PUMP Needs Your Help

With an increase of 30%-40% of people coming because of COVID-19, PUMP is currently serving 150 - 175 families who receive food weekly from the pantry. All the food is distributed by approximately 30 to 40 volunteers.

Food supply also has risen 25%-30% and continues to come from donations, Second Harvest, Trader Joe's, Northampton County and Salvation Army.

They are asking at this time for the communities cooperation in helping secure the funds to purchase a parcel of land and construction of a new building.

Donations can be sent directly to Portland Upper Mt. Bethel Food Pantry Inc. P.O. Box 69 Portland Pa. 18351 or visit the PUMP at 111 State St. Portland Pa.. Mondays from 9:30 AM to 12 PM.

Library's Foreign Language Vocabulary Builder

The Bangor Public Library announces that it has added LingoLITE to its online reference offerings which helps users learn basic words and phrases in 30 languages using interactive native speaker videos.

"Foreign language training and references are very popular at the library, but in the past, we've never been able to offer one source for learning so many languages using such an interactive video format, so we're very excited to offer this database to our patrons," says Kathleen Lynch, Director at Bangor Public Library.

LingoLITE is a vocabulary builder and contains thousands of native speaker video clips in 30 languages including Spanish, French, Italian, German, Chinese, Japanese, Chinese, Farsi, Hindi, German, Swahili, Thai, and 18 others. Anyone can access LingoLITE using the library's computers, or from anywhere in the world from the library's portal at www.bangorlibrary.org with their library card.

LingoLITE was designed anyone who wants to learn basic terms and phrases in a new language. The resource has glossaries for greetings, introductions, food, transportation, relations, numbers, and more.

This is an example of the Library's mission to increase its coverage of topics that are of interest to its diverse population of patrons young and old.

TRAINING continued from page 1

The visit included a detailed discussion about Waste Management's Compressed Natural Gas (CNG) fleet and how to handle any potential emergencies. Brian Stahl, a Grand Central Hauling truck driver, Maintenance Manager Matthew Gibas and Maintenance Supervisor Bruce Archer provided the instruction and demonstration for the emergency features on the CNG fleet.

Stahl is no amateur when it comes to Waste Management's trucks. He has spent 27 years with Grand Central Hauling and equally the same amount of time as a fireman. He serves as the Fire Chief for Bushkill Township Fire Company – one of the emergency crews that would service Grand Central Landfill.

Grand Central's Landfill Manager, Joe Statile and Sr. Community Relations Specialist, Adrienne Fors provided a detailed explanation of the facility in the parking lot at the office. Due to COVID, the team couldn't tour the facility on the bus like previous years.

The discussion included the facility's landfill gas-to-energy project and the Grand Central Wastewater Treatment Plant. Having knowledge of how to access these buildings will help crews at a time of emergency.
