meanwhile, the Slater Boys soccer team shutout East Stroudsburg North 12-0 yesterday.

Shutouts were in vogue Friday at the Slater girls tennis team recorded a 5-0 win over Notre Dame of East Stroudsburg.

The Bangor football team came within one touchdown of a shutout, beating Palisades 36-8. Bangor led 36-0 in third quarter when the Pirates scored their only points of the contest.

The Slaters took an early 2-0 lead on a safety in the first quarter before senior quarterback Greg Campbell threw a 27-yard touchdown pass to Riley Stapp for a 9-0 lead.

Campbell and Stapp combined twice more for touchdowns, the last a 29-yard throw on the final play of the half.

Campbell also completed a touchdown pass to Max Siu for his fourth of the game.

Nosh Hillis scored on a one-yard run in he third quarter for the final score of the night.

Campbell's four touchdown passes in a game fell two short of the record of 6 held jointly by Jason Marracinni (1994 vs Pen Argyl) and Steve Menhennitt (1969 vs Pocono Mountain)

The Pen Argyl Girls Soccer team also scored big with a 9-1 win over Pocono Mountain West.

## Constitution Avenue Construction

Wind Gap Borough will be starting their Constitution construction project on Tuesday, August 29th.

The contractor will be starting with the western most cross pipe replacement which will require the closure of Constitution for the safety of the workers. It is hoped that the cross pipe and inlets can be replaced in one working day but if it's not, there is a possibility Constitution could be closed on Wednesday.

The construction will progress to the east with the replacement of the storm inlets and pipe along the north side of the road. When they the next cross pipe, that will require the closure of Constitution once again. Wind Gap Borough will be updating us on the progress, and we will update as we get them.

There is one additional crossing that will require closure and that timing will be dictated by the pace of construction. Constitution will be closed during the day (7:00-4:00) and opened back up to through traffic at the end of the day.
