Go Caroling Day

National Wreaths Across America Day is the culmination of a yearlong The tradition of singing carols has roots in pagan celebrations of the Winter Solstice. Carols were later adopted by the Christian faith to celebrate the nativity during the 4th and 5th centuries and were primarily sung in Latin. St. Francis of Assisi improved the popularity of singing carols when he paired the songs with stories (canticles), and the songs were performed in modern languages. The Victorian era saw a surge in caroling, and many popular caroling songs still sung today were written during this era.
