Pennsylvania Litter Campaign

Volunteers are being sought for Pick Up Pennsylvania, a campaign of small-group or solo litter cleanup events being held Monday, September 1, to Monday, November 30. Volunteer groups who clean up roadways through the PennDOT Adopt-A-Highway program are also encouraged to participate.

“The COVID-19 pandemic brought twin challenges to our litter cleanup efforts this spring. It put group cleanup events on hold, while at the same time, littering increased in state parks and many other places as more people pursued outdoor activities,” said Pennsylvania Department of Environmental Protection Secretary Patrick McDonnell.

Volunteers must take proper steps to mitigate the spread of COVID-19, including wearing masks, practicing social distancing, and limiting outdoor groups to 250 people or fewer and any indoor gathering to groups of 25 people or fewer.

Registered Pick Up Pennsylvania events can get free trash bags, gloves, and safety vests as supplies last. Cleanups in any location, for example, along roadsides, in neighborhoods and parks, and on shorelines, are eligible.

Individuals, families, neighbors, students, civic organizations, and local governments are all invited to participate. Additional information is available at the Keep Pennsylvania Beautiful website.
